## **TITLE: HAVANESE CLUB OF AMERICA., INC HEALTH STATEMENT**

At this time The Havanese Club of America, the AKC Parent Club for the Havanese breed, recommends three health tests be done to get a CHIC number.

These tests are:

1. An annual eye exam
2. A hip x-ray, and
3. Patella (knee) certification

On May 25,2022 at the Havanese Club of America, Inc Board meeting the health committee proposed removing Baer testing for hearing from being part of the requirements with OFA to receive a CHIC number. A motion was made by Jean Nagle (VP) and seconded by Sara Dellorto( Director) the motion was approved by the board.

The Havanese Club of America Board of Directors approved the updated health statement May 25, 2022
