Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable disease and have appropriate vaccinations.

The American Kennel Club, its staff, or its affiliates will not be responsible for the loss or damage to any dog exhibited or the possessions of any exhibitor, whether the result of accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of its owner or handler during the entire time the dog is on the premises.

Thank you for joining us for the inaugural AKC Obedience Classic and the third annual AKC National Juniors Obedience Competition! The Classic is something you, the obedience fancy, have been asking to have for many years. The event is a first of its kind for AKC, offering all regular levels of obedience classes at a national level. You have worked hard to meet the entry qualifications; we congratulate you and are pleased to welcome you and your dogs to these events.

The AKC Obedience Classic and National Juniors Obedience Competition are being held in conjunction with the Agility Invitational and the AKC/Eukanuba National Championship. In total, these events have attracted more than 16,300 combined entries during the week, with dogs competing for the highest honors in their sports. Please take the time to visit and appreciate the outstanding dogs and owners participating in each of these events.

Competitors have exhibited throughout the year in order to qualify to enter the Obedience Classic. Two hundred and forty-eight teams will compete over the next two days for top honors in the Novice, Open, Utility and Masters classes. Classic competitors come from 37 states, Canada and Mexico, representing 42 different breeds. These obedient dogs will perform a series of exercises such as heeling, scent discrimination and retrieving over jumps; judged on skill and accuracy as well as the natural movement of the handler and willingness and enjoyment of the dog.

The ten obedience judges have been selected for their experience and sound judgment. The AKC thanks them for the time they have committed to these events and their dedication to the sports.

All dogs will compete over two days, in three rounds of competition, which will be named the Red, White and Blue Rounds. In the Novice, Open and Utility Classes the handler/dog teams will compete a total of three times, once in each round. In the Masters Class the handler/dog teams will compete a total of six times, three times in Open and three times in Utility. Group exercises will be performed in each round.

The AKC National Juniors Obedience Competition is celebrating their third annual event in conjunction with the events in Orlando. Thirty-two junior handlers from 10 states will compete with 42 dogs twice on Saturday in the Beginner Novice and Novice classes and new to the event this year, the Open class. The Juniors range in age from 7 to 18 years and will compete with 23 different breeds. Stop by to cheer for the sport's youngest competitors!

Special appreciation goes to our sponsor J & J Dog Supplies, for their continued support. Please take a moment to visit their booth and express your appreciation to their representatives.

The entire Companion Events team has worked hard to organize this event and is here to ensure its success. The AKC also expresses its appreciation to the over 50 volunteers that have offered their time and expertise to make this event a wonderful celebration of the sport of obedience.

Our Companion Events team is comprised of -- Doug Ljungren, Vice President of Sports & Events; Co-Trial Chair and Sr. Executive Field Representative Diane Schultz; Event Secretary Lisa Strickland; the Companion Events Obedience Executive Field Team -- William Thayne, Mary Higdem and Sharon Hodgins-Wood. Without all of the wonderful volunteers and staff, an event of this size would not be possible. Thank you all for your time and talents.

Best of luck to our competitors over the next two days, we're pleased everyone could join us in Orlando this weekend. Enjoy the Classic!

Sincerely,

Pamela Manaton

AKC OBEDIENCE CLASSIC JUDGES

BETSY BAIRD

Although dogs have been a part of my life since I was a child, I did not become involved in obedience training until 1992 and only entered my first trial in 1994. My Novice A dog, an English Springer Spaniel named Canny Josie Tynesider, earned an AKC UDX as well as a UKC CD.

Since that time I've shown three other English Springer Spaniels in Obedience and Rally as well as dabbled a bit in Agility and Conformation, put various AKC titles on my dogs including an OTCH, multiple UDX's, CDX's, CD's, an RAE, an NA, and various UKC titles as well. At the moment I have two young Springers "in training."

I started judging AKC Obedience in 2004, judged Rally when it was offered as a Non-Regular class, and started judging all three Rally classes when it became a titling event in 2005. I do find I enjoy judging Obedience and Rally as much as I enjoy showing.

As well as being a member of the English Springer Spaniel Field Trial Association, I compile the obedience ratings for the breed. I am a member and on the Boards of both Keystone and Garden State English Springer Spaniel Clubs, on the Boards of Morris Hills Dog Training Club and All Star Performance Dog Association, and have been involved in putting on All Star's bi-annual Obedience and Rally Championships. I have also taught both Obedience and Rally in New Jersey.

I am delighted to be part of the judging panel for the 2013 AKC Obedience Classic & and AKC National Juniors Obedience Competition, look forward to seeing many great working dogs, and wish everyone success as well as a wonderful time at this very special event.

FRED BUROFF

I started showing in obedience in 1980 and trained both a male and female Doberman to Utility. After my Dobermans, I then titled three Border Collies, one Golden Retriever, and a German Shepherd. I also recently put a Rally title, a Beginner Novice Title, CD, and a Graduate Novice Title on an Italian Greyhound.

I have been judging obedience since 1989. I became a Rally judge when it started in 2005.

AKC OBEDIENCE CLASSIC JUDGES (CONT'D)

JUDY BROWN

I became interested in obedience when I purchased a young Doberman male with ideas of his own in 1970. By the time I finished his UD, I was totally in love with the sport of purebred dogs. I began judging in 1978 and am now approved to judge all obedience classes, all rally classes, the Sporting group, the Working group, the Herding group, 3 hounds, 1 Non-Sporting breed, Junior Showmanship and Best in Show.

I have judged in nearly every state, including several trips to Hawaii and Alaska. I have judged in Canada, Mexico, Argentina, El Salvador, Venezuela, Russia and Australia. I have been privileged to make many wonderful friends through showing, training and judging dogs. I am honored to judge the first AKC Obedience Classic.

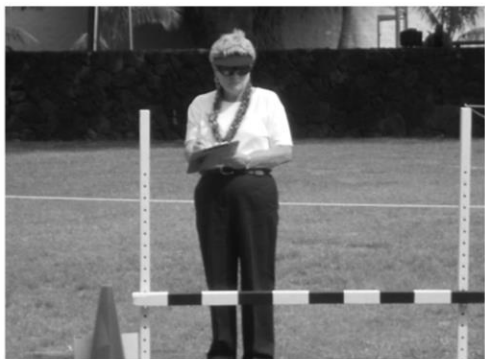

TED MCCALL

I first became involved with dog training nearly 30 years ago when I adopted a young German Shepherd and took her to a local obedience class in our community. "Heidi" was a joy to train, and with encouragement from the instructor, we ventured into the show ring; I was hooked! Eventually, I fell in love with the affable Golden Retriever and competed for nearly 10 years with "Chase"; together we achieved a perfect 200 and an OTCH before cancer took him away. Currently, I am having fun training my new Golden boy, "T", who promises to provide plenty of adventure, both inside and outside the show ring.

After showing for many years, I became interested in judging, and have been an AKC Obedience and Rally judge for over 8 years. I truly have fun with judging, and enjoy watching the different handlers and their dogs perform together as a team.

I am a member of the Sandlapper GRC and the GRC of America. I have also been active in Golden Retriever rescue. I teach weekly basic puppy and beginner classes at Companion Dog Training School in Asheville. Dog training has given me many wonderful opportunities to make **new** friends and to grow as a person in ways I would not otherwise have had.

AKC OBEDIENCE CLASSIC JUDGES (CONT'D)

SANDY FORNERIS

I took my first obedience class in 1976 and was hooked from that point on. My first partner was an Irish Setter named Annie and in 1983 we earned a CDX. My training continued with CDX titles on my husband's Brittany and my two English Cockers. Having a litter of English Cocker puppies was my next challenge. I had never trained a boy and decided that it was time to try one. My litter produced an outgoing and promising puppy who became my next obedience partner and I named him Tux. He became my first UDX dog, earning #1 Obedience English Cocker in 1996 and winning High in Trial at the National English Cocker Specialty in 1992 and 1998. My husband then started hunting English Springer Spaniels and I knew that would be my next breed. A friend sold me an exciting young dog by the name of Shine and together we had two High in Trials in 2004 and earned a CDX. He was so much fun to train, but his career was cut short with health issues. Last year my Standard Poodle, Remington, and I competed in the Rally ring and completed a Rally Excellent title along with a Beginner Novice title. Currently I am training a young Springer girl, Laney. I knew in the early years that I wanted to give back to the sport that I love. The members of the Des Moines Obedience Training Club were extremely helpful and supportive with my journey to become a judge. So I became a provisional Novice judge in 2000. Over the years I have enjoyed every assignment. It has been my pleasure to meet the club members who work so hard to make their trials a success, the experienced and the newbie exhibitors. I am proud to be judging the 2013 Classic. Good Luck to all of the exhibitors.

PATRICIA STRONG

I was lucky to see my first, in person, dog show as a teenager in Cincinnati, OH. I did not have the opportunity to really get started in the sport until many years later when I took a 6 year old Maltese to a beginning class and was introduced to the idea of showing in obedience. I was fairly successful showing five Maltese to CD's, two went on to earn their CDX's, and 1 even got to show one in Utility a few times.

Through the years of training and showing, I met many people who encouraged me and gave me suggestions on how to improve my skills in training and showing; but my most influential was Rich Strong. He introduced me to the wonderful attributes of the Golden

AKC OBEDIENCE CLASSIC JUDGES (CONT'D)

Retriever, to the fun and personal satisfaction of teaching obedience, and of course to the joys of Judging Obedience.

After finishing the OTCH on my first Golden Retriever, and training and showing several more, I set my eye on becoming an Obedience Judge for the AKC. I studied the rules, took every chance to practice my judging skills at Matches and practices and asked questions of every judge and AKC Rep. that I met. Everyone was encouraging and helpful, and finally I felt I could be a good judge so I applied.

As a judge, I have been privileged to travel to many different parts of the country and meet many wonderful people and dogs, both in and outside of the ring. I get a lot of joy from judging, both the first time exhibitor earning (or even not earning) their first leg toward a title, to the long time exhibitor showing their multi-titled dog. They all contribute to this sport I love.

I would like to thank the AKC for developing competitions like the Obedience Classic to help promote obedience training not only for competition but also for the many wonderful family pets that attend classes everyday throughout our country. Many of these dogs would be unmanageable, and would lose their lives, without the trainers that volunteer their time and talents. They pass on the training information that they have acquired, through classes, seminars, books, and DVD's. They deserve our support and encouragement.

Now let's all enjoy the show.

MINTA "MIKE" WILLIQUETTE

My interest in the area of dog competition began in 1965 when I started training and showing Irish Setters. I competed in conformation, obedience and field trials; handling my own dogs and earning several advanced obedience degrees including Utility Dog, which at that time was the highest title available. Working with the Setters, who are known to have a "rollicking personality," probably helped me prepare a bit for the future "PBGV years."

I was a member of the K-9 Obedience club of Menomonee Falls, Wisconsin, and a founding member of the Western Waukesha County Dog Training Club. In Florida, I was a member of Peace River Dog Training Club, and Lee County Obedience Dog Training Club. Now in South Carolina I belong to the Dog Obedience Club of Greenville. I also have been on the board of The PBGV Club of America making sure Companion Events was represented. I was one of three people asked by General Mills Corp. to form an organization, Badger State Obedience Assoc., to host one of the first Gaines Regional Obedience Championships.

Twenty-five years later I had the honor of qualifying and showing Tater, my first PBGV, at one of the last Pupperoni Regional Obedience Championships. He was the first PBGV to attend a Gaines tournament. My second PBGV, Gypsy, is the only PBGV to obtain a UDX title, Gypsy (UUD UACHX UROC UCH CH Goose Creek Let Me Entertain You UDX OM2 GO VCD2 AX AXJ NAC SHH PCJH); Drew (CH Goose Creek Le Artiste CGC RN PCJH); and Glee (UCH GCH CH Sutton

Crepu Visage Collage De La Amour CD GN RE) are my current PBGVs. I handled all to their championships and Glee to her Grand Championship, as well as their various other titles. Gypsy qualified for the NOI four times and competed three times, with a first and third Hound Group placement. Gypsy and Drew were the first PBGV's to earn the Parent Club Master Hunter title. Glee is my work in progress, at twenty months we are training in Open and have a good start on Utility exercises and only two legs to go on her RAE. My goal is for her to be the first OTCH in the breed. I have to include that she is almost a Junior Hunter too.

In carrying my obedience experience forward, I now judge Obedience and Rally for AKC and UKC, and Hunt Tests for PBGV's.

I am looking forward to judging at the first AKC Obedience Classic, as I will be able to see teams on all levels of Obedience during the weekend. I am honored to be asked to judge this inaugural event.

My interests lie in all areas of dog competition and it is my opinion that Companion Events are an important part of breed development.

NANCY WITHERS

It's hard to believe how much an ad in the "Pets for Sale" section of our local newspaper in February, 1978 has changed my life! From that ad I purchased my first Shetland Sheepdog who, along with three other of my Shelties, earned their American and Canadian Utility degrees. Up until recently I have only owned Shelties, but now I am also the proud owner of a Pembroke

Welsh Corgi, "Tucker" who earned his Herding Excellent title with the expert training and handling of my good friend Amanda Nickle. Prior to becoming a judge I put obedience titles on a Pug, Kuvasz, Border Terrier, Golden Retriever & a Corgi. Several other of my own dogs have also earned CD's as well as herding titles and a tracking title. I judged my first AKC obedience trial in 1992, and am approved for all obedience classes in the U.S. and Canada, as well as all Rally classes.

I have been an active member of the Berks County (Pennsylvania) Dog Training Club since 1978, and have served in most every office and club position. I have been a member of Interstate Shetland Sheepdog Club since 1980, and ASSA since 1984. I've also been very active in both organizing and behind the scenes work in various tournaments and regional obedience competitions.

Enjoy the camaraderie of your friends, old and new, these next few days and best of luck to all exhibitors! Thank you for inviting me to judge!

AKC NATIONAL JUNIORS OBEDIENCE COMPETITION JUDGES

ALVIN ENG

I started obedience training out of necessity. In 1991, my wife Audrey and I bought our first show dog puppy. The puppy was a sweet but ill-mannered English Springer Spaniel named Cruiser. In short, he was aptly named, as in "Cruisin' for a Bruisin'." He was quite a handful, and I was just about ready to return him to the breeder when I decided to enroll in an obedience class.

One thing led to the next and soon Cruiser and I were competing in obedience. Cruiser never became a great competitor, and people did not think of him as being well-trained. He barely squeaked out a CDX title, and he was more interested in lifting his leg on the articles than retrieving them.

However, through training I fell in love with Cruiser and the sport of dog obedience. Cruiser became a particularly close companion to me and he went everywhere with me. To me, the special bond I forged with Cruiser and my dogs is the best part of dog training.

Since Cruiser, I have trained a number of English Springer Spaniels to obedience and rally titles. One was Cybil, OTCH Gold Mountain's Moonlighting UDX2 RE, who won the Pepperoni Western Regional Novice Division in 1997. Cybil also won the English Springer Spaniel Field Trial Association's Obedience Springer of the Year in 1999 and competed at the AKC National Obedience Invitational in 2000 and 2001.

I started judging in 2001 and enjoy judging obedience and rally at all dog events. I am active in English Springer Spaniel regional clubs and the English Springer Spaniel Field Trial Association (ESSFTA), the Parent Club of the Breed. I am currently the Awards Chairman for the Parent Club, and have served on the Board of Governors and as Vice President for many years.

I am honored and delighted to be invited to judge the best junior obedience competitors in the nation. I hope you have lots of fun!

VIRGINIA "GINGER" KINION

It is a pleasure to be invited to judge the Junior events at the 2013 AKC Obedience Classic. I have been judging obedience for the past twenty years and have been training and showing dogs in obedience for about twenty-nine years. My dogs have included five shelties, three Tibetan terriers, a miniature pinscher, and a poodle mix. For my real job I taught sixth grade for 26 years and am now retired. I have two children and four grandchildren and have been a widow for 15 years. At present I have two shelties, one Tibetan Terrier and a cat.

Hopefully all the exhibitors will obtain their goals at the Classic and have a great day. Good luck and best wishes to everyone.
