KENNEL CLUB**

December 2015

Thank you for joining us for the third annual AKC Obedience Classic and the fifth annual AKC Juniors Classic! We congratulate you and are pleased to welcome you and your dogs to these events. These events are being held in conjunction with the Agility Invitational and the AKC/Eukanuba National Championship. Please take the time to visit and appreciate the outstanding dogs and owners participating in each of these events.

One hundred and ninety four teams will compete over the next two days for top honors in the Novice, Open, Utility and Masters Classes. Classic competitors come from 30 states and Mexico, representing 48 different breeds.

Ten obedience judges were selected for their experience and sound judgment and we want to thank them for the time they have committed to these events and their dedication to the sports. All dogs in the Classic will compete over two days and their scores will be cumulative. In the Novice, Open and Utility Classes the handler/dog teams will compete three times. In the Masters Class the handler/dog teams will compete a total of six times, three times in Open and three times in Utility. Group exercises will be performed in each day.

In the AKC Juniors Classic, 34 junior handlers from 13 states and Canada will compete twice in obedience on Saturday in one of three class levels; the Beginner Novice, Preferred Novice and Preferred Open classes. Also for the 2<sup>nd</sup> year we have AKC Rally® as part of the Juniors Classic, where we have 32 juniors and 42 dogs entered. The Juniors range in age from nine to 18 years and are competing with 20 different breeds. There will be an awards ceremony on Saturday for the Junior Obedience Classic and on Sunday for the Junior Rally Classic, so stop by to cheer for the sport's next generation of exhibitors!

Special appreciation goes to our event sponsor J & J Dog Supplies, for their continued support of our events. Please take a moment to visit their booth in the agility area to see all the new items they have to offer and express your gratitude to their representatives for supporting our sports. Be certain to take some time to enjoy some camaraderie at the Welcome Reception for the AKC Obedience Classic and Juniors Classic on Friday sponsored by AKC, the Orlando Dog Training Club and the Dog Obedience Clubs of Florida.

An event of this magnitude could never run smoothly without the over 40 volunteers that have offered their time and experience to make this event a wonderful celebration of the sports of obedience and rally. We thank them immensely for their dedication and support.

Best of luck to our exhibitors over the next two days; and thank you for entering! We are pleased everyone could join us in Orlando this weekend. Enjoy the Classic!

Sincerely,

## AKC JUNIORS CLASSIC JUDGES

### Rick L. Garvin

I started training and showing dogs in the mid 1970's with my first Golden Retriever. Brett (Amberac's Boisterous Brett) went on to finish his OTCH and was a wonderful companion in our household. From the time I first stepped into the Obedience ring I was hooked on this wonderful sport. Since that time I have put numerous Obedience titles on dogs ranging from the

CD to the UDX. In the spring of 2009 I completed a UDX title on my Border Collie who is now living the life of a retired senior citizen in our household. In December of 2012 we added to the family a new Golden puppy (Surefire's Mr. Max). This past spring I showed Max in the Novice Class and completed the requirements for his CD. He is now in training for OPEN and UTILITY and I hope to continue his obedience career this coming fall or spring. I have been a member of the Manhattan Kansas Kennel Club since 1976 and also have been privileged to join the Golden Retriever Club of America, Kansas City GRC, and the Border Collie Society Association. I am approved by the American Kennel Club to judge the Novice, Open, Utility, and Optional Titling Obedience classes, all AKC Rally classes, and all AKC Non Regular Obedience and Rally classes. I have thoroughly enjoyed my many years of training, judging, and showing dogs along with the many friendships that have been made throughout the years.

I hope every exhibitor at the 2015 AKC Juniors Classic receives a qualifying score and may your every dog wish come true!!!! It truly is an honor to be asked to judge at this year's event and I would like to take this opportunity to thank the judge's selection committee for inviting me to be a member of this judging panel. I am sure it will be an exciting and fun filled event for everyone attending this year.

Good luck to everyone!!!!!!!!!!!!!!!!!!!!

## AKC JUNIORS CLASSIC JUDGES

### Carol Mett

I began my journey in the Obedience world when we gave my daughter a Labrador Retriever puppy that immediately was enrolled in puppy classes. That class began in August of 1982 and I have been training ever since. I have trained and competed with Labradors, Golden Retrievers and Dalmatians, earning titles in

Obedience, Conformation, Agility and Field Trials. We own a boarding, grooming, daycare and training complex in Savannah, Georgia for over 40 years. In 1995 I married Jon and learned what the other side of the clip board was like; and immediately fell in love with judging, also. We have enjoyed traveling all over the world and making wonderful friends that would have not been in our lives had it not been for the dog world. The dog world is about the love, sweat, tears and happiness that you learn with your dog and share with your friends.

Today I am working on a UDX, with my Labrador , Buffett, CDX with our Dalmatian, Keno, and Jimmy my 16 month Labrador is still reading the rule book and coming along quite well when I can get his hula hoop away from him.

Good luck to all the competitors and thank you for asking me to judge the 2015 AKC Junior Classic.

## Ted Walshesky

Hi, my name is Ted Walshesky and at my side is my buddy, Gunner, *OTCH. Echo Shadow Chaser Going Postal UDX 5 OM6 RE.* Since the seventies I have been training and showing dogs, earning multiple OTCH's, HIT's, HC's and 200's.

Since becoming involved in the sport, I have been an active member in good standing at Golden Triangle Obedience Club in Pittsburgh, Pennsylvania. Over the years I have held many positions within the club, but I find that of instructor to be the most rewarding.

I have had the honor of being an AKC judge for over 25 years and continue to enjoy exhibiting and judging both Obedience and Rally. I would like to thank the American Kennel Club for giving me the opportunity to not only judge at the 2015 Obedience Classic but, to be amongst some of the best handlers and dogs in the country. I wish all the teams participating in the Classic your best performance and memories that will last a lifetime.

## **James M. Ashton**

Thank you so much for inviting me to judge such an accomplished group of dogs.

Having worked part time in high school and college as a veterinary assistant I remember seeing many purebred dogs and wanting one of my own. I took a fancy to the Miniature Schnauzer. In 1973 I purchased my AKC Miniature Schnauzer and she was a handful so off to obedience school we went! The instructor was encouraging and we did well so the next step was to attend an AKC Match, with that I was bitten by the obedience bug.

For more than 40 years I have bred and shown dogs in AKC Obedience and Conformation. This included showing and finishing Miniature Schnauzers, Border Terriers, Smooth Fox Terriers and Lhasa Apsos. I served as the Obedience Trial Chair for an AKC obedience club and all-breed club, also served on the Judges Selection Committee for an all-breed club and an obedience club. Over the past 30 years I have been a Canine Good Citizen Evaluator and an AKC Obedience/Rally Judge - judging at numerous obedience and rally regional and national specialties as well as all-breed obedience trials.

I also served as Chairman/Vice Chairman of the AKC Obedience Tracking and Agility Delegate Committee. In 1999 I served on the Obedience Advisory Committee and on the AKC Nominating Committee for the Board of Directors in 2013. I currently serve as the President and Trainer for the Obedience Training Club of Rhode Island.

When I am not working with dogs, I enjoy spending time with my registered Arabian horse, MW Esplendor.

## Victoria Brown

When I got my first job, I promised myself that I would get two things – a convertible and a German Shepherd Dog – and I did. Years of watching Rin Tin Tin convinced me that a German Shepherd Dog was the only breed for me. I have owned German Shepherd Dogs for about 45 years. I did not show that first dog, but did begin subscribing to the *AKC Gazette* where I learned about Obedience trials. I attended several and vowed that my next Shepherd would be an Obedience dog. I have titled my Shepherds in Agility, Obedience, Tracking, Herding,

and Rally. I have also titled two Golden Retrievers. Currently, I have three GSD's. I also have a Cairn Terrier and have titled him in Agility, Rally, Lure Coursing, and Barn Hunt. As a Canine Ambassador for the AKC, I present programs for children on how to be safe around dogs.

I became interested in judging when I was titling my first Utility Shepherd. I was able to complete the requirements for judging with help from the Bayshore Companion Dog Club of which I am a lifetime member and the Obedience Stewards Club. I have been an Obedience judge for more than 25 years and a Rally judge since the program began. I enjoy going to new places and meeting exhibitors and judges from other areas. During my judging career, I have been to many interesting places and met many wonderful people. I feel it is important to encourage new exhibitors especially when they have not had a particularly successful day in the ring.

## Cathy Caballero

I was first introduced to the sport of obedience over 10 years ago after adopting two Labrador puppies that were full of themselves!

I was very lucky to have had awesome trainers, instructors, and friends who encouraged me to begin competing and later to apply to be a judge.

I was bitten by the "show bug" quickly and never looked back! I am still actively competing in obedience, rally, dock diving, and agility with Olive UDX2 OM1 VER RAE3 MX MXB MXJ MJB XF DEA AS who I started in Novice A and still loves her job in the ring!

My yellow lab Dora CDX RAE DN CGC is now retired and comes to the shows for pets and treats. I have also had the pleasure of titling a Miniature Pinscher I co-own to 4 obedience titles and 4 rally titles! In any spare time I have left, I enjoy trail riding with my 14 year paint horse!

I am honored to have been chosen to judge the 2015 Obedience Classic and wish all the competitors the best of luck, but most important, another precious moment to spend with your dog!

## **Joe Caputa**

Like many people I have had dogs in my life since childhood. I got involved in the sport of purebred dogs in 1979. My breed of choice has been, and remains, the German Shepherd Dog.

When I joined the GSDC of Wisconsin in 1979 I was fortunate enough to have the support of some great people in both breed and obedience. After several years of competing successfully in both venues I realized my true passion was in the obedience ring.

I have had a number of great dogs over the years and put obedience titles on every one of them. I have had the pleasure of campaigning dogs to breed champion as well as obedience champion. It was a great honor having one of my dogs qualify for the National Obedience Championship in 2009 & 2010

I decided to make the move to judging around 2005 and became a provisional obedience judge in 2007. I completed my provisional Utility in Sept. of 2014. Judging has been a way for me to give back to a sport that has been an important part of my life. I have met some great people both as a competitor and a judge and hope to continue enjoying the sport on both sides of the gates for many more years.

My wife and I also enjoy being puppy raisers for Canine Companions for Independence. It is amazing how much I have learned as a puppy raiser and how truly important and versatile dogs can be. Although it is difficult to part with these puppies that have been a part of our lives for the first year and a half of their lives, the feeling we get when they complete their advanced training and are placed with a partner in need is indescribable.

## Nancy Grimm

I was first introduced to the sport of dog Obedience by a large, unruly Great Dane back in 1999. Although I never competed with him, "Max" and I learned everything together and we developed a bond.... and I developed a love for the sport. My first competitive Obedience dog was a Weimaraner named Gandalf. Gandalf and I started competing in 2001. Nali, another Weim,

followed a year later. Since that time, I have titled another Great Dane and 5 Weimaraners – all through CD and 2 of the Weims through UD. Gandalf, retired from obedience with 6 UDX legs and multiple HIT and HC. I've had Weimaraners in the top 10 of Obedience for the breed in 2002, 2006, 2008, and 2009. Nali was a top 10 Obedience Weimaraner in 2003.

My husband, Michael and I live in Casa Grande, AZ with our 2 Weimaraners. Strider -Age 9, and Gimlet - Age 3 All of my Weims, past and present have titled in Obedience and Rally. Gimlet, just recently was awarded her CD and is currently competing in Open. She also just recently finished her conformation Championship. Strider is a conformation Grand Champion and while he has his CD GN and RE, he enjoys being a beautiful couch potato much more than the Obedience or Agility ring. We recently lost Nali at age 13 ½.

I ran agility with Gandalf and Nali for almost 6 years, where they both reached and competed at the Excellent level until their retirement. Gimlet and I are currently competing in Agility at the Open level.

I started judging Rally in 2005 shortly after AKC recognized the sport and began judging Obedience in 2008. Judging has been a wonderful experience for me and has given me the chance to meet some incredible people while providing me with the opportunity to see some amazing performances in the Obedience and Rally rings. I also enjoy exhibiting my own dogs and hope to continue to do so for a long time.

I am so honored to be invited to judge the AKC Obedience Classic. I look forward to it and wish everyone the best of luck.

## **Linda Hause**

I have been involved in the sport of Obedience as an exhibitor and instructor since 1974, an AKC Obedience judge since 1991, and a Rally judge since 2009. My first training effort was with Siren, my in-law's 6 month old red Doberman puppy. I did basic obedience training earning my first CD with Siren in 1974.

My primary breed is the Siberian Husky although I have also owned and trained a black Labrador Retriever to it's UD and

a Finnish Spitz to it's breed Championship, CD, CGC and AX. I have trained multiple Siberians to their CD and Rally titles. I currently own two young Siberian Huskies that are showing in conformation and training for Obedience and Rally competition. I love the bond that builds as I work with my dogs towards various titles.

High points in my show experience include:

- Finishing my two Utility titles within 10 minutes - one on my Labrador Retriever and one on my Siberian Husky.
- Finishing the first AKC Agility Excellent title on a Finnish Spitz.

I was fortunate to have several Obedience judges that encouraged me to become an AKC judge. It has been a rewarding experience, allowing me to watch top teams across the country and to encourage those exhibitors that are just starting. I enjoy being able to support Obedience and Rally competition in this capacity.

I hope that all of you have success and enjoy the AKC Obedience Classic. I know that I will enjoy having each of you in my ring.

Good luck!

## **Jeanne Stephens**

In 1986 I purchased my first Sheltie and after attending obedience classes, I was bitten by the obedience bug. We earned our Utility title and I was mentored by Lucy Marie Neeb, a long time Obedience judge (now deceased), applied for my obedience judging license and was published in the Gazette in 1994. My journey began!

Since earning my first UD, I have earned more than 50 titles on my Shelties, including Obedience, Rally, Herding, Lure Coursing, and Agility. I

show in the Conformation ring and am 9 single points away from a Championship on my Bred-by boy. I am proud to be an AKC Breeder of Merit award.

Obedience has always been my first love; I not only enjoy exhibiting but judging. I particularly love judging the Novice teams. It has been many years since I took that first step in an obedience ring but remember it as though it was yesterday. As a judge, I want to make everyone that walks into my ring feel comfortable and at ease. I have met so many wonderful Obedience folks and judged some really awesome dogs. I am happy to belong to the world of Obedience and the Obedience family.

I am honored to have been invited to judge the 2015 Classic and wish everyone lots of luck competing.

## Ted Walshesky

Hi, my name is Ted Walshesky and at my side is my buddy, Gunner, *OTCH. Echo Shadow Chaser Going Postal UDX 5 OM6 RE.* Since the seventies I have been training and showing dogs, earning multiple OTCH's, HIT's, HC's and 200's.

Since becoming involved in the sport, I have been an active member in good standing at Golden Triangle Obedience Club in Pittsburgh, Pennsylvania. Over the years I have held many positions within the club, but I find that of instructor to be the most rewarding.

I have had the honor of being an AKC judge for over 25 years and continue to enjoy exhibiting and judging both Obedience and Rally. I would like to thank the American Kennel Club for giving me the opportunity to not only judge at the 2015 Obedience Classic but, to be amongst some of the best handlers and dogs in the country. I wish all the teams participating in the Classic your best performance and memories that will last a lifetime.

# AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship.

They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
