How to Foster your Child's Chinese Learning Journey?

The Confucius Institute at the University of Melbourne and the Chinese Language Teacher's Association of Victoria (CLTAV) are proud to present a forum which will focus specifically on how parents of non-Chinese background learners of Mandarin can promote a healthy learning environment for their children. The forum will include a panel of distinguished guests including an expert, a Chinese teacher, a parent and a student. This event is particularly relevant for parents who would like to increase their child's confidence in learning Chinese at primary school, high school and VCE level.
