

CAREER NEWS

Friday 3 May

Welcome back!

Another busy term ahead !

The year 7 and 8 students have started looking at their skills in the Bounce sessions. The workplace is forever changing and getting students to explore their skills and interests is important in beginning the career conversation .

Year 9

Year 9 students will be getting information about a free career advisory program provided for all Government Schools. The information session will be held later in this term, with the testing and counselling to be completed in early term 3.

More details soon.

Year 10

Year 10 students should be well and truly organised for work experience. Students have a great opportunity to explore a workplace and to make some decisions about the type of work they would like to do in the future.

Work Experience is on from **17 - 28 June**. Some students have organised two work placements within this time.

For students attending the Central Australia Camp, the alternative dates are **17 - 20 June**.

Year 11

The careers team are concentrating on completing a one on one interview with each year 11 student. It is important that all students start considering their career pathways, particularly visiting institutions, researching options and chatting to friends and family. There are many opportunities for students to gather information, the Career Expo on this weekend, is a great start.

Year 12

All year 12 students have been interviewed and asked to make some decisions regarding 2020. In August, students who are planning to study will need to list up to 8 course preferences. Students need to research their options! The Career Expo , attending the various seminars offered by institutions and Open Days are all important resources. Throughout the term, representatives from institutions will be visiting RSC and informing students about courses.

Dates to Diarise in Term 2

- **VCE & Careers Expo** – 2 May to 5 May 2019, Caulfield Racecourse
- **Law Week** – 13 to 19 May 2019, various locations
- **UCAT** registrations close 16 May

UCAT

Students should refer to the websites of the universities to which they intend to apply to see if the UCAT is required. Registration for the UCAT **closes 16 May**. Details of the test, including how to register, are available on the UCAT website. Free, comprehensive preparation materials, including an online guide, tutorials, question banks and practice tests will be available on the UCAT website in early 2019. Please leave yourself time to go through the materials to give yourself the best chance of doing well. The UCAT will be offered on a choice of dates throughout the month of July, rather than on one single date. Check out the link below.

REMINDER: VCE and Careers Expo 2019

All VCE students are reminded about the upcoming VCE & Careers expo at the Caulfield Racecourse taking place this coming weekend: 2 May – 5 May 2019.

General admission tickets are \$10.00 per person and are valid for all four days.

Visit [The VCE and Careers Expo](#) to find out more.

News from the University of Melbourne

➤ 'My Melbourne Future' Series

Senior students should note that during the month of June, the University of Melbourne will be hosting a series of *free* **'My Melbourne Future' Information Sessions at the Parkville Campus** in the early evening from 6.00pm – 8.30pm, aimed at informing prospective students about the courses on offer; hear from current students, academic staff and recent graduates about what it is like to study that degree or course at Melbourne, and the career and personal development opportunities available to graduates. These events will include a Careers of the Future presentation, a sample lecture, student experience insights with Q&A and a courses expo.

Registrations are open and students can register for one or more at [My Melbourne Future Events](#)

MONASH University

Inside Monash Seminar Series 2019

Get the inside story of what it's really like to study at Monash. You'll hear from a current student, a past student and an academic. It's the best 90 minutes you could spend researching your course. Bring along your parents too! The **Inside Monash Seminar Series** commences in late March and continues until August. These seminars provide VCE students with an insight into the courses and career options within discipline areas. The seminars are held in various locations across the Caulfield, Clayton, Peninsula, and City campuses, and seminars with the same title have the same program. **All seminars commence at 6.30pm.** Exact venue details are available on registration at [Inside Monash Seminars](#)
