

## Mornington Music Camp Recount.

On Thursday 8<sup>th</sup> August, we went to the Mornington Music Camp. When we got there we had our snacks. I went to the tent. I sat on the chair. I only watched. Then we went in the big music room. There was some singing with other students and teachers. Junior Richards, Michelle S, Miss Grande, Miss Grover and Mr Richards were there. The other students were from 10 schools. There were over 100 students. We said goodbye to everyone and caught the bus back to school.

Bye Megan.
