VCE Extension Studies in 2018

➤ **Deakin University – Deakin Accelerate**

Deakin Accelerate is a distinctive VCE higher education program that allows students to study two first-year university subjects during Year 12. Studying one subject per trimester, this selective program gives students a head-start into university studies and also provides a potential boost to their all-important ATAR score.

Besides the challenge of taking on a university subject, this subject will also count as part of the VCE and contribute towards the ATAR as the fifth or sixth subject. There are no tuition fees for Deakin Accelerate.

KEY DATES FOR THE 2018 VCE ACCELERATE PROGRAM - Deakin	
Applications open	Now open
Applications close	15 December 2017
Offers	19 January 2018 (at the very latest)

Find out more, including the subjects on offer, at [Deakin Accelerate](#)

➤ **La Trobe University - VCE Plus Program**

VCE Plus is an opportunity for high achieving Year 11 VCE students to complete a pair of first-year university subjects in their Year 12, and have them recognised as part of their VCE. Students enrolled in VCE Plus choose one subject per semester. **VCE Plus** is offered at all La Trobe campuses and subjects are delivered online, face-to-face, or a combination of both. There may be fees associated with the VCE Plus Program.

➤ Monash University - Extension Studies

Monash Extension Studies allows high achieving Year 12 students to get a taste of university before finishing school - and be rewarded for it. Students complete a pair of first year university subjects as part of their final year school studies, allowing them to extend and enhance their learning in an area of interest. Students also receive credit towards their ATAR. There will be fees associated with the Extension Studies Program.

KEY DATES FOR THE 2018 EXTENSION STUDIES - Monash	
Applications open	1 October 2017
All applications close	11 December 2017
Year 11 results due to the university	11 December 2017**
Offers released	January 2018

** if you want to know the outcome of your application by the end of 2017

➤ RMIT University – VCE Extension

RMIT's VCE Extension allows Year 12 students to undertake university subjects while completing their VCE. These courses are VCAA-accredited towards VCE results and students may be eligible for credit in a related RMIT program.

Students will get a taste of university life; they attend lectures and study on campus with full access to all the services and facilities enjoyed by RMIT students. **VCE Extension** subjects are taught at the City campus and are counted towards students VCE and provide a boost to their ATAR. RMIT charges no fees for RMIT Extension courses.

KEY DATES FOR THE 2018 HIGHER EDUCATION STUDIES - RMIT

News from Deakin University

➤ **'Step on Campus' School Holiday Tours**

*Deakin **Step on Campus** is running again in Term 3 school holiday and students are invited to attend. Students will be taken on a 45-minute tour of their chosen campus by a current Deakin student. Students can find out more about university life, study areas and what it's really like to be a student at Deakin!*

Dates: 25, 28 September, 2 and 5 October

Times: 10.00am, 12pm and 3.00pm

Locations: Geelong, Melbourne, Warrnambool

For registrations and to find out more about Deakin Step on Campus visit [Deakin Step on Campus](#)

➤ **Course Updates at Deakin**

Bachelor of Commerce – Deakin is launching a brand-new **food and agribusiness major** as part of the Bachelor of Commerce, available at the Warrnambool Campus. Students can enrol in 2018 and specialise from 2019. **Find out more at [Food and Agribusiness at Deakin](#)**

Media, Communication and Creative Arts – Students considering applying for Bachelor of Design (3D Animation), Bachelor of Design (Digital Technologies), or the Bachelor of Design (Visual Communication) may wish to attend an upcoming **folio information session** taking place on Thursday 14 September 14, at the Melbourne Burwood Campus, from 6.00pm – 8.00pm. **Find out more at [Media, Communication and Creative Arts Folio Info Session](#)**

Bachelor of Nutrition Science - From 2018, Deakin's Bachelor of Food and Nutrition Sciences will be known as the **Bachelor of Nutrition Science**. In addition to the name change, there have been some changes to the core units in the degree. Graduates of this course can apply for membership of the Nutrition Society of Australia, and those students who have undertaken the food science major may also be eligible

for membership of the Australian Institute of Food Science and Technology.

Find out more at [Food Nutrition and Dietetics](#)

Bachelor of Software Engineering (Honours) – Students who enrol in the Bachelor of Software Engineering (Honours) at the Melbourne Burwood from Trimester 1, 2018, will still complete a core professional industry experience unit as part of the course, however, the **length of the placement is now a minimum of 60 days with an approved organisation**. This has increased from the previous minimum requirement of 100 hours to provide students with increased opportunities to apply and consolidate their knowledge and build professional networks prior to graduation. Find out more at [Bachelor of Software Engineering \(Honours\) at Deakin](#)

Cyber Security and Criminology/Cyber Security – From Trimester 1, 2018, students enrolled in the Bachelor of Cyber Security or the Bachelor of Criminology/Bachelor of Cyber Security at the Melbourne Burwood, Geelong Waurin Ponds and Cloud campuses will benefit from a **compulsory industry-based placement**. Students need to complete the minimum 100-hour placement with an approved organisation. This change is to ensure students have relevant industry experience prior to graduation to further enhance their employment opportunities. Find out more at [Cyber Security and Criminology/Cyber Security](#)

News from Victoria University
