

THE GRAND PARENTING GROUP

The Grand Parenting Group is a support group for grandparents who are in a caring role of their grandchildren; who may feel isolated or unsure of expectations in this role.

The group provides an opportunity for grandparents to connect with other grandparents experiencing similar challenges.

During the group, we will share grand parenting stories, explore challenges/concerns & provide emotional support to one another. The EACH Youth & Family team facilitators can provide advice and support in an open, caring and respectful environment.

The group meets monthly in a nurturing, relaxed atmosphere. No ongoing commitment is required, you can simply attend when you can.
