INSTRUMENTAL TUITION AT OLA 2019

In addition to their weekly class music lesson, our students have the opportunity to take instrumental tuition in a number of instruments at OLA, and this is funded directly by the families. In 2019, all tuition will be provided by **Keyed Up Music**, to ensure consistency regarding scheduling and administration. All tutors are music graduates, and have current Working with Children checks and police clearance.

Next year, music lessons will commence no earlier than 10.50, so that the students do not miss core learning time in the morning. Keyed Up Music will also devise rotating timetables, so the students do not miss the same lesson each week. This means that the student's lesson will be on the same day, but the actual time will change each week.

The instruments available in 2019 are : **piano, violin, guitar, flute and drums**. Lessons will cost \$22.50 for a shared lesson (2 in group) or \$33 for an individual lessons. All lessons will be dependant on the number of applications received, and on the hours teachers have available, so it may be necessary to put some students' names on a waiting list. Students are expected to commit to a minimum of a full term, and the fees are paid in advance to Keyed Up Music. Students will be expected to commit to regular practice, and it is important that full support is provided by the families. Students make most progress when their early musicianship is encouraged and celebrated by parents and family members.
