

Marine Biology Camp 2017 Expression of Interest Form

Dear Parent/Guardian,

Your daughter has participated in Marine Biology this year. As part of this subject, students are invited to attend a three-day field camp at Queenscliff. During this time students will participate in a range of scientific and environmental activities, some of which will involve boat travel, canoeing and snorkelling. All activities involving swimming and boating will be led by qualified instructors.

Students will be staying in bunk style accommodation at Camp Wyuna, within walking distance of the Marine Discovery Centre, where most activities will depart from. We will travel to and from Queenscliff by MGC bus and /or Budget Bus. There are 32 places for this camp, so places will be awarded on a first come, first served basis. The first 32 expression of interest forms to be returned to the front office will be guaranteed a place on camp.

Important details:

Camp Date: Wednesday 6th December- Friday 8th December, 2017

Accommodation: [Camp Wyuna](#) Queenscliff

Activities: Marine Discovery Centre, 2A Bellarine Hwy, Queenscliff

Teachers-in-charge: Mr Andrew Vance and Mr Zack Pretlove

Cost: \$345.00 (Please pay by the due date to secure your place)

If you wish to express your interest in your daughter attending this camp please fill in the form attached and return it to the front office by **Friday 20th of October**.

Once payments have been received, all students will receive detailed camp forms including medical information, itinerary and equipment list. Please do not hesitate to contact me via email or on the number listed below.

Yours sincerely,

Andrew Vance
