

Uniform

Buninyong Primary School Council School Council has made wearing of school uniform compulsory. This position has been taken for a number of reasons, including:

- Making sure our students are well presented
- Making life easier for parents
- Helping children identify with our school and feel like they belong
- Making it easy to identify students when we are on excursions

This brochure is designed to help parents understand the uniform, but please give us a call if you have any questions.

The school's Uniform Shop has everything you need, including second hand items. BPS uniform can also be purchased through Beleza.
