

YARRA CLIMATE ACTION NOW PRESENTS

REPOWER AUSTRALIA

WITH ROSS GARNAUT

Australia urgently needs to transition to clean energy to mitigate the dangerous effects of climate change.

Join us to hear Ross Garnaut present his vision for storage, baseload renewables and a realistic path to zero emissions electricity in Australia by 2050. Find out how you can help Repower Yarra.

Gold coin donation on entry. Tea and coffee provided.

THURSDAY 7:30PM 29 JUNE
