

DANCE PROGRAM

INTRODUCING... Moonee Ponds West Primary School Lunchtime Dance Program

A lifelong dancer who considers herself 'born to teach', Jayde Egan set about creating dance lessons designed to fill children with the confidence and happiness that dance is able to inspire. Jayde is a fun, energetic and enthusiastic teacher and the increase in student's confidence and the witnessing of new friendships developing is what drives Jayde to continue her passion.

The dance program offers the opportunity for students from all year levels to participate in a dance program at the school during lunch times. Jayde has received wonderful feedback from the students and parents involved over the years running her program at schools around Melbourne.

The cost will be \$6.00 per lesson (inc. GST) paid in one instalment of \$60. (Term 2 will run as an 10 week program) Students are not required to purchase dance wear, they simply show up in their uniform and have a great time with their friends.

If you are interested in your child enrolling in the Term 2 Dance Program, please fill in the permission slip below and return it with your \$60.00 fee to the office by no later than Friday 22nd March 4:30pm.

Any queries please contact Jayde on 0422 089 964.
