

**The Tamworth & District Career Advisers Network (TADCAN) in partnership with the Rotary Club of Tamworth First Light invite you to join us for a chat with training providers, UAC and many other organisations at the 2019 Parent's Careers Night.**

**Tuesday 14<sup>th</sup> May 2019**

**Calrossy Anglican School, William Cowper Campus, 242 Moore Creek Road, Tamworth**

**6:30pm – 8:30pm**

**The evening is a wonderful opportunity for parents to ask questions and have 'one on one' conversations with universities, TAFE, other training organisations, local employers and other key people so that you are 'in the know' when talking about your child's education and career plans.**

- There will be a brief presentation delivered by the **University Admissions Centre (UAC)** in the first half hour.
- The majority of the evening will focus on the high quality and varied conversations you can have with many of the **organisations** your children will be able to talk to at the North West Regional Careers Expo.
- Because the focus is on **conversations**, tables will be set up surrounded by a few chairs for you and the training institution you wish to catch up with for a chat.
- **All McCarthy students in Years 10, 11 and 12 will be attending the North West Regional Careers Expo on Wednesday 15<sup>th</sup> May.**

Looking forward to seeing you at the Parent's Careers Night.

Thank you,

Susan Barrett.
