Senior College Trials

A reminder that you must register your son to attend the Senior College team trials – including boys interested in playing in the Open teams.

These will be held over two Sundays commencing Sunday 11th February and then again on Sunday 18th February. The trials are for boys in Year 7 through Year 10 and we run two separate sessions for each age-group so that every boy has more than one opportunity to display their abilities. Boys are expected to attend both days to be eligible for team selection. Please contact Mr Simon Yue, Senior Football Convenor, if there are extenuating circumstances where attendance is not possible.

Opens trial will be held on the 2nd Sunday following the 1st trial match. This is open to all boys interested in playing in the 2nd, 3rd or 4ths – the 1st XI team selection will continue to be coordinated and organised by Mr Quilty and Mr Yue. Players interested in trialling for the 1st XI should contact Mr Quilty or Mr Yue directly.

This Opens' trial will be followed up by other sessions organised through the College before final Open teams are selected.

All players across all age groups must register prior to the day at - www.trybooking.com/119527

Trial Times:

8:30-9:30 U13 (Y7)

9:30-10:30 U14 (Y8)

10:30-11:30 U15 (Y9)

11:30-12:30 U16(Y10)

18th Feb – Opens Trial: 12:30-14:00 (TO BE CONFIRMED)

Location: Oxford Falls Sports Fields

BBQ Volunteers: Additionally the Committee will be operating the Old Boys Kiosk offering light refreshments for sale. We seek some parents to assist on the day if possible please turn up to the kiosk on the day or contact Peter Bleasdale - footballclub@pandf.spx.nsw.edu.au to volunteer.

WE NEED YOU !

The committee is also seeking parents interested in joining the Football Committee in some capacity. A number of the committee members will end their association with the College this year and we want to ensure a smooth transition of the continuing support the Committee offers to the College Football community. If we cannot form a committee then all the good work we have done over the years including specialist coaching, holiday camps, etc will cease to be provided. The effort required is a couple of hours a month and a bit of co-ordination and communication.

The committee AGM will be held in March.

Please email footballclub@pandf.spx.nsw.edu.au if you are interested or want some more info – or just come along.
