MAKE IT SPECIAL WITH AN AMANA HAM
THE PERFECT CHOICE FOR ALL OCCASIONS
The Amana community was founded in 1855 by German-American settlers in the Iowa River valley in east central Iowa. Embracing a pure and simple way of life, each village had a meat shop and smokehouse, where ham, bacon and sausage were cured with long-held recipes and a commitment to quality that is still closely held today.

The Amana Meat Shop & Smokehouse continues its commitment to quality and simple excellence through our catalog and website. We’re open year-round and happily ship our products to all 50 states - and have been doing so for more than half a century.
