KILLS ODOR-CAUSING BACTERIA
CONTROLS MOLD AND MILDEW

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SaniDate All Purpose Disinfectant is not to be combined or mixed with any other pesticide concentrates.

GENERAL DISINFECTION
SaniDate All Purpose Disinfectant may be used to clean, disinfect and deodorize hard, non-porous surfaces (in one step). Use daily to clean dirt, grime, oils and other common soils on hard, non-porous surfaces. Not recommended for use on brass or marble.

SaniDate All Purpose Disinfectant is an effective disinfectant against the following bacteria:

Pseudomonas aeruginosa, *Staphylococcus aureus*, *Salmonella enterica*

SPRAY APPLICATIONS
Dilute this product and apply as a spray for convenient disinfection of hard, non-porous surfaces. Prepare a fresh solution daily.

TO PREPARE FOR SPRAY APPLICATIONS
0.75 fl. oz. (1.5 tablespoons) + 32 fl. oz. of water. Prepare a fresh solution daily.

Pre-clean heavily soiled areas. Spray surfaces using a coarse spray with SaniDate All Purpose

Disinfectant solution until thoroughly wet. Treated surfaces must remain wet for 10 minutes. Allow to air dry. Food contact surfaces must be rinsed with potable water prior to reuse.

CLEANING MOLD AND MILDEW
Use to eliminate and control growth of mold and mildew and odors caused by them on hard, non-porous surfaces. Mix at a rate of 2.5–3.0 fl. oz. of SaniDate All Purpose Disinfectant per 1 gallon of water.

Pre-clean heavily soiled areas. Apply solution with mop, cloth, sponge, brush, scrubber, or coarse spray device or by soaking to wet all surfaces thoroughly. Allow surface to remain wet for 10 minutes then remove solution and entrapped soil with a clean wet mop, cloth, or wet vacuum pickup. Repeat treatment every seven days, or more often if new growth appears.

SPOT CLEAN AND DEODORIZE CARPETS
For cleaning, deodorizing and removing pet urine stains on carpets: Add 1.0–2.0 fl. oz. of SaniDate All Purpose Disinfectant per 1 gallon of water. Blot or spray a light even coating (from 6–8 inches above), on soiled area of the carpet until damp. Gently blot area with a clean, damp, color-safe cloth. Repeat as needed. Let air dry. Vacuum if necessary.

WORKS ON CONTACT
NO HARMFUL RESIDUES

FIRST AID

If in eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL **PESTICIDE STORAGE** Store in original container in a cool, dry well-ventilated area, away from direct sunlight. Do not allow product to become overheated in storage. Do not store in a manner where cross-contamination with other pesticides or fertilizers could occur. **PESTICIDE DISPOSAL AND CONTAINER HANDLING** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY This product is reasonably fit for the purposes described on the label when used in strict accordance with label instructions. To the extent consistent with applicable law, the manufacturer is not responsible for any use of this product that is contrary to the label instructions on the container, or under abnormal conditions that are not reasonably foreseeable by the manufacturer and or seller. To the extent consistent with applicable law, the buyer assumes all risk associated with use beyond label instructions or under abnormal conditions.
