(from Palm Kernal Oil)	
<b>Other Ingredients</b> .....	96.50%
Sodium Benzoate, Polyglyceryl Oleate, Gaur Gum & Water	
Total.....	100.00%

Weed Rot™ is derived from natural and organic ingredients.

**How It Works:**  
 SNS Weed Rot™ is a Natural Systemic Post Emergence Non-Selective Weed Killer. It works by removing the waxy layer and penetrates deep into the roots to stop the plant from taking in amino acids and nutrients.

**Directions for Use:**  
 Shake Well Before Using. Spray directly on leaves and stems, saturating the entire plant. Weed-Rot™ works best on weeds less than 6 inches in height and smaller, weeds larger than 6 inches may require additional applications. Spraying may be done 8 hours prior to rain or irrigation. You will notice weeds browning in 1 to 2 days of application and complete kill in 5 to 10 days depending on temperature. Weed-Rot™ should not harm higher order plants like trees, shrubs and vines when slight over spray contacts them, however some discoloration may be noticed.

**Caution:** Weed Rot™ may stain surfaces, including Asphalt and other materials that absorb oil. Please test spray in a small area before applying Weed Rot™.

# WEEDROT™

## All Natural Weed Killer

- Naturally Systemic™
- Non - Selective
- Post Emergent
- EPA Exempt
- Safe Around Home & Garden

*Controls Star Thistle, Clover, Spurge,  
 Dandelions and other Weeds*

**READY TO USE**

**1 Gallon (3.79L) 128 FL. OZ.**

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act. (FIFRA)

**Warning:** Keep Out of Reach of Children.  
**Warning:** Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt.

**First Aid**  
 Not intended for human consumption. As with any herbicide, avoid contact with eyes and skin. If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Poison control center hotline 1-800-222-1222 if over exposure occurs.

**Storage and Disposal**  
 Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.

**Warranty and Disclaimer Notice:** Please visit [www.sierranaturalscience.com/warranty.html](http://www.sierranaturalscience.com/warranty.html) for more information

Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.
