Purified Water, Polyglyceryl Oleate, Lauric Acid	
Total	100.00%

SNS

217CTM

Safe Around Children And Pets
When Used As Directed.
Safe for Everyday Use.

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act. (FIFRA)

How it Works
Natural salts and fatty acids derived from Rosemary extracts and oils disrupt the insect cell structure causing the insect to dehydrate and die. SNS-217CTM kills spider mite eggs by coating them with an oily shield which prevents respiration. Therefore no hatching will occur, they will just dry out.

Directions for Use: *Shake Well Before Use*
Foliar Spray - Plant Site Use For All Plants

(Leaves "Foliage", Stems, Stalk, Fruit and around Flowers), **Coverage** = 1 gallon solution will cover approximately 550 square feet. No restricted entry interval (REI)=0.

Mix 21 ounces (Approx. 2 3/4 Cups) to 26 ounces (3 1/4 Cups) of concentrate per 1 gallon of water*. For best results use warm (70 degree) Distilled or "Chlorine Free" water. Mixed solution may be used immediately or stored for up to 2 weeks.

*Depending upon severity of infestation several applications may be required. If needed spray every 3-5 days until you have control of the problem.

Complete coverage of all plant tissue is necessary for control. Make sure to spray under the leaves where spider mites hide and lay their eggs. To reduce the chance of burning do not use under direct sunlight or grow lamps. Use on a 7-14 day schedule as preventative maintenance. May be used up to the day prior to harvest.

All Natural Spider Mite Control

Kills and Repels Spider Mites and their Eggs

Concentrate

Makes up to 6 Gallons

Use in Herb, Vegetable & Flower Gardens, Greenhouses and Hydroponics

1 Gallon (3.79L) 128 FL. OZ.

Caution, Keep Out of Reach of Children. Caution, Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt.

First Aid
Not intended for human consumption. As with any insecticide, avoid contact with eyes and skin.

If in eyes, flush eyes with water for a minimum of 15-20 minutes.

If on skin, wash skin with soap and water. If irritation persists contact a physician.

Have the product container or label with you when calling a poison control center or doctor, or going in for treatment.

Poison control center hotline 1-800-222-1222 if over exposure occurs.

Storage and Disposal
Store in a cool, dry area away from heat or open flame.

Do not reuse container. Dispose in trash or offer for recycling if available.

Warranty and Disclaimer Notice
