Dear Sam:

Fertilpot is exempt from OSHA requirements for an MSDS.

We cite:

OSHA rule 29 CFR **1910.1200(c)**, The following articles are exempt from requirement for MSDS: "Article" means a manufactured item: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.

Additionally per OSHA rule 29 CFR **1910.1200(b)(6)(iv)** : Wood or wood products, including lumber which will not be processed.

Please feel free to contact me if you have further questions or need additional information.

Sincerely,

William Evans
