

Skeet-O-Trap™

Reusable Mosquito Repellent

- Uses natural methods to eliminate mosquitos, no chemicals and no lights
- Lightweight and compact for convenient storage
- Easy to clean and maintain for long term use
- Can be safely used around kids and pets. No Smoke or Spray

Powered by grass clipping and water, that's it!

Durable materials to use safely in most weather conditions and reuse as many times as you want

Simple & easy to use

There are no
wires or lengthy
setups involved.

Simply place it in
a shaded area
away from your
porch and watch
mosquitos flock
towards it.

Skeet-O-Trap™
Reusable Mosquito Repellent

Portable & Lightweight

The mosquito eradicator trap doesn't rely on any power or electricity.

Thanks to the cordless design coupled with the lightweight it allows you to easily use it in your yard, garden or lawn.
