

THE 2023

CT5

CT5 EXTERIOR

EXCELLENCE IN MOTION

CT5 TRIMS

LUXURY

With full-LED exterior lighting, a turbocharged engine and the sophisticated Cadillac Smart System™,¹ the Luxury trim is a powerful work of modern art.

PREMIUM LUXURY

The Premium Luxury trim stands out with cutting-edge tech including Adaptive Cruise Control² and other upgrades such as an available 3.0L Twin Turbocharged V6 engine.

SPORT

With carbon fiber interior trim, alloy driver pedals and a performance steering wheel with alloy paddle shifters, the Sport trim is an outward expression of CT5's athletic prowess.

SIGNATURE VERTICAL LIGHTING

Make a statement without saying a word. These vibrant LED headlamps and taillamps are beautiful, efficient and unmistakably Cadillac.

¹ Cadillac Smart System includes Automatic Emergency Braking, Forward Collision Alert, Front Pedestrian Braking, Rear Park Assist, Safety Alert Seat, HD Rear Vision Camera, Vehicle Diagnostics, Teen Driver and Rear Seat Reminder [Does not detect people or items. Always check rear seat before exiting.] Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's owner's manual for important feature limitations and information.

² Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

³ Available at extra charge.

⁴ [Lower-profile tires wear faster. Tire and wheel damage may occur on rough or damaged roads or from surfaces, curbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty. For more details, go to mycadillac.com/learn/tires or see your dealer.

⁵ Dealer-installed accessory wheel. Use only GM-approved tire and wheel combinations. See cadillac.com/accessories for important tire and wheel information, or see your dealer.

CT5 PERFORMANCE

MORE POWER TO YOU

AERODYNAMIC DESIGN

Athletic design and aerodynamic efficiency don't have to be mutually exclusive. Cadillac engineers worked tirelessly to give CT5 style that slips through the wind, rigorously testing every component that touches airflow and optimizing its shape, creating a driving experience that's as exhilarating as it is efficient. On CT5, Cadillac signature vertical lamps do more than slice through the night—they slice through the air, thanks to vertical ducts that channel air through the fascia and around the front wheels. This reduces vehicle drag by optimizing aerodynamic flow, resulting in an intelligent melding of design and functionality.

POTENT SOURCES OF POWER

Beneath CT5's muscular exterior lies the heart of its power. Or, more accurately, two hearts. The available 3.0L Twin Turbocharged V6 engine delivers 335 horsepower and an incredible 405 lb-ft of torque (550 Nm), which gives you that exhilarating feeling of liftoff as you press the accelerator. More efficiently minded? Choose the standard 2.0L Twin-Scroll Turbocharged I-4 engine that provides a considerable punch of its own.

10-SPEED TRANSMISSION

The advanced 10-speed automatic transmission is paired with the latest generation of Electronic Precision Shift, which replaces the traditional shifter with a sleek, console-mounted lever that shifts gears electronically. And for the tactile thrill of control, CT5 features standard paddle shifters.

CT5 INTERIOR

CRAFTED TO REWARD YOUR DRIVEN SPIRIT

SOPHISTICATED DESIGN

From its full breadth to its most intricate detail, the CT5 interior impresses with abounding refinements. Fine stitching on the leather-wrapped, three-spoke steering wheel lends an air of obsessive craftsmanship, while sculpted grips and available Alloy Paddle Shifters offer a not-so-subtle reminder—you're gripping the wheel of a true performance luxury sedan.

CARBON-FIBER DETAILS

The Sport trim offers four available interior environments, each with genuine carbon-fiber decorative trims.

FINE LEATHER DETAILING

The Premium Luxury and Sport trims each offer supple leather seating surfaces, with the available high-end Platinum Package delivering Semi-Aniline full-leather seats as well as leather-trimmed armrests and other touch points. Look closely and discover a fading perforation pattern—another hallmark of Cadillac elegance and attention to detail.

ESCALADE-V PERFORMANCE

IT'S V POWERFUL

V-PERFORMANCE PACKAGE

CT5 Sport shares DNA with its legendary Cadillac V-Series brethren. The available V Performance Package includes a mechanical limited-slip differential and the latest generation of Magnetic Ride Control, which reads the road up to 1,000 times per second and seamlessly adjusts damping for exceptional ride, handling and control. Available Brembo® V-Performance front brakes are required with the V-Performance Package.

BREMBO V-PERFORMANCE BRAKES

Confidence in motion, and confidence while coming to a stop. CT5 Sport offers available front Brembo V-Performance brakes that help provide exceptional braking power.

DRIVER MODE SELECTOR

In CT5, every drive is personal. Choose from four driver-select modes: Tour, Sport, Snow/Ice and My Mode, which allows you to set your own preferences for steering feel, engine sound, brake feel and, if equipped, available Magnetic Ride Control

CT5 TECHNOLOGY

INTELLIGENCE IN OVERDRIVE

HANDS-FREE SUPER CRUISE

The future of driving is here. CT5 offers an enhanced version of available Super Cruise,¹ the first truly hands-free driver-assistance technology with more than 200,000 miles of compatible roads in the U.S. and Canada. Super Cruise includes Automatic Lane Change, which allows CT5 to change lanes without driver input. And with the support of available Connected Services², you'll also receive the latest map updates.

WIRELESS CONNECTIVITY

Stay connected without plugging in. Wireless Apple CarPlay^{®3} and wireless Android Auto^{™4} compatibility allows you to access messages, music, maps and more from your compatible smartphone via the touchscreen. You can also navigate the 10" diagonal screen with the rotary jog controller on the center console.

WIRELESS PHONE CHARGING

No cords? No problem? With Wireless Phone Charging,⁵ you can power your compatible device by simply placing it on the charging pad.

¹ Always pay attention while driving and when using Super Cruise. Do not use a handheld device. Visit cadillac.com/supercruise for compatible roads and full details.

² After initial 3-year period, an eligible Connected Services plan must be purchased. Connected Services vary by vehicle and model and require active service plan, working electrical system, cell reception and GPS signal. Does not include safety services. Super Cruise vehicles are connected to emergency services. See onstar.com for details and limitations.

³ Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries.

⁴ Vehicle user interface is a product of Google[™] and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android[™] smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.

⁵ The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.cadillac.com/learn or consult your carrier.

CT5 TECHNOLOGY

INTELLIGENCE IN OVERDRIVE

AMAZON ALEXA BUILT-IN

The Amazon Alexa functionality you enjoy at home is now fully integrated into the Cadillac user experience.⁶ With available Amazon Alexa Built-In⁷ capability, you can ask Alexa to stream your favorite music, get directions, make calls, change your radio stations and more. Ask anything. Alexa's on board.

SOUND-OPTIMIZED CABIN⁸

Your place of refined refuge, the CT5 cabin is designed to deliver a quiet ride. The vehicle monitors engine sounds and uses standard Active Noise Cancellation technology to send inaudible cancellation waves through the audio system to eliminate unwanted noise, resulting in tranquil drives while alone and comfortable conversation when accompanied on your journey.

WI-FI⁹ HOTSPOT

With an available Wi-Fi Hotspot,⁹ the connectivity you're accustomed to travels with you on the road, so your passengers are entertained while on the go.

⁶ Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

⁷ Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc., or its affiliates. See onstar.com for additional details.

⁸ Some features shown may have limited, late or no availability. See dealer for feature availability.

⁹ Service varies with conditions and location. Requires active service plan and paid AT&T® data plan. See onstar.com for details and limitations.

CT5 SAFETY

PEACE OF MIND IS PARAMOUNT

GO CONFIDENTLY WITH THE CADILLAC SMART SYSTEM¹
