POTENT SOURCES OF POWER

Beneath CT5's muscular exterior lies the heart of its power. Or, more accurately, two hearts. The available 3.0L Twin Turbocharged V6 engine delivers 335 horsepower and an incredible 405 lb-ft of torque (550 Nm), which gives you that exhilarating feeling of liftoff as you press the accelerator. More efficiently minded? Choose the standard 2.0L Twin-Scroll Turbocharged I-4 engine that provides a considerable punch of its own.

← PREV

NEXT →

10-SPEED TRANSMISSION

The advanced 10-speed automatic transmission is paired with the latest generation of Electronic Precision Shift, which replaces the traditional shifter with a sleek, console-mounted lever that shifts gears electronically. And for the tactile thrill of control, CT5 features standard paddle shifters.

V-PERFORMANCE PACKAGE

CT5 Sport shares DNA with its legendary Cadillac V-Series brethren. The available V Performance Package includes a mechanical limited-slip differential and the latest generation of Magnetic Ride Control, which reads the road up to 1,000 times per second and seamlessly adjusts damping for exceptional ride, handling and control. Available Brembo® V-Performance front brakes are required with the V-Performance Package.

BREMBO V-PERFORMANCE BRAKES

Confidence in motion, and confidence while coming to a stop. CT5 Sport offers available front Brembo V-Performance brakes that help provide exceptional braking power.

DRIVER MODE SELECTOR

In CT5, every drive is personal. Choose from four driver-select modes: Tour, Sport, Snow/Ice and My Mode, which allows you to set your own preferences for steering feel, engine sound, brake feel and, if equipped, available Magnetic Ride Control adaptive suspension.

AMAZON ALEXA BUILT-IN

The Amazon Alexa functionality you enjoy at home is now fully integrated into the Cadillac user experience.[1] With available Amazon Alexa Built-In[1] capability, you can ask Alexa to stream your favorite music, get directions, make calls, change your radio stations and more. Ask anything. Alexa's on board.

SOUND-OPTIMIZED CABIN

Your place of refined refuge, the CT5 cabin is designed to deliver a quiet ride. The vehicle monitors engine sounds and uses standard Active Noise Cancellation technology to send inaudible cancellation waves through the audio system to eliminate unwanted noise, resulting in tranquil drives while alone and comfortable conversation when accompanied on your journey.

Some features shown may have limited, late or no availability. See dealer for feature availability.
