

THE 2023

XT5

XT5 SAFETY

MAKE SAFETY LOOK STYLISH

REAR CAMERA MIRROR

The available Rear Camera Mirror¹ uses a camera to provide you a wide and less-obstructed view behind the vehicle while driving. You can switch between the camera view and a traditional rearview mirror.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

Available Lane Change Alert with Side Blind Zone Alert¹ can provide side-mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. It can help you avoid lane-change collisions.

FORWARD COLLISION ALERT

Forward Collision Alert⁰ can warn you if it detects a potential front-end collision with a vehicle you're following so you can quickly take action. It can also provide a tailgating alert if you're following a vehicle much too closely.

AUTOMATIC PARKING ASSIST WITH BRAKING

Available Automatic Parking Assist with Braking⁰ can search for a parallel or perpendicular parking space, then steer and brake your vehicle into that space using limited braking. While the feature steers and tells you when to shift gears, you may need to override and take control.

¹ Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

XT5 SAFETY

MAKE SAFETY LOOK STYLISH

REAR CROSS TRAFFIC ALERT

When your vehicle is in Reverse, the Rear Cross Traffic Alert¹ system warns you when it detects left or right cross traffic behind your vehicle. Haptic feedback built into your seat can help you to react once danger is detected.

HD SURROUND VISION

Available HD Surround Vision¹ provides selectable digital camera views of the area around your vehicle to help you park and avoid vehicles and objects. You can also display a guideline to show where your vehicle is heading.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING

The standard Lane Keep Assist with Lane Departure Warning¹ system uses a brief, gentle turn of the steering wheel to alert you when you may be unintentionally drifting out of detected lane lines. If needed, you may also receive Lane Departure Warning haptic seat alerts if selected. System alerts do not occur if you're using your turn signal, or if it detects you may be intentionally leaving your lane.

XT5 SAFETY

MAKE SAFETY LOOK STYLISH

GO CONFIDENTLY WITH THE CADILLAC SMART SYSTEM

In a world of unpredictability, the Cadillac Smart System™ offers proactive-peace of mind. This comprehensive suite of standard driver-assistance features helps inspire confidence on your journey—whether you're backing out of your driveway or boldly taking on the road ahead

² Diagnostic capabilities vary by model and plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Click here for details and limitations.

³ Feature will not function on certain models without dealer retrofit. See dealer for details.

⁴ Does not detect people or items. Always check the rear seat before exiting the vehicle.

⁵ Feature will not function on certain models without dealer retrofit. See dealer for details.

⁶ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

¹ Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

² Available at extra charge.

³ Dealer-installed accessory wheel. Use only GM-approved tire and wheel combinations. See cadillac.com/accessories for important tire and wheel information, or see your dealer.

XT5 INTERIOR

THE INSIDE STANDS OUT

BOSE® SOUND SYSTEM

The Bose premium eight-speaker system fills the XT5 cabin with rich, immersive sound. Consider yourself an audiophile? Then consider stepping up to the available Bose Performance Series 14-speaker audio system, which features a Cadillac-exclusive stainless-steel, metallic-patterned speaker design that was specifically developed to enhance sound quality.

PREMIUM INTERIOR SEATING

An interior fit for greatness. Cadillac designers equipped the XT5 cabin with available authentic materials including cut-and-sewn leather, natural woods and carbon-fiber trim for a strong finish.

SECOND-ROW COMFORT

A generously crafted cabin features a luxurious second row including the available tri-zone automatic climate control and air ionizer. With comfortable seats and customizable temperature, your passengers can feel like every seat is in first class.

CHARGING ON YOUR TERMS

No matter how you plug in, XT5 has an outlet for you. With four USB ports and two 12V power outlets, XT5 can charge just about any device. Even without a cord, available Wireless Phone Charging tooltip† allows you to power up simply by placing your compatible device in the charging compartment.

XT5 TECHNOLOGY

INNOVATION THAT FEELS INSTINCTIVE

A WORLD OF INTUITION

With the Cadillac user experience,¹ commanding your world is as intuitive as a simple touch or spoken word. This intelligent infotainment system features an 8" diagonal HD color touchscreen, Natural Voice Recognition and available embedded navigation,² with readily accessible smartphone and app functionality.

GO WIRELESS

Stay connected without plugging in. Wireless Apple CarPlay^{®3} and wireless Android Auto^{™4} compatibility allows you to access messages, music, maps and more from your compatible smartphone via the 8" diagonal color touchscreen. With an available Wi-Fi Hotspot⁵ capability, you can connect up to seven devices at the same time, up to 50 feet away from your XT5. Your passengers will have the freedom to browse, chat and stream how they please from their own personal devices.

DEVICE PAIRING

The Alexa functionality you enjoy at home is now fully integrated into the Cadillac user experience.⁴ With available Amazon Alexa Built-In⁶ you can ask Alexa to stream your favorite music, get directions, make calls, change your radio stations and more. Ask anything. Alexa's on board. Your devices. Your vehicle. Seamless connectivity. With Bluetooth^{®7} technology, you can pair your XT5 with up to two devices simultaneously.

NIGHT VISION SYSTEM

When the available Night Vision⁸ view is enabled, this system can help you see beyond your headlamps by displaying a thermal image that highlights and alerts you to detected pedestrians or large animals directly ahead of the vehicle—helping to instill confidence on night drives.

¹ Functionality varies by model. Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices.

² Map coverage available in the United States, Puerto Rico and Canada.

³ Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries.

⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan, and the Android Auto app. Google, Android and Android Auto are trademarks of Google LLC.

⁵ The vehicle must be on or Retained Accessory Power must be active. Service varies with conditions and location. Requires active OnStar[®] service and paid AT&T[®] data plan. Visit onstar.com for details and limitations.

⁶ Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc., or its affiliates. See onstar.com for additional details.

⁷ Go to my.cadillac.com/learnabout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version.

⁸ Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

XT5 PERFORMANCE

THE PATH TO CONFIDENCE AND CONTROL

TWO POWERFUL OPTIONS

XT5 offers two distinct engine options. First, a spirited 2.0L Turbo engine with 235 hp and 258 lb-ft (350 newton-meter) of torque made for driving thrills. The second is a robust 3.6L V6 engine with 310 hp and 271 lb-ft (366 newton-meter) of torque for performance that stands out.

9-SPEED AUTOMATIC TRANSMISSION

The 9-speed automatic transmission delivers immediate power and efficient performance at a moment's notice.

DRIVER MODE SELECTOR

With an array of driver-select modes, XT5 grants you dominion over your drive. The freedom of available All-Wheel Drive is expanded by Touring, Off-Road and Sport calibrations, while Front-Wheel-Drive models deliver the confidence of Snow/Ice, Touring and Sport modes.

BREMBO® BRAKES

Brembo, a worldwide leader in performance-brake technology, helps provide exceptional stopping power to your XT5. Standard on the Sport trim, front Brembo brakes promote confidence for your drive.
