

SPARK 2021

CHEVROLET

SMALL IS BEAUTIFUL.

Big city. Small car. Fast pace. Good thing there's a little ray of sunshine called Chevrolet Spark. Not only is it fun to drive, it also fits almost anywhere you want to go, with space for friends and fun. Spark offers innovative safety features and smart technologies that help keep you connected along the way. Better yet, you'll now have your pick of all those too-small-for-everybody-else parking spots.

FIND NEW ROADS™

Spark 1LT in Summit White with
available Spark Special Edition.

MODELS

LS

Affordable and fun. Spark LS is designed to brighten your daily routine.

Choose from a 5-speed manual transmission or an available Continuously Variable Transmission. In addition, a StabiliTrak® Electronic Stability Control System and a Chevrolet Infotainment 3 system¹ help you stay confident and connected.

LT

Give your Spark a little extra shine.

Spark 1LT is designed to be the center of attention, thanks to 15-inch Silver-painted aluminum wheels and body-color mirrors. With electronic cruise control and an available power-sliding sunroof, Spark 1LT is perfect for escapes from the city.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

MODELS

ACTIV

Spark ACTIV is the nimble compact car for those who prefer a slightly sportier look.

Standard equipment includes unique front and rear bumpers, rocker panel trim, roof rails, fender flares, 15-inch Gunmetal Silver-painted aluminum wheels and front fog lamps with chrome rings. Jet Black leatherette heated front seats and a leather-wrapped steering wheel add the finishing touches. The rest is up to you.

2LT

A Spark with plenty of style and available safety features.

To help alert you to potential dangers, 2LT offers an available Driver Confidence Package including Forward Collision Alert¹, Lane Departure Warning¹ and Automatic Emergency Braking¹. You'll also find Keyless Open and Start and Rear Park Assist¹, which can help guide you while parking in tight spots.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

TECHNOLOGY

Spark 2LT Interior in Jet Black with Dark Anderson Silver accent stripe.

ENTERTAINMENT ROOM.

- Available 4G LTE Wi-Fi® Hotspot¹ provides a fast and reliable connection to stay in touch while you're on the go.
- Chevrolet Infotainment 3 system² with 7-inch diagonal color touch-screen.
- Apple CarPlay^{®3} compatibility.
- Android Auto^{™4} compatibility.
- Available myChevrolet Mobile App⁵.

¹ Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. ⁵ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection required. Visit onstar.com for details and limitations.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google LLC.

Two illuminated USB ports¹ for easy smartphone plug-ins.

27.2 cu. ft.² of cargo space with rear seat folded.

Apple CarPlay³ compatibility.

¹ Not compatible with all devices. ² Cargo and load capacity limited by weight and distribution. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries.

TECHNOLOGY DESIGNED TO HELP PREVENT AND PROTECT.

Automatic Emergency Braking. At speeds below 37 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following by automatically providing hard emergency braking or enhancing the driver's hard braking. Available on 2LT with Continuously Variable Transmission.

Forward Collision Alert. Can warn you if it detects a potential front-end collision with a vehicle you're following. It can also provide a tailgating alert if you're following much too closely. Available on 2LT with Continuously Variable Transmission.

Lane Departure Warning. This feature can alert you if you might be unintentionally drifting out of detected lane lines so you can quickly take action. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Available on 2LT with Continuously Variable Transmission.

Rear Park Assist. Can provide distance alerts to nearby detected objects behind your vehicle to help you park and avoid collisions when traveling in Reverse at low speeds. Standard on 2LT.

Rear Vision Camera. This feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds. Standard on all models.

10 standard airbags¹ Every Spark includes frontal and knee airbags for driver and front passenger and head-curtain and seat-mounted side-impact airbags for all outboard seating positions.

StabiliTrak Electronic Stability Control. This standard system detects the difference between the path being steered and the direction the vehicle is actually traveling. It then uses the brakes and, if necessary, adjusts propulsion torque to help you keep your Spark on track.

OnStar Automatic Crash Response² In a crash, built-in vehicle sensors can automatically connect you to an OnStar Emergency-Certified Advisor³ who can help you get the assistance you need – even if you can't ask for it. Using critical crash information, Advisors can make First Responders aware of the possibility of injuries and provide critical assistance until help arrives. Automatic Crash Response is included with most available OnStar plans² and Chevrolet Connected Services bundles.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ² OnStar plan, working electrical system, cell reception and GPS signal required. Not all vehicles may transmit all crash data. OnStar links to emergency services. Visit onstar.com for details and limitations. ³ OnStar Advisors are certified by the International Academies of Emergency Dispatch.

NEW VEHICLE LIMITED WARRANTY

Chevrolet will warrant each 2021 Spark with:

3-year/36,000-mile¹ Bumper-to-Bumper Limited Warranty.

5-year/60,000-mile¹ Powertrain Limited Warranty.

6 years/100,000 miles¹ of Rust-Through Protection.

5 years/60,000 miles¹ of Roadside Assistance² and Courtesy Transportation.

IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to

vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That's why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

GMmobility.com (1-800-323-9935). GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.

¹ Whichever comes first. See dealer for details. ² Roadside service provided by Allstate Roadside Services. Limitations apply.
