

2014

Accord

Start something special.

When does a car become more than just a car? That question has inspired us from the beginning, and for over three decades, the Accord has been our answer. Now in its ninth generation, our signature vehicle continues to evolve with drivers and all of their humanity in mind. And the relationship between an Accord and its owner continues to be something very special.

Accord Touring Sedan shown in Modern Steel Metallic.

Accord Touring Sedan shown in Modern Steel Metallic.

Pride and joy.

That's what fuels us. The pride of building an extraordinary vehicle and the joy of driving it. Everything we stand for as an automaker is evident in the Accord, and we're proud that the Accord has become synonymous with words like reliability, technology, style and value. All while maintaining our legendary Accord performance. Because driving is and always should be a joy.

Accord EX-L V-6 Coupe shown in Still Night Pearl.

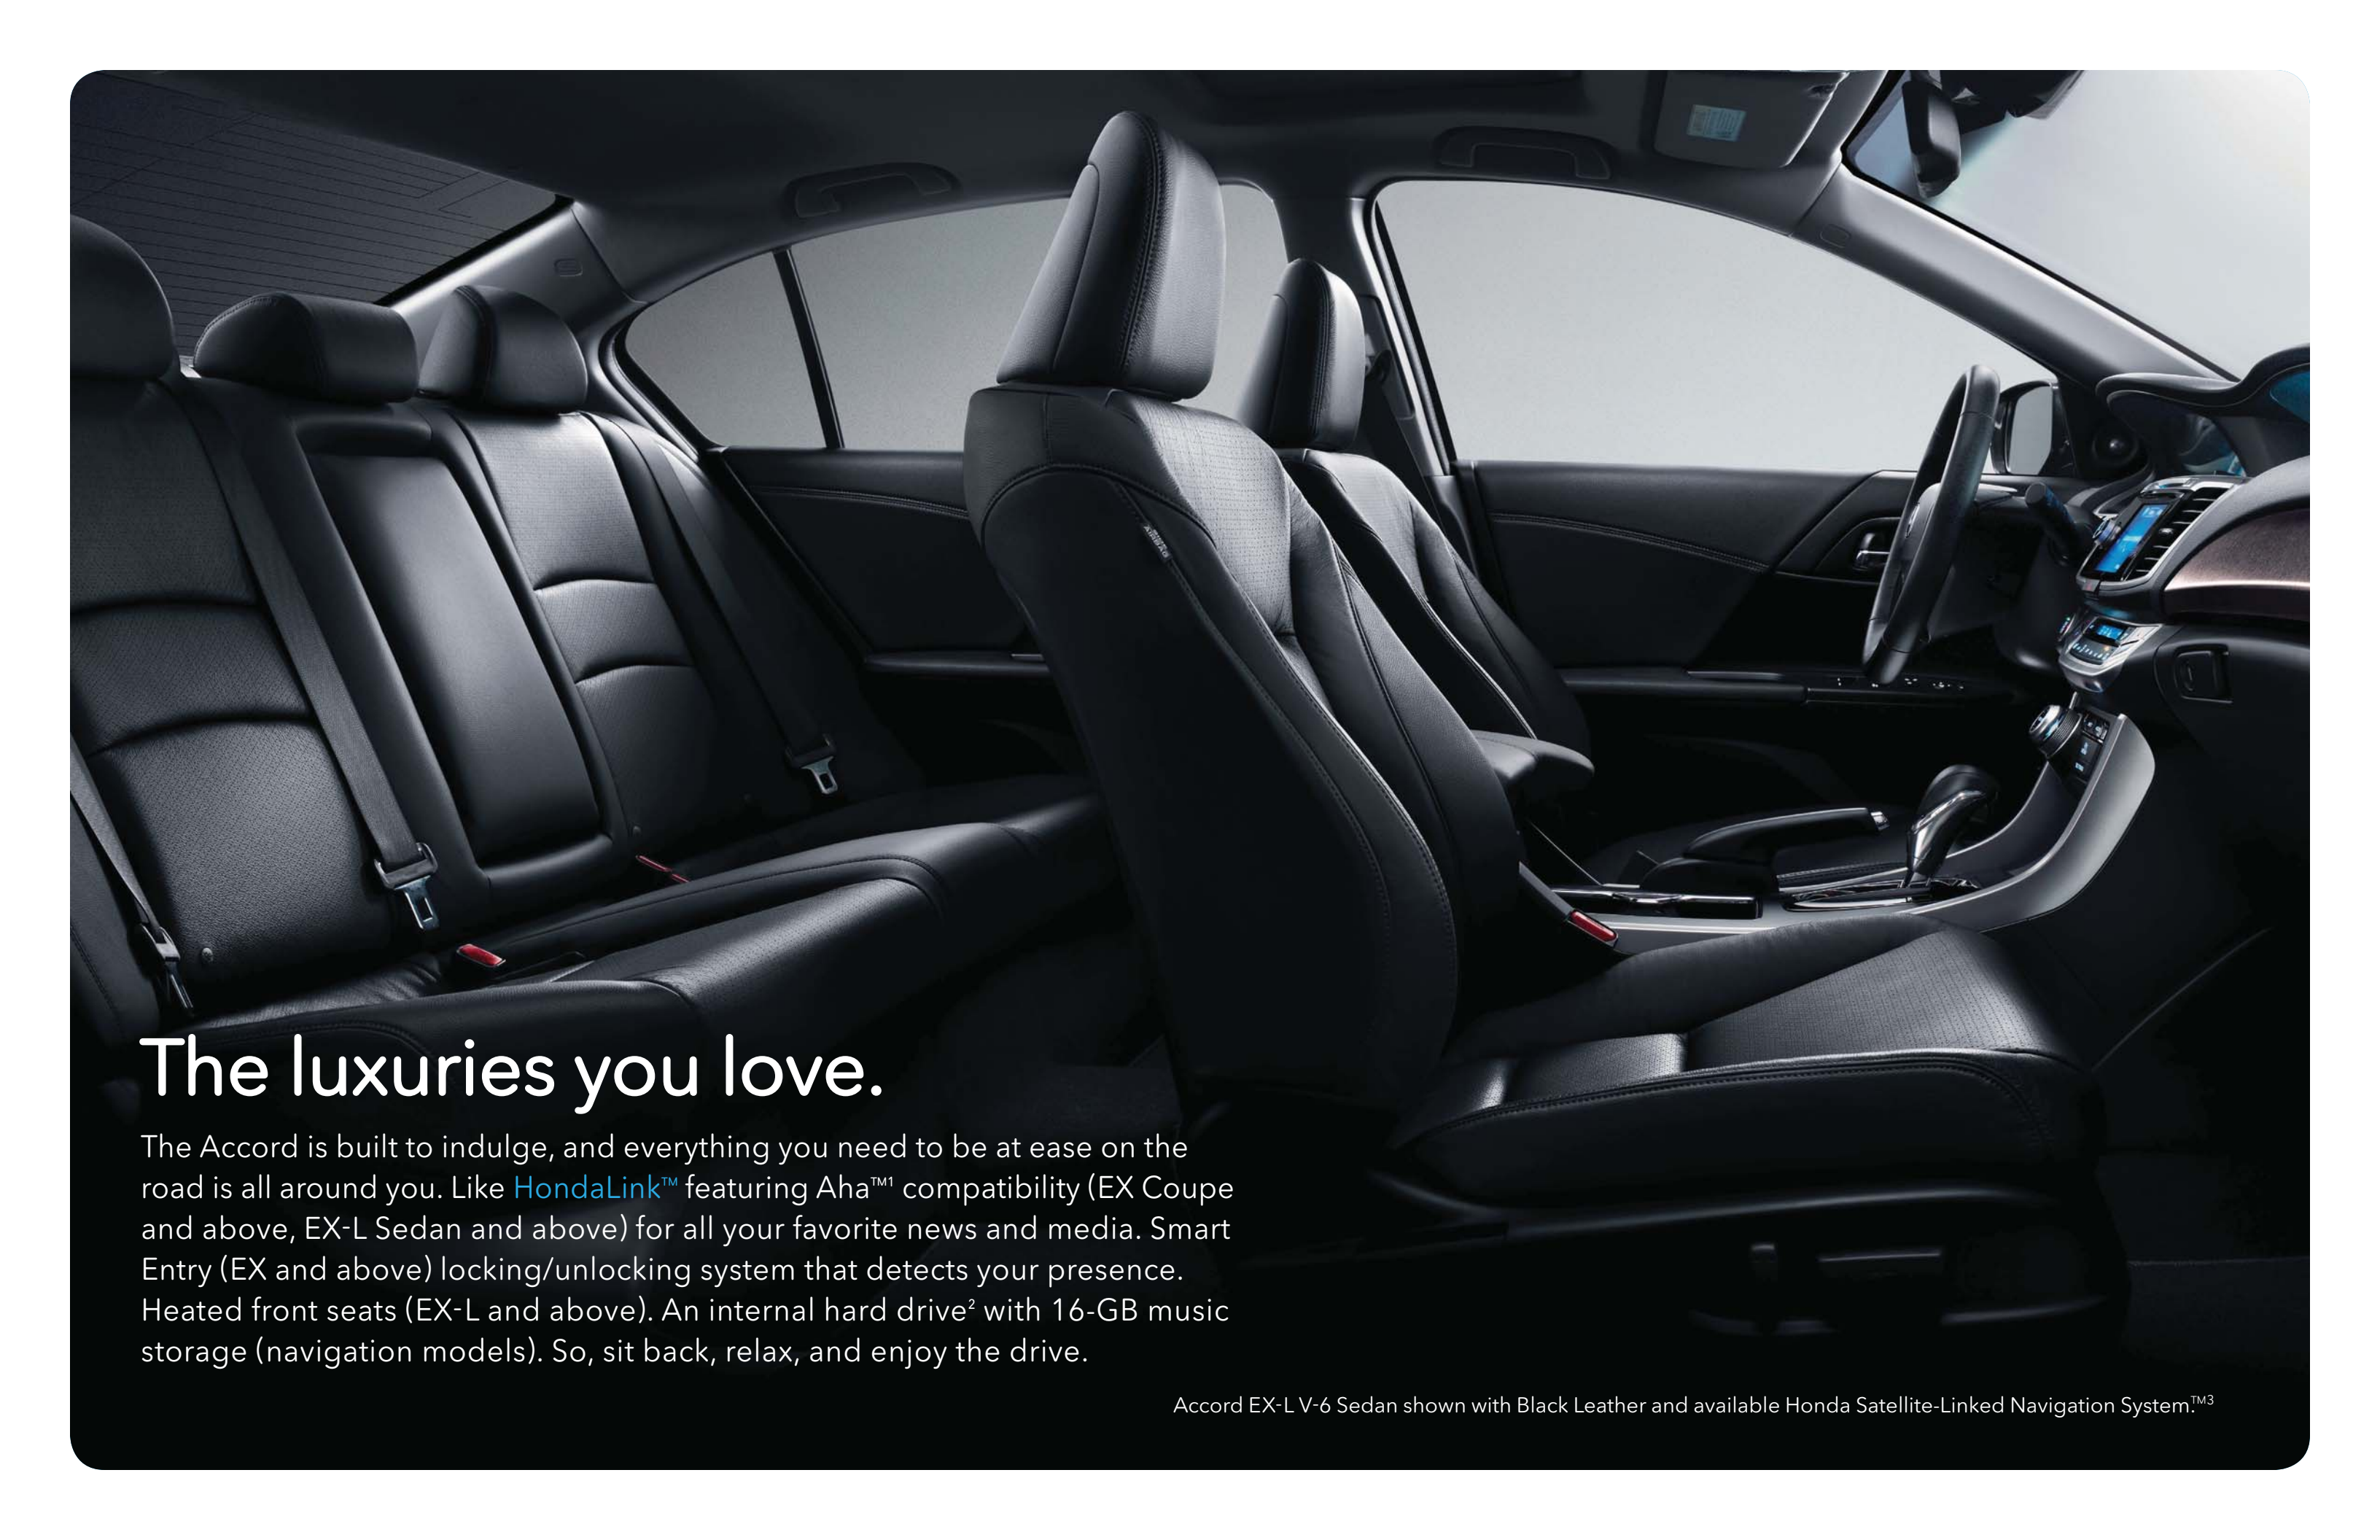

Stay informed.

[▶ Sign Up for Email](#)

The Accord is our signature vehicle, so naturally, it's always creating a buzz. Sign up for our e-newsletters so you can stay on top of all things Accord.

Accord EX-L V-6 Coupe shown in Still Night Pearl.

The image shows the interior of a car, specifically the front and rear seats. The seats are upholstered in black leather with a subtle texture. The front seats have a contoured design with stitching details. The rear seats are also visible, showing a similar leather finish. The dashboard and center console are partially visible, featuring a modern design with a touchscreen display and various controls. The overall lighting is soft, highlighting the quality of the materials.

The luxuries you love.

The Accord is built to indulge, and everything you need to be at ease on the road is all around you. Like [HondaLink™](#) featuring Aha™¹ compatibility (EX Coupe and above, EX-L Sedan and above) for all your favorite news and media. Smart Entry (EX and above) locking/unlocking system that detects your presence. Heated front seats (EX-L and above). An internal hard drive² with 16-GB music storage (navigation models). So, sit back, relax, and enjoy the drive.

Accord EX-L V-6 Sedan shown with Black Leather and available Honda Satellite-Linked Navigation System.™³

Accord EX-L V-6 Sedan shown with Black Leather and available Honda Satellite-Linked Navigation System.³

Accord EX-L V-6 Coupe shown with Black Leather.

Accord EX-L V-6 Sedan shown in Basque Red Pearl II.

The Accord Sport.

How about an Accord with a little more attitude? Discover the Accord Sport Sedan. It features all the little details you love that make a big difference on the road. Like 18" alloy wheels, fog lights, a decklid spoiler and a dual exhaust system. On the inside, paddle shifters (with CVT) and a 10-way power driver's seat make any drive that much better.

Accord Sport Sedan shown in Alabaster Silver Metallic.

Indianapolis 500 and IndyCar (and Design) are registered trademarks of Brickyard Trademarks, Inc., used with permission. IZOD is a registered trademark of Phillips-Van Heusen Corporation, used with permission.

Direct Injection: Our race-proven technology.

Honda's racing heritage is with you on the road in the Accord. Direct-injection technology helps improve fuel combustion and engine efficiency, and it helps power many of the drivers in the IZOD IndyCar® Series. We've taken that same technology and incorporated it into the Accord's 4-cylinder i-VTEC® engine.

Sustainability matters.

We all benefit from vehicles that respect our planet. And thanks to innovations like our 2.4-liter, 4-cylinder engine featuring Earth Dreams Technology, the Accord has earned an impressive 36-mpg highway rating.⁴ That makes it one of our most fuel-efficient⁴ Accords ever. The Accord is also available in two unique hybrid models that feature our latest breakthroughs in hybrid technology: the extraordinarily efficient Accord Plug-In and Accord Hybrid.

ECO ASSIST™

With Eco Assist, there are two ways car and driver work together to help improve fuel efficiency.⁴ Coaching bars around the speedometer change from white or blue to green depending on how efficiently you're driving. The longer they stay green, the more miles you can get from a tank of gas. Push a button to engage ECON mode, and your Accord automatically adjusts fuel-consuming systems to help maximize efficiency.⁴

36

MPG HIGHWAY RATING⁴

Accord EX-L Sedan shown in Alabaster Silver Metallic.

The Accord Hybrid. (Available fall 2013. See dealer for details.)

Elegance and efficiency come together beautifully in the all-new 2014 Accord Hybrid. It obtains an impressive 50-mpg city rating⁵ without sacrificing any of the sophistication and luxury you've come to expect from an Accord. Powered by our brilliant hybrid drive system, the Accord Hybrid has three driving modes that yield a remarkable combination of performance and efficiency. And with a style that echoes the ninth-generation Accord, the Accord Hybrid also features a number of hybrid-only details, such as a blue-accented grille and lights, a unique wheel design, and more.

Accord Hybrid Touring shown in Obsidian Blue Pearl.

The Accord Plug-In.

We made an enormous leap in hybrid-electric technology. The Accord Plug-In features a rechargeable power source, has three driving modes, and boasts staggering efficiency ratings like a 570-mile total driving range and 115 MPGe.⁶ But what makes the Plug-In truly special is that it never stopped being an Accord. It offers all the performance, engineering and comfort that you've come to expect from Honda.

The Accord Plug-In is available in New York and California.
And the [industry blogs](#) are buzzing about it.

Accord Plug-In shown in Burnished Silver Metallic.

Being eco-conscious has its perks.

Uncle Sam is all for hybrid-electric efficiency. That's why owners of an Accord Plug-In are eligible for up to \$3,636 in [federal tax credits](#).⁷ And Californians who own the Accord Plug-In can apply for [state tax rebates](#) of up to \$1,500 through the CA Clean Vehicle Rebate Project. And more good news for Californians: Accord Plug-In owners are eligible for single-occupant HOV lane access.

When the battery low-charge indicator comes on, you can fully recharge it in less than three hours from a dedicated 120-volt outlet, and in less than an hour using a 240-volt circuit.⁸

The new 2.0-liter Earth Dreams Technology engine works with the two-motor hybrid drive system for hybrid-electric efficiency that doesn't compromise the Accord's hallmark performance.

The Accord Plug-In's interior is designed to be both comfortable and eco-conscious; the seats are upholstered in a bio-fabric derived from sugar cane.

The gauge cluster on the Accord Plug-In displays fuel, charge and performance information. And it does it all with flying colors.

A reason for everything.

The Accord is a model of human-centered ingenuity and creativity. Every engineering breakthrough, every design enhancement, every touch of technology featured in the Accord has emerged from our understanding of who people are and what's important to them. It's technology with a purpose, and it's a big part of what makes owning an Accord so special.

Accord Touring Sedan shown in Modern Steel Metallic.

LED HEADLIGHTS

LED headlights are not only a nice accent, but they also help improve visibility, and help reduce power consumption by 50%. (Touring Sedan)

LED DAYTIME RUNNING LIGHTS (DRL)

Sleek and stylish LED Daytime Running Lights are standard on EX-L V-6 Coupe and EX-L V-6/Touring Sedan.

LED BRAKE LIGHTS

Redesigned brake lights have a subtle, new style, and are LED-powered. (EX-L Sedan and above)

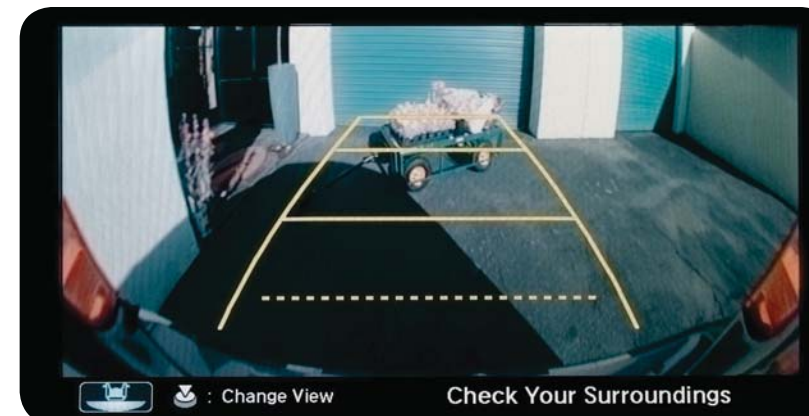

SMART ENTRY

The Smart Entry feature detects when your key fob is near the vehicle, and it allows you to lock and unlock your doors with the utmost elegance and ease. (EX and above)

PUSH BUTTON START

The Accord's smart technology lets you start your engine with the push of a button. (EX and above)

REARVIEW CAMERA

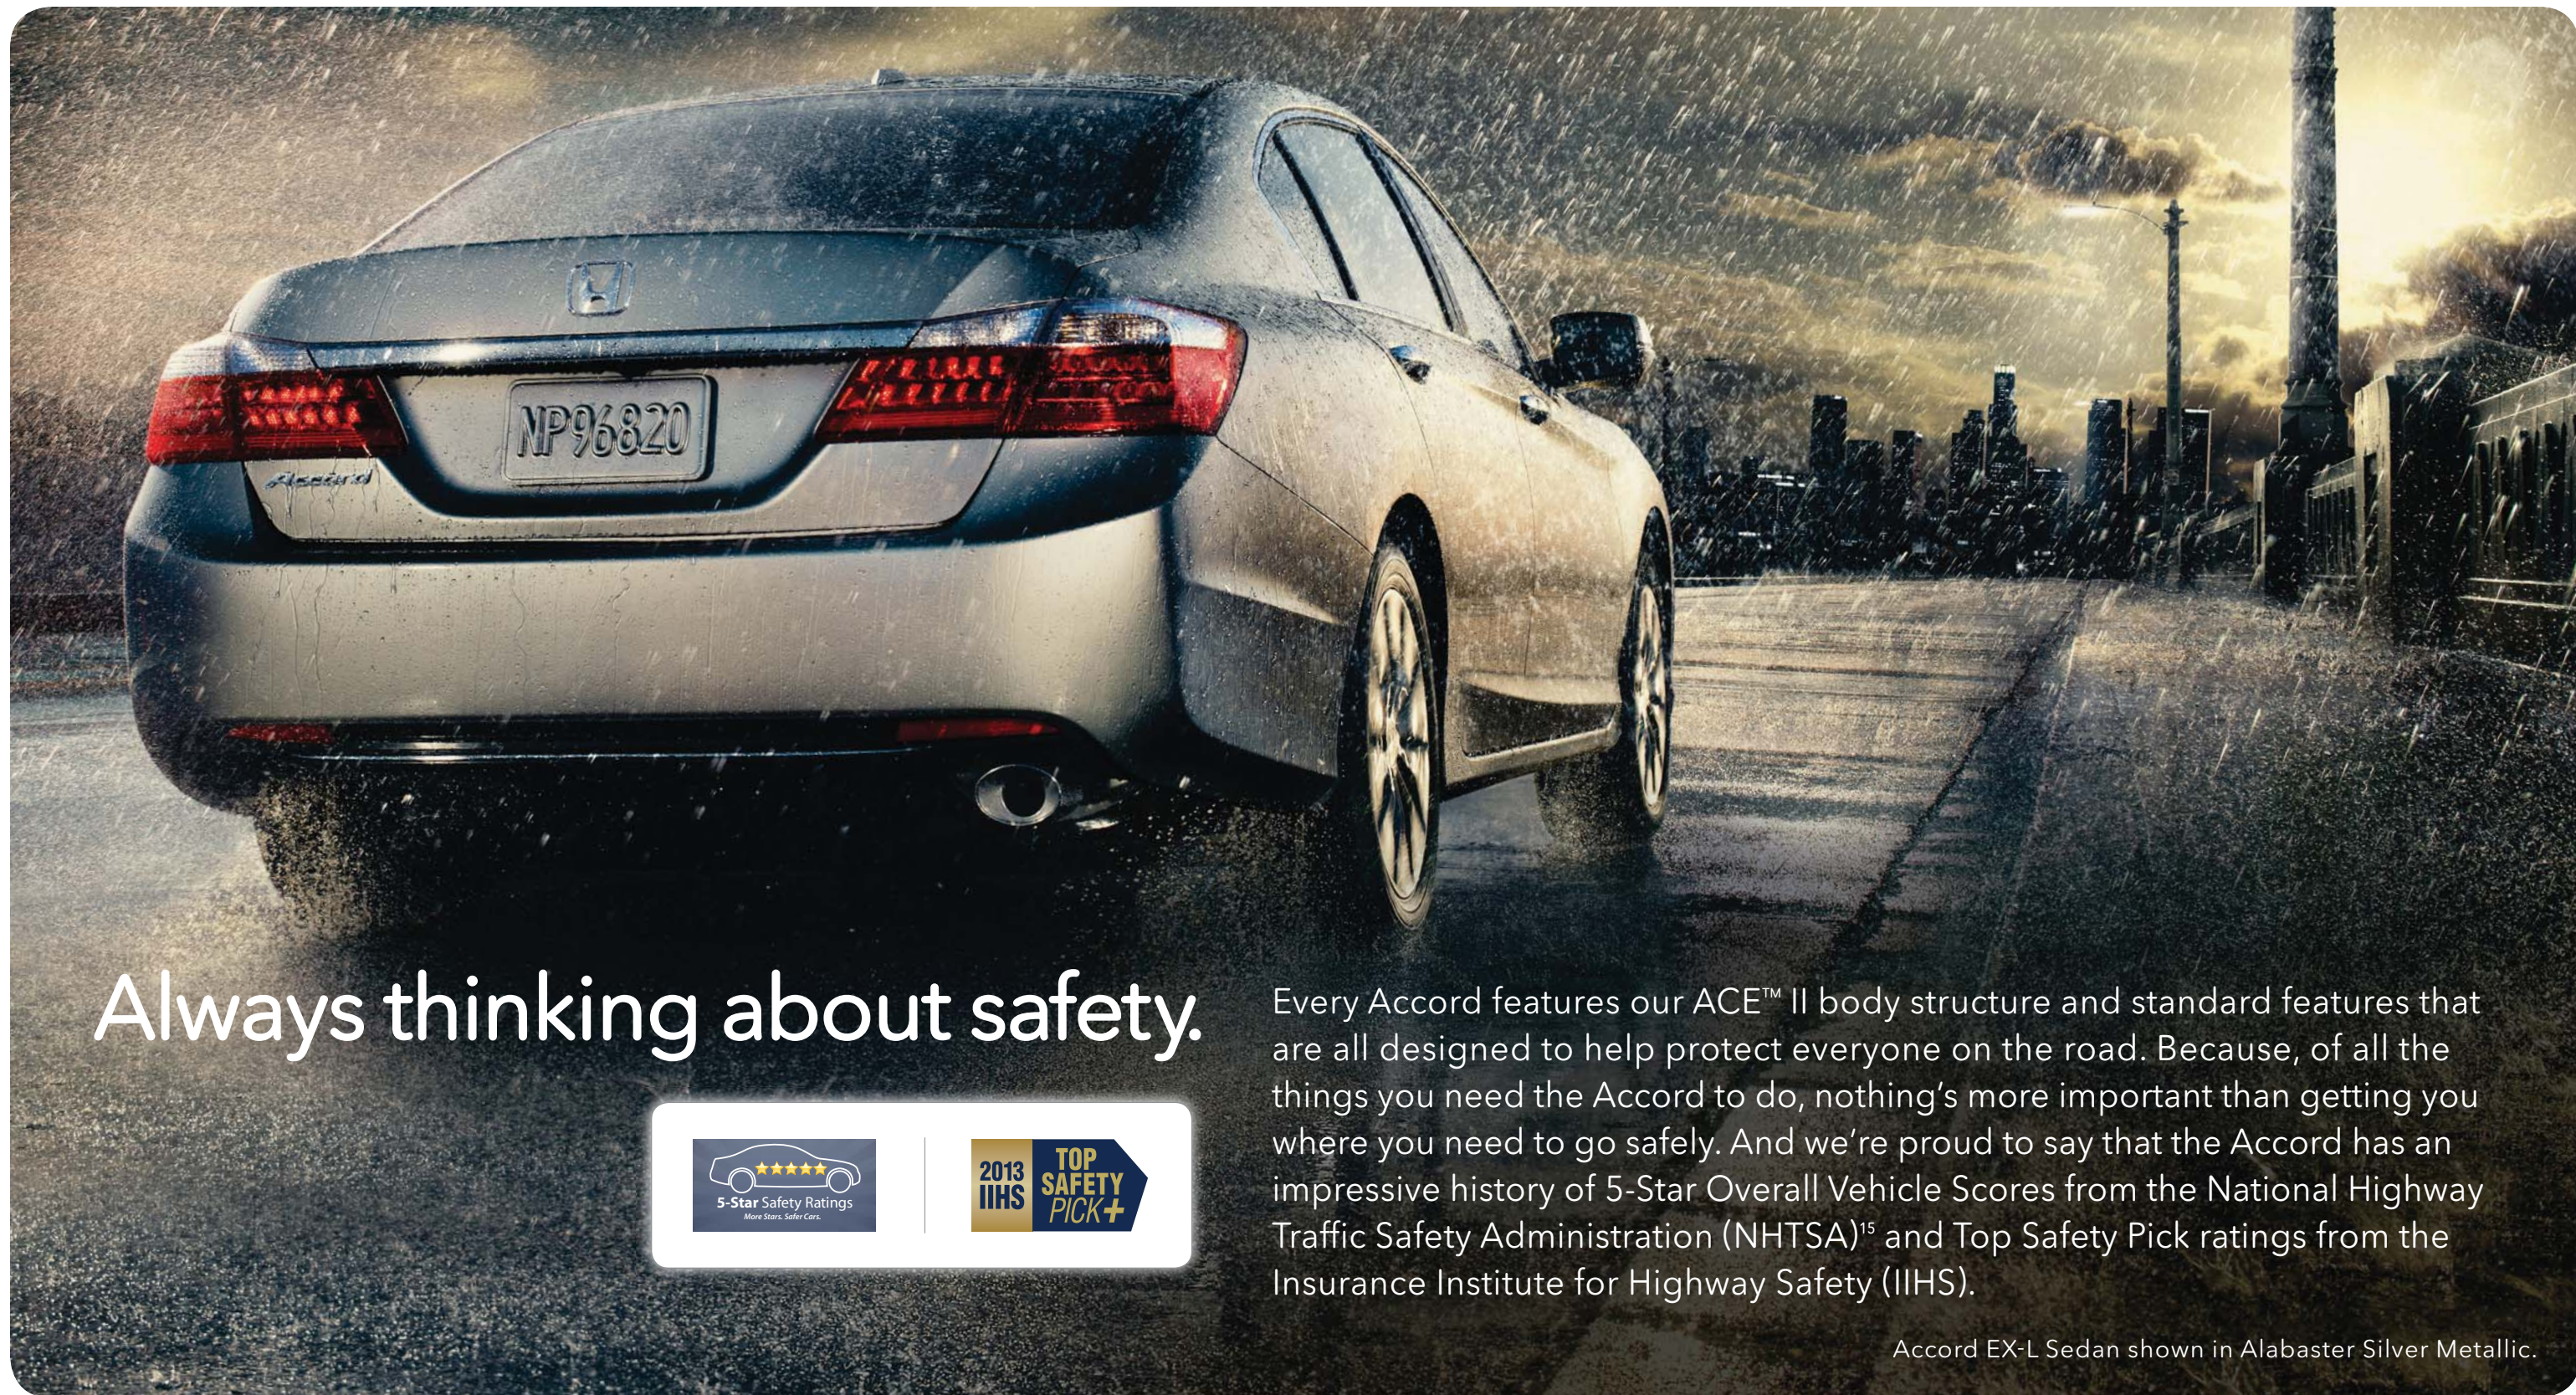

Every Accord has a rearview camera. EX Coupe and above and EX-L Sedan and above models come with a multi-angle rearview camera that adds wide-angle and overhead views.

AUDIO SYSTEM WITH TOUCH-SCREEN DISPLAY

This amazing touch panel gives you access to all your different media programs. It's an interface for everything from [Aha¹](#) by [HARMAN](#) and Pandora^{®13} compatibility to [Bluetooth^{®14}](#) streaming audio and [Bluetooth^{®14}](#) HandsFreeLink,[®] your audio system's controls and equalizer, and much more.* (EX Coupe and above, EX-L Sedan and above)

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

Always thinking about safety.

Every Accord features our ACE™ II body structure and standard features that are all designed to help protect everyone on the road. Because, of all the things you need the Accord to do, nothing's more important than getting you where you need to go safely. And we're proud to say that the Accord has an impressive history of 5-Star Overall Vehicle Scores from the National Highway Traffic Safety Administration (NHTSA)¹⁵ and Top Safety Pick ratings from the Insurance Institute for Highway Safety (IIHS).

Accord EX-L Sedan shown in Alabaster Silver Metallic.

ANTI-LOCK BRAKING SYSTEM (ABS)

All Accord models feature 4-wheel disc brakes with anti-lock brakes (ABS). ABS modulates the brakes to help prevent wheel lockup and help the driver retain steering control during hard braking.

FORWARD COLLISION WARNING (FCW)¹¹

The FCW system can sense the presence of vehicles in front of you, and if it calculates that you're at risk of a collision with a detected vehicle, it activates audible and visible alerts. (EX-L and above)

LANE DEPARTURE WARNING (LDW)⁹

A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure. (EX-L and above)

**VEHICLE STABILITY ASSIST™ (VSA®)*
WITH TRACTION CONTROL**

In the event of an oversteer or understeer condition, VSA works to brake individual wheels and/or reduce engine power to help restore your intended course.

*VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

Accord EX-L V-6 Sedan shown with Black Leather and available Honda Satellite-Linked Navigation System.³

Airbags inflated for display purposes.

ADVANCED COMPATIBILITY ENGINEERING™ (ACE) II BODY STRUCTURE

This Honda-exclusive body design distributes frontal crash energy more evenly throughout the front of the vehicle, and the ACE II body structure features our highest-grade steel yet.

DUAL-STAGE, MULTIPLE-THRESHOLD FRONT AIRBAGS (SRS)

The dual-stage, multiple-threshold front airbags (SRS) are capable of inflating at different rates depending on the severity of the crash, seat-belt usage and/or other factors.*

SMARTVENT™ FRONT SIDE AIRBAGS

In the event of a moderate-to-severe side impact, the side airbag inflates to help protect the driver's or front passenger's upper torso.*

SIDE CURTAIN AIRBAGS WITH ROLLOVER SENSOR

In the event of a sufficient side impact or rollover situation, this system will activate and help provide protection for both the front and outboard rear occupants on the side of the impact.*

*Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.

It's your style.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

LX

- 185-hp (SAE net), 2.4-liter i-VTEC® 4-cylinder engine with direct injection
- 6-speed manual or continuously variable transmission (CVT) with Sport Mode (available)
- ULEV-2/PZEV CARB emissions rating¹⁶
- EPA mileage ratings⁴ (city/highway/combined): 6MT: 24/34/28 mpg; CVT: 27/36/30 mpg
- Eco Assist™ system
- 16-inch alloy wheels
- Vehicle Stability Assist™ (VSA®) with traction control
- Advanced Compatibility Engineering™ (ACE™) II body structure
- Six airbags
- Security system with remote entry
- Body-colored power side mirrors with Expanded View Driver's Mirror
- Dual-zone automatic climate control system
- i-MID with 8-inch high-resolution screen and customizable feature settings
- Rearview camera with guidelines
- *Bluetooth*®¹⁴ HandsFreeLink®
- SMS text message function¹⁷
- Tilt and telescopic steering column
- 160-watt AM/FM/CD audio system with 4 speakers
- Pandora®¹³ compatibility
- *Bluetooth*¹⁴ streaming audio
- USB Audio Interface¹⁸
- MP3/auxiliary input jack
- Exterior temperature indicator

SPORT adds to or replaces LX features

- 189-hp (SAE net), 2.4-liter i-VTEC 4-cylinder engine with direct injection
- 6-speed manual or continuously variable transmission (CVT) with Sport Mode and paddle shifters (available)
- EPA mileage ratings⁴ (city/highway/combined): 6MT: 24/34/28 mpg; CVT: 26/34/29 mpg
- 18-inch alloy wheels
- Body-colored decklid spoiler
- Fog lights
- Dual chrome exhaust finishers
- Leather-wrapped steering wheel
- Driver's seat with 10-way power adjustment, including power lumbar support

EX adds to or replaces LX features

- 17-inch alloy wheels
- One-touch power moonroof with tilt feature
- Smart Entry
- Fog lights
- Heated power side mirrors with integrated turn indicators
- Honda LaneWatch™¹⁰
- Push button start
- Driver's seat with 10-way power adjustment, including power lumbar support
- 160-watt AM/FM/CD audio system with 6 speakers

EX-L adds to or replaces EX features

- Continuously variable transmission (CVT)
- Forward Collision Warning (FCW)¹¹
- Lane Departure Warning (LDW)⁹
- Multi-angle rearview camera with guidelines
- Driver's seat with 10-way power adjustment, including power lumbar support and two-position memory
- Front passenger's seat with 4-way power adjustment
- Leather-trimmed interior
- Heated front seats
- 360-watt AM/FM/CD premium audio system with 7 speakers, including subwoofer
- HondaLink™ featuring Aha™¹ compatibility
- Audio touch-screen
- XM® Radio¹⁹
- Compass

EX-L with Navigation adds to or replaces EX-L features

- Honda Satellite-Linked Navigation System™³ with voice recognition, FM Traffic and interface dial
- Illuminated steering wheel-mounted navigation controls
- Hard disk drive (HDD);² including 16-GB audio memory
- Song By Voice® (SBV)

All 2014 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.²³ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,²³ too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.²⁴

¹ Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha, the Aha logo, and the Aha trade dress are trademarks or registered trademarks of HARMAN International Industries, Inc. Your wireless carrier's rates may apply. ² Audio memory is a component of navigation system's hard disk drive (HDD). ³ The Honda Satellite-Linked Navigation System is available on EX-L and standard on Touring models in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. ⁴ 24 city/34 highway/28 combined mpg rating for 4-cylinder 6MT models. 27 city/36 highway/30 combined mpg rating for Sedan CVT models. 26 city/34 highway/29 combined mpg rating for Sport Sedan and 4-cylinder Coupe models with CVT. 21 city/34 highway/26 combined mpg rating for V-6 Sedan models. 18 city/28 highway/22 combined mpg rating for V-6 Coupe 6MT models. 21 city/32 highway/25 combined mpg rating for V-6 Coupe 6AT models. Based on 2014 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle. ⁵ 50 city/45 highway/47 combined mpg rating for Hybrid models. Based on 2014 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle. ⁶ 124 city/105 highway/115 combined miles per gallon equivalent (MPGe) electric rating; 570-mile combined gas-electric driving range rating. Ratings determined by EPA. Your MPGe and range will vary depending on driving conditions, how you drive and maintain your vehicle, battery age/condition, and other factors. For additional information about EPA ratings, visit <http://www.fueleconomy.gov/feg/label/learn-more-PHEV-label.shtml>. ⁷ Your personal tax situation may limit your eligibility for this Alternative Motor Vehicle Credit. This is not tax advice. Consult your own tax advisor for details. ⁸ Charging time is measured from initial illumination of the low state-of-charge indicator, not from full depletion. Honda recommends the use of a dedicated 120-volt GFCI outlet tested for use by an electrician. ⁹ Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁰ Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ¹¹ Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹² Adaptive Cruise Control (ACC) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. The driver remains responsible to slow or stop the vehicle to avoid a collision. ¹³ Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. Used with permission. Compatible with select smartphones. See: www.pandora.com/everywhere/mobile. Not all devices compatible with USB connection. Your wireless carrier's rate plans apply. ¹⁴ The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ¹⁵ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program. Model tested with standard side airbags (SABs). Vehicles tested under this program cannot be compared to MY 2010 and earlier vehicles. Ratings should only be compared to similar ratings on MY 2011 and later vehicles (if rated under the new program). At time of printing, 2014 vehicle had not been tested. For additional information on the 5-Star Safety Ratings program, please visit www.safercar.gov. ¹⁶ PZEV (Partial Zero-Emission Vehicle) CVT and V-6 Sedan models as certified by the California Air Resources Board (CARB) are available in California and states that have adopted California Zero-Emission Vehicle regulations. CVT and V-6 Sedan models in non-CARB states and 6MT and V-6 Coupe models in all 50 states are ULEV-2 (Ultra-Low-Emission Vehicle) certified by the California Air Resources Board (CARB). ¹⁷ Compatible with select phones with *Bluetooth*®. Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. ¹⁸ The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your Honda dealer for details. ¹⁹ SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel.
