2021

A woman with curly hair is driving a car. She is wearing a grey blazer and a gold bracelet. The car's interior is black with red leather accents on the seats and door panels. The dashboard and center console are visible, featuring a navigation screen and various controls. The background shows a blurred city street scene.

Can technology enhance your senses
and reward them too?

Can a vehicle give you a hand
when yours are full?

Can a transmission understand
your desires before you do?

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2021 NX

NX 300

Experience razor-sharp styling that conceals a 2.0-liter turbocharged in-line four-cylinder engine delivering 235 horsepower.² Every NX model features Amazon Alexa³ compatibility, as well as class-leading standard Lexus Safety System+ 2.0.^{4,5} And added iPhone^{®6} functionality via Apple CarPlay^{®7} integration. Available AWD.

NX 300 F SPORT

The NX 300 can be further enhanced with more aggressive styling and invigorating performance upgrades, including a more dynamic F SPORT-tuned suspension.

NX 300h

Behind its cutting-edge style, the NX 300h pairs a potent 2.5-liter engine with powerful electric motors for instantaneous torque you can feel and a class-leading 31-MPG combined EPA estimate.^{8,9} Standard AWD.

Inspired by the brilliant facets of a cut gemstone, LED taillamps are just one of many eye-opening details that set the NX apart. Available Premium Triple-Beam LED headlamps and dramatically styled front and rear fascias further punctuate its low, wide stance. From the evocative contours of its exterior styling to the available expansive moonroof, every aspect elicits an emotional response.

EMOTION IN EVERY LINE

Experience LED illumination that catches eyes. And thoughtful details that open them.

STRETCHING THE LIMITS OF VERSATILITY

Lexus-first innovations and accommodating features push comfort and convenience even further.

Versatility goes beyond boundaries with the 2021 NX. The NX was the first Lexus to offer a Power Rear Door with Kick Sensor¹⁴ that raises and lowers with a simple wave of your foot beneath the concealed sensor, to give you a hand when yours are full. Inside, available heated and ventilated front seats provide customized comfort, while available power-folding and -reclining rear seats take cutting-edge luxury to another level.

UNCOMPROMISING PERFORMANCE

From the NX Hybrid to the bold, higher-performance F SPORT, this is exhilaration crafted for and around you.

Experience visceral performance with the powerful NX 300 and even more dynamic NX F SPORT. With a dynamic suspension and an available adaptive F SPORT suspension inspired by the LC, this is the most responsive NX yet. And the most personal. AI Shift Control monitors your driving style and current road conditions, anticipating your desires and automatically adjusting its performance accordingly.

MORE EXHILARATION FOR MORE MILES

With two sources of power and innovative all-wheel drive, the NX Hybrid gives even more to the driver while taking less from the world.

NX 300h

Welcome to the next level of NX. Pairing a potent 2.5-liter engine with powerful electric motors, the NX Hybrid delivers immediate torque and smooth, seamless acceleration off the line. And, with its class-leading 31-MPG combined EPA estimate,^{8,9} you won't just enjoy a smoother and quieter ride, you'll enjoy it over many more miles on a single tank of gas. All without requiring a charge. Featuring an all-wheel drive system so innovative that it's designed to adapt to the angle or condition of the road, as well as an exclusive damping control system, it offers performance as captivating as its style.

TURBOCHARGED *POWER*

Experience the surge of a 235-horsepower² engine that doesn't let up in the NX and NX F SPORT. Thanks to the Lexus engineers who spent years researching, developing and refining a turbocharger with advanced twin-scroll technology, the powerplant seamlessly moves between conventional and Atkinson cycles, for quick acceleration with remarkable efficiency.

ALL-WHEEL *DRIVE*

Feel the possibilities and go beyond limitations with available all-wheel drive. AWD predicts your path, monitoring the vehicle and your input. On the NX and NX F SPORT, if wheelspin is detected, it can deliver up to 50% of available torque to the rear wheels. On the NX Hybrid, the electronic AWD system is so innovative, it can even adapt to the angle and condition of the road.

F SPORT PERFORMANCE

Feeding your passion for performance, the NX F SPORT offers a thrilling driving experience that commands attention and the road.

A bold front fascia sets the distinctive NX F SPORT even further apart. The 18-inch, split-five-spoke alloy wheels and black exterior mirrors punctuate its sleek stance, while its suspension was specially tuned to help provide optimal agility and responsiveness.

ADAPTIVE VARIABLE SUSPENSION

Available AVS allows the driver to harness the engine's power and feel connected to the pavement like never before. Based on the state-of-the-art technology in the Lexus LC, this system features 650 levels of damping that can automatically adapt to changing conditions, for enhanced response based on the selected drive mode.

NX F SPORT shown in Ultra White¹⁰

F SPORT STYLING

The NX F SPORT doesn't just look the part—it feels it. From its aggressive exterior styling to deeply bolstered front sport seats that hug you through the turns, this luxury crossover brings exhilaration to every drive. Exclusive Circuit Red NuLuxe^{®1} and Arctic White NuLuxe interior trims boldly reflect its performance roots. And impeccable contrast stitching completes the experience of pure invigoration for all the senses.

NX F SPORT shown in Atomic Silver

BOLSTERED SPORT SEATS

Feel confidence through every curve with the F SPORT front sport seats. Featuring a unique foam-injected construction and designed to contour to the needs of the driver, these enhanced bolstered sport seats cradle you from hip to shoulder for a more dynamic driving experience.

DRIVER'S COCKPIT

F SPORT performance is deeply ingrained in the driver's experience, with lightning-fast paddle shifters, exclusive G-force and turbo-boost gauges, and an exclusive perforated leather-trimmed shift knob and heated steering wheel. Additional signature touches in the F SPORT include rubber-studded aluminum pedals and Metallic Sport interior trim.

The highly advanced NX is designed to reward all of your senses. With features like Amazon Alexa³ compatibility, driving is convenient as well as empowering. A high-resolution multimedia display provides access to your favorite iPhone[®] apps via Apple CarPlay⁷ integration. And, with Android Auto,^{TM16} popular messaging apps like WhatsApp^{®17} and regularly updated maps are always at your fingertips. On the NX F SPORT, G-force and turbo-boost displays ensure performance information is front and center. While, on the NX Hybrid, an exclusive EV mode¹⁸ enables you to drive for short distances at low speeds on battery power alone.

EMPOWERING TECHNOLOGY

Enjoy access to your favorite apps with Apple CarPlay integration. While compatibility with Android Auto and Amazon Alexa offer more ways to make the NX your own.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+ 2.0, an integrated suite of class-leading standard active safety equipment.^{4,5}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

By enhancing the radar and camera capabilities, it's possible for the system¹¹ to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions. Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control¹⁹ is enabled, this hands-on system¹³ monitors visible lane markings or the path of the preceding vehicle to help the driver keep their vehicle centered in the lane by providing steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system¹² utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST

This system²⁰ uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system¹⁹ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams²¹ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

TECHNOLOGY THAT ANTICIPATES AND REWARDS

AMAZON ALEXA

Bring all the convenience of Amazon Alexa³ on the road with the Lexus+Alexa³ app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music,³ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices²² such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System²³ or provide on-the-go directions via the Waze^{TM24} app on compatible devices.

APPLE CARPLAY®

With Apple CarPlay⁷ integration, you can access the same familiar interface from your iPhone⁶ through the vehicle's multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,²⁵ and get access to your favorite apps like Waze, Spotify[®] and Apple Audiobooks.^{TM26}

ANDROID AUTO™

With Android Auto,¹⁶ you can now seamlessly cast your device's interface onto the vehicle's multimedia display. Play your music via your favorite apps such as Spotify and Pandora,[®] send messages through a range of commonly used apps like WhatsApp,^{®17} navigate with Google Maps,^{TM27} and request information—all with your voice. Just say "Hey Google" to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

LEXUS ENFORM

Lexus Enform²⁸ elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-Fi^{TM29} to the ability to start your engine remotely³⁰ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa built-in devices, or the Lexus action on Google with your Assistant-enabled²⁷ devices, our premium suite of connected technology offers peace of mind with every drive.

MARK LEVINSON® AUDIO

The available 14-speaker, 835-watt Mark Levinson^{®31} Premium Surround Sound Audio System features patented, proprietary Clari-Fi^{®31} technology that restores audio quality from compressed music, resulting in crisp, clear, dynamic sound from almost any source. This, combined with technology designed to create an expansive "sweet spot" of audio, envelops every passenger in three-dimensional sound that rivals the finest home audio systems.

INTUITIVE PARKING ASSIST

Using sensors in the front and rear bumpers, available Intuitive Parking Assist³² cues the driver with audible tones and an indicator on the multimedia display. Notifications indicate a detected object's location and proximity, which is especially helpful for routine tasks like parallel parking. If contact with an obstacle is imminent, the system can also bring the vehicle to a complete stop, under certain circumstances.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®33} Learn more about these services at lexus.com/specialists.

Paid subscription required after trial to access the service. **36.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors outside of Lexus' control, which can limit functionality or availability. Service may vary by vehicle or region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com/enform for additional details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **37.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **38.** May not be compatible with all mobile phones, MP3/WMA players and like models. **39.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **40.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.aaof.org to find a qualified locksmith in your area who can perform high-security key service. **41.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **42.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual*. **43.** Do not rely exclusively on the Backup Camera. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **45.** Roof rails not recommended for luggage. **46.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Added vehicle equipment includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Installation of a tow-hitch receiver will disable the touchless sensor in your vehicle's power rear-door liftgate sensor operation setting should be turned off. See *Owner's Manual* for additional limitations. **47.** Lexus provides complimentary maintenance for your first two scheduled visits. To obtain these services, contact your Lexus dealership. Complimentary services applicable for new Lexus vehicle registered owners and service intervals may vary, depending on model. Please refer to the *Warranty and Services Guide* for details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **48.** Tire life may be substantially less than mileage expectancy, depending on driving conditions. **49.** Dynamic Navigation and Dynamic Voice Command are dependent on an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors outside of Lexus' control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **50.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and lexus.com/enform for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **51.** HomeLink and the HomeLink house icon are registered trademarks of Genetex Corporation. **52.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **53.** Automatic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **54.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **55.** EPA-estimated MPG. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **56.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. **57.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **58.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **59.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **60.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **61.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **62.** Genuine Lexus Paint Protection Film by 3MTM is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **63.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **64.** Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and any available equipment. Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly.
