

2016

Legacy

Legacy. It's not just a sedan. It's a Subaru.

See how far **trust** can take you.

Introducing the 2016 Subaru Legacy

Confidence and trust are their own kind of freedom in the new 2016 Legacy, the longest-lasting midsize sedan in its class! Considering that 95% of all Subaru Legacy vehicles sold in the last 10 years are still on the road today,¹ it's no surprise that this is a car that was built to last. What makes it so different? It's the capability of standard Subaru Symmetrical All-Wheel Drive (AWD), the efficiency of 36 highway MPG² and the assurance of an outstanding safety reputation. Legacy. It's not just a sedan. It's a Subaru.

1 | 2016 Legacy

Efficient

AWD + 36 MPG² The new Legacy gets great fuel economy and is as capable as ever, with standard Subaru Symmetrical AWD. Its Lineartronic[®] CVT also ensures you'll get optimal MPG out of its SUBARU BOXER[®] engine.

Engaging

Not much stands in your way with Subaru Symmetrical AWD. The ride feels confident, controlled and definitely engaging. Its **Active Torque Vectoring** also delivers sharp handling and its precision-tuned steering and suspension makes for an especially responsive ride.

Roomy

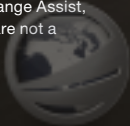

With its **class-leading** passenger room³, the 2016 Legacy is comfortable for all aboard. Plus a refined interior with advanced technology will give you plenty to enjoy. It's also remarkably quiet inside, thanks to excellent aerodynamics, insulation and stiff frame.

Safe

The available **EyeSight[®] Driver Assist Technology** warns you of trouble and can intervene to help you avoid it⁴, while Rear Cross-Traffic Alert helps in parking situations. There's also Blind-Spot Detection⁵ to help alert you to approaching vehicles and SUBARU STARLINK[™] in-vehicle technology with all-new Safety and Security connected services to help keep you and your Subaru safe and sound⁶.

¹ Based on IHS Automotive/Polk U.S. total new light vehicle registrations in the model years 2004 through 2013 (through October 2014) in the non-luxury traditional midsize sedan segment for models which have been on the U.S. market for the entire ten-year time period. ² EPA estimated fuel economy for 2016 Legacy 2.5i at 36 highway MPG. Actual mileage may vary. ³ Based on manufacturer-reported interior volumes according to the EPA's midsize car class as of April 10, 2015. ⁴ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. ⁵ Blind-Spot Detection, Lane Change Assist, Lane Keep Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁶ Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details.

18" Alloy Wheels

SUBARU BOXER® Engine

Keyless Access with Push-button Start

Legacy 3.6R

This Legacy was designed to please. The Legacy 3.6R has been engineered to be efficient at 29 highway MPG¹ and pumps out 256 hp with standard Subaru Symmetrical AWD. Standard HID headlights, 18" alloy wheels, leather-trimmed seats and a 7" high-resolution touchscreen also give the 3.6R a more refined feel.

1 EPA estimated fuel economy for 2016 Legacy 3.6R at 29 highway MPG. Actual mileage may vary.

Engineered to go all out.

STARLINK™ Safety and Security Connected Services

SUBARU STARLINK™ In-vehicle Technology

Dual-mode Heated Rear Seats

Refined Interior

From rich materials to advanced technology, this inviting interior keeps you comfortable and well connected. An available 576-watt equivalent premium audio system with 12 Harman Kardon speakers will keep you entertained in the quiet cabin. There's also the SUBARU STARLINK™ in-vehicle technology offering nearly unlimited entertainment options and now all-new Safety and Security connected services with Automatic Collision Notification, Stolen Vehicle Recovery, and more to help keep you and your Subaru safe and sound! Available rear climate control vents and rear heated seats keep things cozy in back as well, while driver's seat memory offers added convenience up front.

1 Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details.

Legacy 3.6R Limited with Slate Black Leather and optional equipment.

Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light!¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

1 Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror.

Not Dimmed

Dimmed

Settling into this space is anything but settling.

Class-leading Interior Room¹

The inviting cabin of the 2016 Legacy offers 104.6 cubic feet² of space, putting it at the top of its class for cabin room and ensuring that driver and passenger alike can ride in comfort.

¹ Based on manufacturer-reported interior volumes according to the EPA's midsize car class as of April 10, 2015.
² Without available moonroof.

Legacy 3.6R Limited with Slate Black Leather and optional equipment.

An extra set of eyes
every time you drive.

The 2016 Legacy is an **IIHS Top Safety Pick**
for ten years running (2006–2015) and a 2015 **Top Safety Pick+**
with the optional EyeSight® Driver Assist Technology.

– Insurance Institute for Highway Safety (IIHS)

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight®¹ warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Adaptive Cruise Control

Traffic doesn't always flow, so EyeSight® doesn't only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and can even help steer you back into your proper course, thanks to the newest feature from EyeSight®—Lane Keep Assist.

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash.

Better at what **Subaru** does best.

All-new Safety Features

We found a way to make the 2016 Legacy even better at protecting our owners and their vehicles with the all-new STARLINK™ Safety and Security connected services¹. There are standard features like a Rear-Vision Camera and eight airbags² as well, plus exceptional AWD capability to help ensure you'll have control, even in unfavorable weather. There are also available features like Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert³ to offer extra help when you need it.

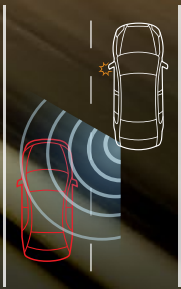

13 | 2016 Legacy

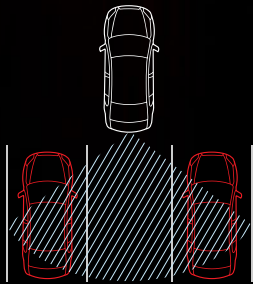

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, **Lane Change Assist**, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.

Rear-Vision Camera

Before you can avoid danger, you have to see it coming. The Legacy features a standard Rear-Vision Camera that gives you a clearer view of the area behind your vehicle, so you can be in charge of your surroundings.

STARLINK™ Safety and Security

Instant access to help when you need it most 24/7, 365 days a year. That's the reassurance of the all-new STARLINK™ Safety and Security connected services¹ that can promptly send first responders when an airbag deploys, help police locate your vehicle if it's stolen, and more.

¹ Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details. ² Always wear seatbelts. Children should be properly restrained in the rear seat. ³ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

Subaru has the **Best Resale Value** of all brands for 2015 according to Kelley Blue Book’s KBB.com!

“The 2016 Subaru Legacy earned the **highest possible front crash prevention** rating by IIHS when equipped with Subaru EyeSight®.”

Insurance Institute for Highway Safety (IIHS)

“At 36 mpg highway, the AWD Legacy delivers **better fuel economy** than even some two-wheel drive competitors.”²

fuelconomy.gov

“The best-selling AWD sedan in America for the past 10 years.”³

“We think it’s an excellent effort, from its **handsome looks and upscale interior** to its wide variety of comfort and safety features. In fact, we’d put the Legacy **near the top of our list** if we were searching for a new family sedan.”

2016 Legacy | Trim Levels

2.5i

- 175-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- SUBARU STARLINK™ 6.2" Multimedia in-vehicle technology system with Pandora®, iHeartRadio®, STITCHER and Aha™ smartphone app integration⁴, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio®, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Cloth upholstery
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- Manually adjustable CFC-free air conditioning system with air filtration
- Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
- 17-inch steel wheels with covers
- Welcome lighting
- Windshield wiper-linked headlights

2.5i Premium

- Includes 2.5i key features and adds:**
- SUBARU STARLINK™ 7.0" Multimedia Plus in-vehicle technology system with Pandora®, iHeartRadio®, STITCHER and Aha™ smartphone app integration⁴, high-resolution LCD touchscreen display, voice-activated controls, AM/FM/CD player, HD Radio®, USB port/iPod® control, SiriusXM® Satellite Radio⁵, Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
 - 17-inch aluminum-alloy wheels
 - 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
 - Dual-zone automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Driver's and front-passenger's auto-up/down power windows
 - Electroluminescent gauges with LCD color display
 - STARLINK™ Safety Plus enabled⁶: Automatic Collision Notification, SOS Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts

2.5i Limited

- Includes 2.5i Premium key features and adds:**
- Premium audio system with 12 Harman Kardon GreenEdge® speakers, including center dash speaker and subwoofer, Harman Kardon 576-watt equivalent GreenEdge® amplifier
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁷
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats and dual mode heated rear seats, windshield wiper de-icer
 - Leather-trimmed upholstery
 - 10-way power adjustable driver's seat with 2-position memory. 4-way power adjustable front-passenger's seat.
 - 18-inch machine finish two-tone aluminum-alloy wheels
 - Fog lights
 - Woodgrain-patterned matte finish accent trim
 - Side mirrors with integrated turn signals

3.6R Limited

- Includes 2.5i Limited key features and adds:**
- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
 - HID low-beam headlights
 - Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
 - Dual bright-finish exhaust outlets

Maximum towing capacity	1,500 lbs	●	●
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
Vehicle Dynamics Control (VDC)	Standard VDC electronic stability control utilizes sensors, which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined²	26/36/30 mpg	20/29/23 mpg
Fuel Requirement	Unleaded gasoline (87 octane)	●	●
Fuel Capacity	18.5 gallons	●	●

— Not equipped

□ Available retailer-installed accessory

Rear Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Trunk Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

All-weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture. Not intended for use on top of carpeted floor mats.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim. Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Fog Lights. Cast a low and wide beam of light to enhance vision in inclement weather.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime. This accessory reduces vehicle ground clearance.

Auto-dimming Mirror with Compass and HomeLink®. Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

Remote Engine Starter—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access with Push-button Start system. Operating distance is up to 30 feet depending on obstructions.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 94% of all the vehicles we've sold in the last 12 years are still on the road today.¹¹ We also share your desire for a cleaner, greener world. Select 2016 Legacy 2.5i models achieve Partial Zero Emission Vehicle—PZEV¹—status, because of their exceptionally low emissions. What's more, in 2004, Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, NJ.

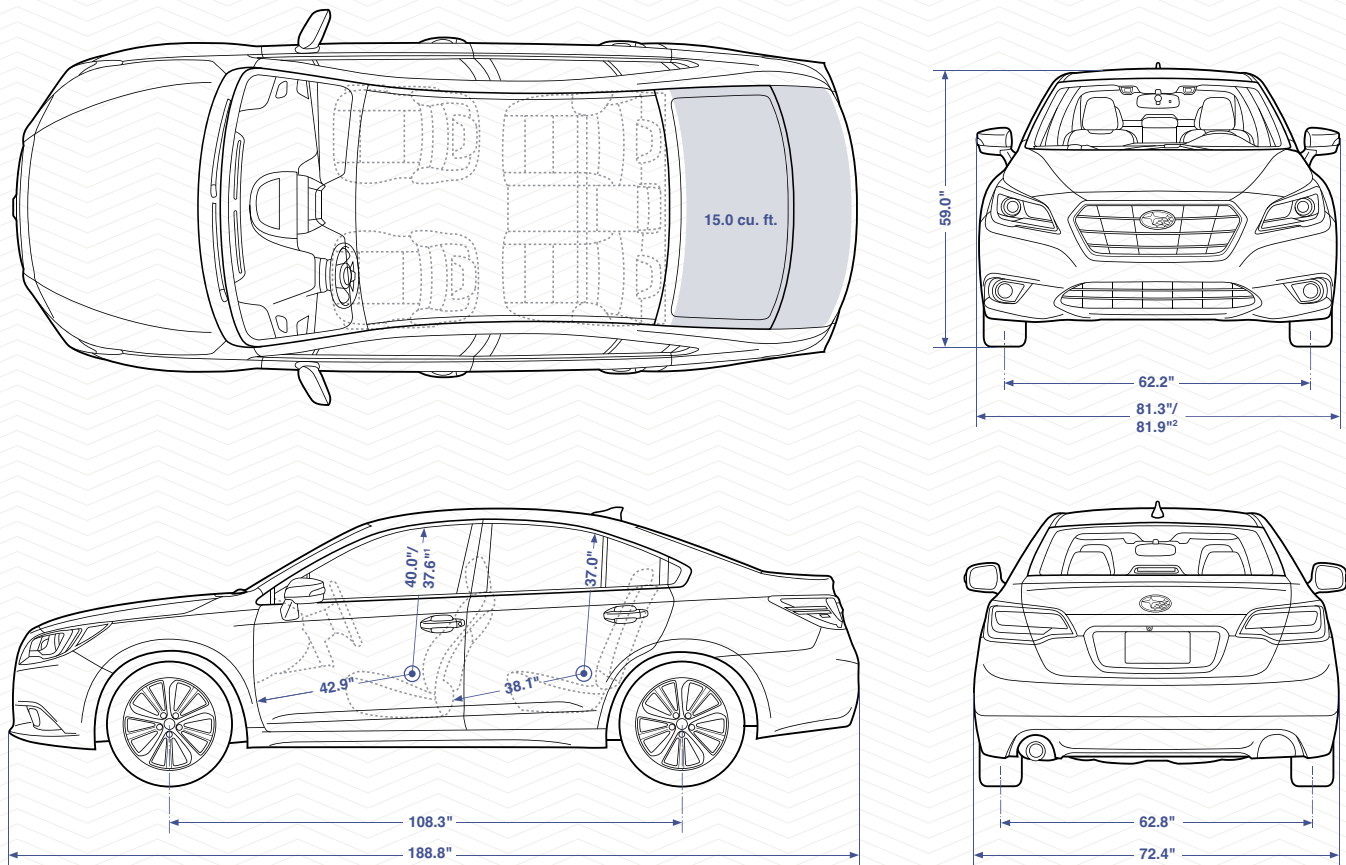

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.	
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.	
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	• Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.	
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.	

1 2016 Legacy 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2016 EPA fuel economy estimates. Actual mileage may vary. 3 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 4 Requires additional features. See Optional Equipment listing. 5 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impacts. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. The Lane Departure and Sway Warning with Lane Keep Assist operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash. 8 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 9 Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details. 10 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. 11 Based on IHS Automotive: Polk U.S. Total Registrations MY2003–October 2014.

2016 Legacy | Dimensions
