**Basic Limited Warranty** coverage is 3 years/36,000 miles, whichever occurs first, provides bumper-to-bumper coverage of your vehicle, from the body to the electrical system.

**Limited Powertrain Warranty** applies to original owner only, effective with 2026 model year vehicles. Second and/or subsequent owners have powertrain components coverage under the 5-Year/60,000-Mile New Vehicle Limited Warranty (5-Year/100,000-Mile for Diesel Engines).

**Corrosion Protection** covers the cost of all parts and labor needed to repair or replace any sheet metal panels that get holes from rust or other corrosion. If a hole occurs because of something other than corrosion, this warranty does not apply. Cosmetic or surface corrosion may be covered under the warranty. The cause of cosmetic or surface corrosion will determine if there is coverage. Cosmetic or surface corrosion resulting from stone chips or scratches in the paint is not covered.
