

2026 RAM 1500

RDT26US4_178

NOTHING STOPS RAM. It's not just a tagline—it's a promise. The 2026 Ram 1500 brings uncompromising strength, proven capability and real-world technology that truck owners count on. With two available 3.0L Hurricane I6 engines and the return of an iconic HEMI® V8—this lineup delivers serious horsepower and torque. On the road, on the job and everywhere in between, Ram 1500 is built to boldly conquer because *Nothing Stops Ram*.

RDT26US4_114

Properly secure all cargo. Always tow within the vehicle's capacity.

DEPTH	21.4 (543)	21.5 (545)
TAILGATE OPENING WIDTH	60.0 (1,525)	60.0 (1,525)

Notes regarding the payload and towing charts above: numbers in black boxes reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in lb unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload = GVWR – Base Weight. 5. Trailer Weight Rating (TWR) and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807. Passenger Weight = 300 lb. Options Weight is option content above 33 percent of sales volume. Trailer Equipment Weight = Class IV Hitch Receiver is 11.1 lb (if not already included in Options Weight). Trailer Hitch is 10 lb if TWR is less than or equal to 5,000 lb, and 65 lb if TWR is greater than 5,000 lb. 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GAWRs, GVWRs and GCWRs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. 9. Weight-Distributing Hitch is recommended for trailers over 5,000 lb.

WE'RE BACK

We're celebrating more than just the return of the legendary HEMI® V8 engine. After a 13-year hiatus, Ram is roaring back onto the track in 2026, rejoining the NASCAR® Craftsman Truck Series. This comeback is pure Ram: loud, proud and built to move. Nothing Stops Ram.

1 Check state and local laws regarding the use of remote start systems. 2 Always sit properly in designated seating positions with seat belts securely fastened at all times. 3 Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. 4 Always check entire surroundings visually before proceeding. 5 This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 6 Always check visually for vehicles prior to changing lanes. 7 This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 8 Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. 9 All SiriusXM services require a subscription, sold separately by SiriusXM, after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement and Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 10 Lone Star model available only in Texas. 11 Never operate the vehicle with the seats reclined to the extent that the seat belts are not secure and flat against your torso. 12 SiriusXM with 360L is only available on select vehicles. Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by subscription plan. Features and display may vary by vehicle. 13 Vehicle must be locked and system activated for alarm to sound. 14 This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 15 Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. 16 Max payload/towing ratings shown are for base configuration. Additional options, equipment, passengers and cargo weight may affect payload/towing weights. Contact dealer for details. 17 Assumes properly equipped vehicle and 150-lb allowance for driver. Additional options, equipment, passengers and cargo weight must be subtracted. Contact dealer for details.
