- Panoramic glass roof with sunshade and front power tilt/slide moonroof
- Panoramic View Monitor and backup camera with dynamic gridlines
- Leather-trimmed front- and second-row seats with heated and ventilated front seats; heated second-row seats

PERFORMANCE

The power to explore.

## Capable Powertrain

A 2.4-liter turbo 4-cylinder engine provides 265 horsepower with 310 lb.-ft. of torque. With that, and an up to 25 EPA-estimated combined mpg rating, Highlander is ready to take on the day.

## Impressive Efficiency

Whether you're driving around town or venturing out to see what nature has to offer, Highlander Hybrid has a 35 EPA-estimated combined mpg rating to help give you the freedom to do both.

## Drive Modes

Three distinct modes let you tailor every drive to your mood. Sport Mode provides sharper acceleration, Eco Mode helps maximize fuel efficiency, and Normal Mode blends fuel economy with performance.

## Hybrid Drive Modes

From Normal Mode for everyday drives to the efficiency of Eco, enhanced acceleration of Sport, electric-only function of EV Mode, or added traction of Trail Mode, Highlander Hybrid lets you choose how it performs.

## Towing Capacity

The epitome of power and smoothness. Highlander's 2.4-liter turbo engine flexes some muscle with its up to 5000-lb. towing capacity.

## Multi-Terrain Select

Capable even when the pavement ends, Highlander features Multi-Terrain Select (MTS) on All-Wheel Drive (AWD) models. Choose between four modes (Mud & Sand, Rock & Dirt, Snow, and Normal) for enhanced traction.

EXTERIOR

**Designs that dare to be different.**

## **Captivating Exterior Design**

Highlander's bold design is hard to ignore. Its sculpted shape and contoured lines strike the perfect balance of power and refinement. Meanwhile, Highlander's available array of stunning exterior colors sets a standard for curb appeal.

## **Rain-Sensing Wipers**

Highlander helps you enjoy a clear view, rain or shine. When falling rain is detected, available rain-sensing wipers activate and adjust their speed based on weather and driving conditions.

## **20-In. Wheels**

Highlander shows off more style with its available 20-in. alloy wheels. Standard on XSE, Limited and Platinum, available 20-in. alloy wheels amplify Highlander's sleek look.

## **Hands-Free Power Rear Liftgate**

No hands? No problem. When you need to engage its available hands-free power liftgate, Highlander senses your Smart Key fob and is designed to open automatically when you kick your foot under the rear bumper.

## **LED Headlights**

The dynamic front end of Highlander shows off its modern look. The stylish, standard LED headlights provide a crisp, clean light, while available auto-leveling LED projector-beam headlights help keep light aimed down at the road for better visibility.

## **Limited 25th Edition**

Elevating the aesthetics of Highlander's hybrid powertrain, Highlander Hybrid's stylish frame is accentuated by silver-tone front and rear lower bumpers and side rocker panels with chrome-plated lower trim that amplify its classic look. Honoring 25 model years of automotive excellence, the distinctive 25th Edition's rear badging serves as a special tribute to Highlander's long-standing legacy.

INTERIOR

**Where bold design meets everyday elegance.**

## **12.3-In. Digital Gauge Cluster**

Standard on Limited and Platinum, the 12.3-in. digital gauge cluster presents turn-by-turn directions, safety info, alerts and more, all at a glance, so you can keep your eyes on the road.

## **Panoramic Moonroof**

Follow the stars above with Highlander's available panoramic moonroof with front power tilt/slide. Open it up to catch a breeze and enjoy the wide-open view, or easily find cover with a power-retractable sunshade.

## **Third-Row Seating**

Highlander's roomy interior gives you enough space to seat up to eight, making it great for larger crews.

## **Heated and Ventilated Front Seats**

Available heated and ventilated front seats cool down or warm up on demand, while available heated second-row seats can help keep passengers comfortable. Simulation shown.

## **Panoramic View Monitor**

Using four cameras, Highlander's available Panoramic View Monitor (PVM) helps you check your surroundings for hazards by displaying a panoramic view on the touchscreen display.

## **25th Edition Interior**

25th Edition's illuminated doorsills add a welcoming glow, and a rich Portobello colorway sets the tone throughout the cabin. Embossed front headrests, exclusive floor mats and an all-weather cargo liner upgrade your ride with their 25th Edition emblem.
