## COMFORT

When you're the host, QX80 has your guests' comfort handled. The **UV and IR cut glass** windows help reduce the effects of outside light, heat and ultraviolet and infrared rays. ## INFOTAINMENT

With **Google built-in**, you can access your favorite apps, including maps, music and more, with just your voice.<sup>5,6</sup> As you listen, the 24 high-performance speakers of the available **Klipsch Reference Premiere™ Audio System** can help bring out the emotion and clarity of every note. When a call comes in, available **Individual Audio** helps to create an isolated sound zone so the driver can converse while passengers continue to jam.<sup>7,23</sup>

## DRIVER ASSIST

As you maneuver, the **3D Around View® Monitor** gives you eight exterior views of the QX80 in one image, while **Invisible Hood View** allows you to peer through the front of the vehicle to spot potential obstacles.<sup>3,8</sup> As you cruise the expressway, available **ProPILOT Assist 2.1** can help keep you centered in your lane, allowing you to drive virtually hands-off.<sup>9</sup>
