

2022 FORD
EDGE®

POWERFUL,
MEET EMPOWERING.

The 2022 Ford Edge® SUV. It's here, where stylish good looks command attention, and standard Ford Co-Pilot 360™¹ Technology and SYNC® 4² with available Enhanced Voice Recognition help you feel confidently in command of the road. Different trim levels let you choose the Edge that fits your style. And, with 2 EcoBoost® engines to choose from – and available Intelligent AWD – Edge has the power to let you confidently push things to the limit.

Titanium. Rapid Red Metallic Tinted Clearcoat.² Available equipment.

IN HERE, YOU'RE IN CONTROL.

Just push start and go. With the Intelligent Access key fob, you can lock and unlock your doors just by touching the door handle, while push-button start gets you going without having to use a key. The 12" LCD touchscreen with available voice-activated SYNC® 4¹ with Enhanced Voice Recognition quickly responds to your voice prompts, so you can easily control available navigation, play your music, or interact with your phone while keeping your eyes on the road and your hands on the wheel.

Stay warm on cooler days with available heated front seats and steering wheel. Move the available 8-speed transmission from Park to Reverse to Drive with a simple turn of the finely tuned rotary gear shift dial. Listen to music your way thanks to the available B&O® Sound System with 12 speakers that have been carefully selected to achieve optimal performance levels.

DESIGNED WITH YOUR
COMFORT IN MIND.

Get comfortable in the available 10-way power-adjustable driver's seat – available in either unique cloth, ActiveX™ Trimmed Seats, or leather-trimmed – or sit in back and enjoy the convenience of the 60/40 split rear seat with fold-down armrest, and you'll quickly discover that comfort doesn't take a back seat in the Ford Edge® SUV. An available power, panoramic Vista Roof® opens with the touch of a button to let natural light flood the cabin. And with space for up to 5 people, 8 cupholders for beverages, and 4 USB ports to help keep your devices charged and ready to go, when it comes to your comfort, Edge thought of everything.

VERSATILITY TO FIT YOUR LIFE **AND YOUR STUFF.**

No matter what your day holds, the Ford Edge® SUV is ready for it. An available EasyFold® seat release for the 60/40 split rear seats lets you maximize cargo space¹ with the touch of a button, so you can fold both sides of the seat down to accommodate larger objects, or leave one side up to carry cargo and passengers at the same time. Clever storage spots and an available cargo net help keep things organized and easily accessible. And, when your hands are full, an available hands-free, foot-activated liftgate opens with a simple wave of your foot under the rear bumper – all while keeping your key fob in your pocket or purse.

There's a lot that goes into your everyday. Fortunately, a lot can go into your Edge, too.

FORD CO-PILOT360 ASSIST+
ADAPTIVE CRUISE CONTROL
WITH STOP-AND-GO AND LANE CENTERING

Once activated, this available feature can help you maintain a preset distance from the vehicle in front of you, and can bring your vehicle to a stop if traffic ahead has stopped or slowed! Once things clear, your set speed is resumed.² The system's Lane Centering feature even scans lane markings to help keep your vehicle centered between the lines.¹

CONFIDENCE

YOU CAN COUNT ON.

Changing lanes. Keeping your distance. Helping avoid potential collision hazards. Our well-rounded collection of standard and available Ford Co-Pilot360™ Technology driver-assist features can help you in a variety of situations and conditions to help you confidently command the road.¹

THE POWER TO MOVE YOU.

Whether you choose the 2.0L twin-scroll turbocharged, direct-injection engine with a quick-shifting 8-speed automatic transmission, or the available 2.7L twin-turbocharged, direct-injection engine with an optimized 7-speed automatic transmission – the Ford Edge[®] SUV has the power to get you there. Not to mention the smarts to know what power is needed – and when. Like with Intelligent All-Wheel Drive (AWD) with AWD disconnect that allows for the disconnection of the rear driveline when the system detects that AWD is not needed. And, to help reduce fuel consumption during stop-and-go city driving, standard Auto Start-Stop Technology shuts off the engine when you come to a complete stop, then seamlessly restarts it when you release the brake pedal.

ELITE PACKAGE

It's everything you'd expect from the Titanium – and then some. In fact, nearly every driver-assist feature that Edge offers comes in this available package, including: a front 180-Degree Camera with Split View¹ that provides a cross-traffic view in front of your vehicle, and Enhanced Active Park Assist¹ that helps make parallel parking easier. Select the available Medium Soft Ceramic interior. Or choose the Ebony interior with Brunello door-trim inserts and Brick Red stitching, and front and rear floor mats with an embroidered Edge logo and accent stitching in Brick Red to make the interior of this Titanium even more distinguished.

TITANIUM ELITE PACKAGE:

(requires 301A):² Enhanced Active Park Assist; 20" polished aluminum wheels (P245/50R20 A/S tires); chrome grille accents and surround; bright inserts in front bumper; body-color lower bodyside moldings with bright inserts; Ebony interior includes unique appliques on the instrument panel and center console and Brunello seat inserts; Brunello door inserts with unique accent stitching; and carpeted floor mats with embroidered Edge logo

ST

The dynamic Edge ST model instantly stands out from the crowd with design cues like a Gloss Black-painted wide-mouth mesh grille, ST badging, and dual trapezoidal exhaust tips. And, thanks to a 335-horsepower^{1,2} engine with 380 lb.-ft. of torque^{1,2} – specially tuned by the Ford Performance Team – it's a standout when it comes to power, too. Racing-inspired paddle shifters enhance your control of the optimized 7-speed automatic transmission with SelectShift[®] capability. A Ford Performance-tuned suspension provides dynamic handling. And standard Intelligent all-wheel drive (AWD) helps give you maximum traction when you need it most. Take things to the next level by tapping the Sport mode button to sharpen the throttle response and program the transmission shift points to a more aggressive setting, and see just how much this ST can deliver.
