

TOYOTA

2026 Corolla Cross

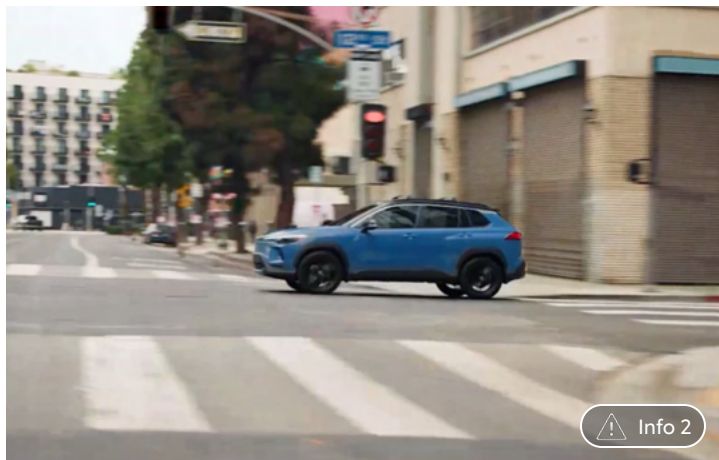

2026 COROLLA CROSS

Hit the road and let your story unfold.

Crush your goals with power that keeps you going, style that keeps it fresh, and room to kick it with your crew. Corolla Cross does what Corollas do best: turn every drive into a tale worth telling.

Power for every plot twist and turn.

Powertrain Options

Power your way. Corolla Cross offers both gas and hybrid powertrain options, giving you the perfect balance of power and efficiency to match your lifestyle.

Hybrid Performance

Smart, sporty and efficient. With its 42 combined EPA-estimated mpg rating ¹ and sport-tuned suspension, Corolla Cross Hybrid makes every drive feel fresh and fun.

Gas Powertrain

Corolla Cross' 2.0L engine brings a rugged vibe and the oomph to get you where you're going. An EPA-estimated combined 32 mpg rating ¹ keeps the fun rolling as the suspension smoothly adapts to every twist and turn.

PERFORMANCE

All-Wheel Drive

When the road gets rough, drive on with confidence. Corolla Cross' available All-Wheel Drive (AWD) can intelligently give you the extra traction you need to take on the road ahead.

Paddle Shifters

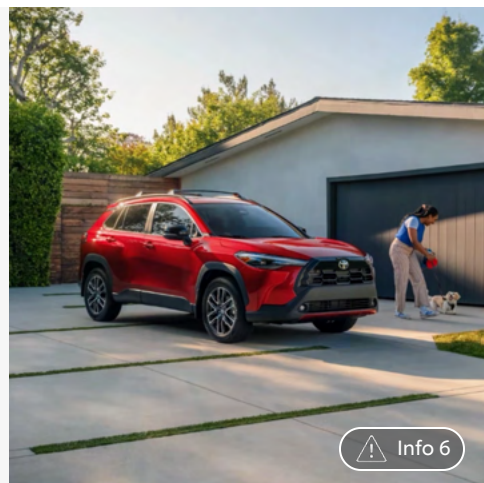

Enjoy the best of both worlds with the convenience of an automatic transmission and the sporty feel of a manual drive. Corolla Cross Hybrid's available paddle shifters allow you to manually shift up or down directly from the steering wheel.

Built to turn dreamers into doers.

Exterior

Impressive Style

Bold, rugged and impossible to ignore. Corolla Cross brings fresh attitude with a striking new grille insert and a silhouette that means business.

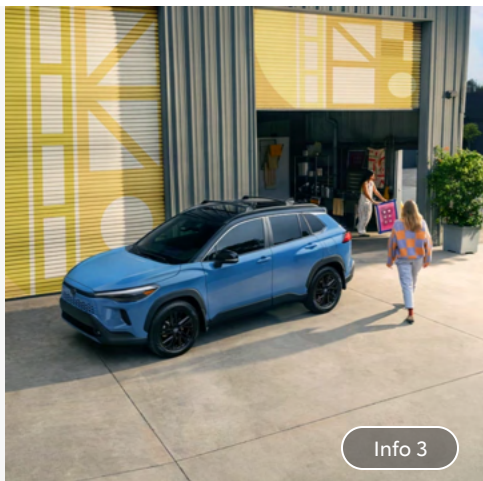

A Perfect Fit

Impressive in looks and versatile in size. With Corolla Cross' seating for up to five and a spacious rear cargo area, your possibilities are endless.

18-In. Alloy Wheels

Complementing Corolla Cross' athletic stance are available gloss-black painted, edgy 18-in. alloy wheels that balance a look that's sporty and chic.

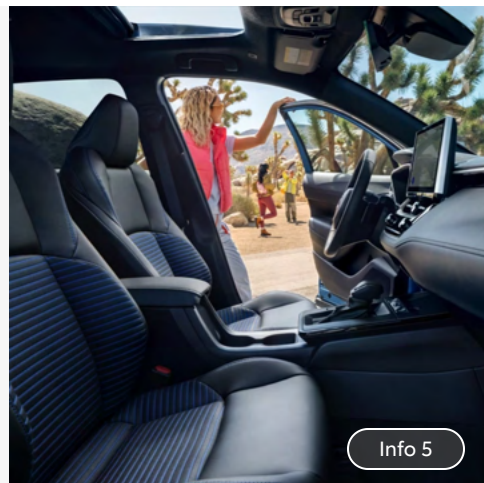

Hybrid Flair

Corolla Cross Hybrid's sleek, high-tech grille, dynamic two-tone design and new bumper inspire you to take your next step with confidence.

Interior

Spacious Interior

Corolla Cross' 8.1-in. ground clearance and ample head room naturally provide a heightened view over traffic, for a more confident drive.

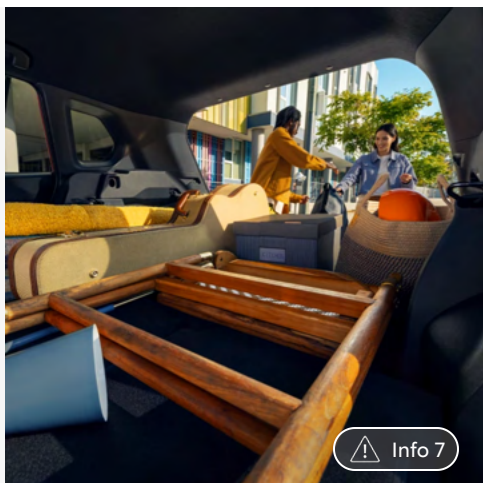

Heated Front Seats and Steering Wheel

When things get chilly, the available heated steering wheel and heated front seats bring the warmth.

Rear Seat Vents

Keep your rear passengers in the comfort zone. With standard rear-seat vents, everyone riding in Corolla Cross feels right at home.

Cargo Capacity

60/40 rear seats provide adaptable cargo space that gives you flexibility to pack for road trips, getaways and everything in between.

Big screens. Bold experiences.

12.3-In. Digital Gauge Cluster

The available 12.3-in. digital gauge cluster lets you see Corolla Cross' vitals at a glance. Use the steering wheel-mounted controls to keep track of real-time driving data, turn-by-turn directions, safety information and alerts—all while keeping both hands on the wheel.

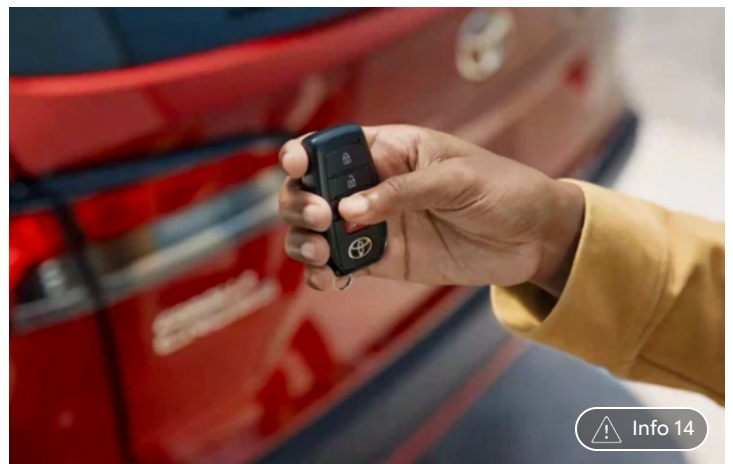

Blind Spot Monitor With Rear Cross-Traffic Alert

Available Blind Spot Monitor (BSM)⁸ with Rear Cross-Traffic Alert (RCTA)⁹ helps you identify vehicles that might be in a blind spot. When you use your turn signal and BSM detects a vehicle, it warns you with a flashing indicator light on the appropriate outside mirror. Rear Cross-Traffic Alert provides audible and visual indicators to help warn you of approaching vehicles when you're backing up.

Front and Rear Parking Assist With Automatic Braking

Ease into tight spaces with more confidence, thanks to Corolla Cross' available Front and Rear Parking Assist with Automatic Braking (PA w/AB).¹⁰ It warns you when it detects nearby obstacles and, if necessary, under certain conditions, will reduce engine power and apply the brakes.

Power Liftgate

Corolla Cross' available power liftgate¹¹ gives you access to the rear cargo area with ease. Just press a button on the key fob or liftgate, and it will open or close automatically. You can also adjust the opening height if you find yourself in tight spaces.

Qi-Wireless Charging

No wires? No worries. Simply place your compatible device on the available Qi-compatible wireless charging ¹² pad to power up automatically without the need to plug anything in.

Smart Key System

Corolla Cross has an available Smart Key System that allows you to unlock the doors and trunk, plus start the engine, with just the push of a button.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM® ¹⁶ has premium entertainment that you won't hear anywhere else. With a SiriusXM® 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

10.5-In. Audio Multimedia Touchscreen

A highly responsive experience. Corolla Cross' available 10.5-in. audio multimedia touchscreen is a vibrant hub for all your directions, music and entertainment.

Wireless Apple CarPlay®

Bring along a familiar interface. With Corolla Cross' wireless Apple CarPlay® ¹⁷ compatibility, you can use your compatible iPhone® ¹⁸ with the multimedia system to get directions, make calls, send and receive messages plus listen to music, all while staying focused on your drive.

Wireless Android Auto™

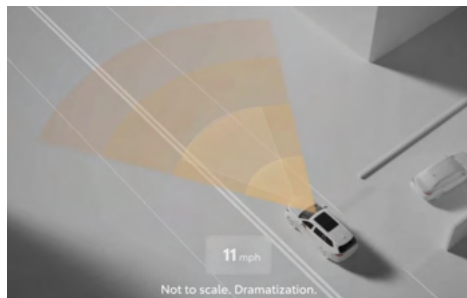

Stay connected on the road. By pairing your compatible Android™ ¹⁹ phone with the audio multimedia system, Android Auto™ ²⁰ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

JBL® Premium Audio

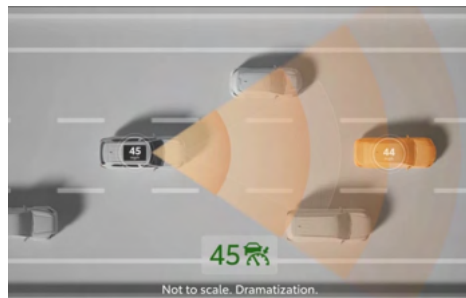

Enjoy the soundtrack of every drive. Corolla Cross' available JBL® ²¹ Premium Audio system utilizes nine speakers, including a subwoofer, to produce phenomenal sound for an immersive experience.

Toyota Safety Sense™ 3.0 ²⁶

Pre-Collision System With Pedestrian Detection

PCS w/PD ²⁷ can alert you to potential collisions and may automatically brake.

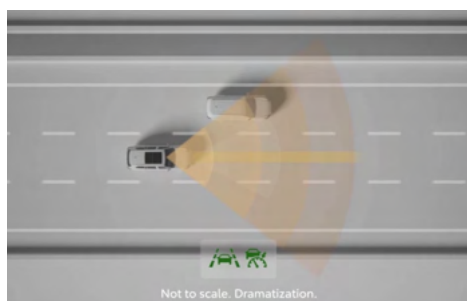

Full-Speed Range Dynamic Radar Cruise Control

DRCC ²⁸ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ²⁹ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ³⁰ helps you center the vehicle within its lane while DRCC ³¹ is active.

MORE FEATURES

Road Sign Assist

RSA ³² can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

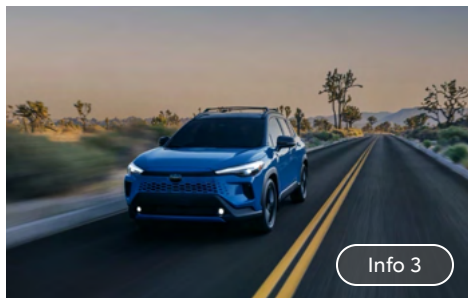

AHB ³³ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ³⁴ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Safety & Convenience

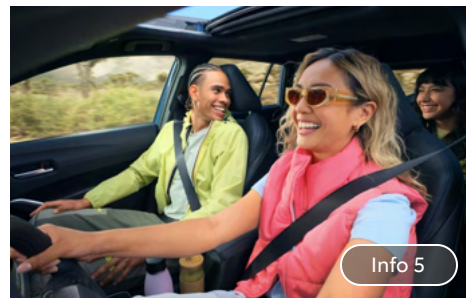

LED Headlights

Corolla Cross' standard LED headlights helps make sure your path stays bright with their crisp clean light leading the way.

Fog Lights

Designed to integrate seamlessly into the lower front end of Corolla Cross, available LED fog lights help to cut out the glare from fog to improve your view of the road.

Nine Standard Airbags

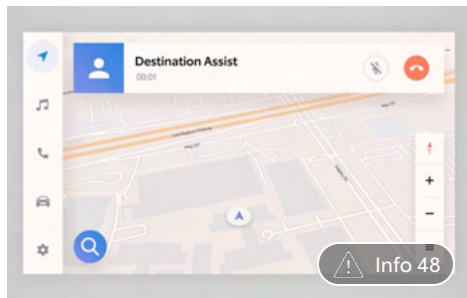

Corolla Cross comes standard with a driver and front passenger Advanced Airbag System with driver and front passenger seat-mounted side airbags, driver knee airbag, rear side airbags (right and left), in addition to driver and front passenger side curtain airbags—nine airbags total. ³⁵

No Cost Maintenance Plan

Every new Toyota Corolla Cross comes with ToyotaCare, ³⁶ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Connected Services

Drive Connect

With an active Drive Connect subscription,³⁷ the Cloud Navigation³⁸ and Intelligent Assistant³⁹ features help you find where you need to be, while Destination Assist⁴⁰ allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select grades. 4G network dependent.

Wi-Fi Connect

Turn Corolla Cross into a hotspot. With an active Wi-Fi Connect trial or subscription,⁴¹ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up to 30-day or 3-GB trial to get you started. 4G network dependent.

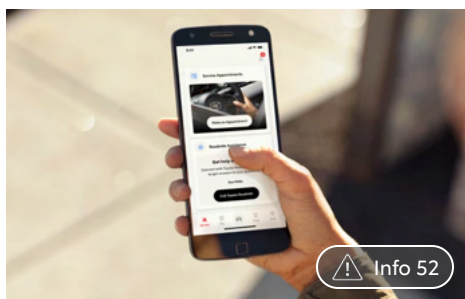

Remote Connect

Corolla Cross is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁴² you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app⁴³ through your compatible smartphone or smartwatch. 1-year trial included on select grades. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁴⁴ You also get 24/7 Roadside Assistance⁴⁵ and Stolen Vehicle Locator⁴⁶ to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 4G network dependent.

Service Connect

Stay up to date with your Corolla Cross' information, such as status and alerts, maintenance reminders and more.⁴⁷ It's a convenient way to help make sure your Corolla Cross is running at its best. 5-year-minimum trial included. 4G network dependent.

Two ways to roll into next-level moments.

Info 53

2.0L 4-Cylinder Gas Powertrain

A traditional internal combustion engine that runs on gasoline, offering efficient and reliable refueling at any gas station.

2.0L 4-Cylinder Hybrid Powertrain

Hybrid Electric Vehicles use a combination of gas engine and electric motor(s) to maximize power and efficiency.

Info 3

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Toyota Corolla Cross is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Corolla Cross Hybrid is a part of the Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its plastic waste, supporting water conservation efforts, or expanding programs that protect critical species, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

INFO AND DISCLOSURES

1. EPA-estimated 31 city/33 hwy/32 combined mpg rating for 2026 Corolla Cross L FWD, LE FWD and XLE FWD; projected EPA-estimated 29 city/31 hwy/30 combined mpg rating for 2026 Corolla Cross L AWD, LE AWD and XLE AWD; projected EPA-estimated 46 city/39 hwy/42 combined mpg rating for 2026 Corolla Cross Hybrid S, SE and XSE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 2. XLE shown in Soul Red Crystal and Hybrid XSE shown in Cavalry Blue with Jet Black roof. Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. Prototypes shown with options. 3. Hybrid XSE shown in Cavalry Blue with Jet Black roof. Prototype shown with options. 4. Never tow beyond a vehicle's published towing capacities. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Follow all instructions in your Owner's Manual. Do not overload vehicle and properly secure roof load. See Owner's Manual for weight limits and restrictions. XLE shown in Soul Red Crystal. Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. Prototype shown with options. 5. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 6. XLE shown in Soul Red Crystal. Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. Prototype shown with options. 7. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 8. Do not rely exclusively on the Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 9. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 10. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. 11. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. 12. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 13. Hybrid XSE shown in Cavalry Blue with Jet Black roof. Prototype shown with options. Simulation shown. 14. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. XLE shown in Soul Red Crystal. Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. Prototype shown with options. 15. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 16. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 17. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. 18. iPhone® is a registered trademark of Apple Inc. All rights reserved. 19. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. 20. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. 21. JBL® is a registered trademark of Harman International Industries, Inc. 22. Screen depiction accurate at time of posting. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 23. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Screen depiction accurate at time of posting. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 24. Screen depiction accurate at time of posting. XLE interior shown in Portobello SofTex® trim. Prototype shown with options. 25. JBL® is a registered trademark of Harman International Industries, Inc. Hybrid XSE interior shown in Black SofTex® and fabric trim with Blue accent stitching. Prototype shown with options. 26. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. 27. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. 28. Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. 29. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. 30. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. 31. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. 32. Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. 33. Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. 34. Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. 35. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and

INFO AND DISCLOSURES

in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **36.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **37.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **38.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **39.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **40.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **41.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **42.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **43.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **44.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **45.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions

Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. Available Service Connect. **53.** Do not overload vehicle and properly secure roof load. See Owner's Manual for weight limits and restrictions. XLE shown in Soul Red Crystal. Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. Prototype shown with options. **54.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **55.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **56.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **57.** Extra-cost color. **58.** Soul Red Crystal and Soul Red are trademarks of Mazda Motor Corporation. **59.** Softex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **60.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **61.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **62.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **63.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **64.** The engine immobilizer is a

INFO AND DISCLOSURES

state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **65.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **66.** The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner's Manual for additional details. **67.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **68.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. **69.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **70.** Meets Tier 2/Bin 3 Federal emissions standard.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
