Create your Explorer

Technology

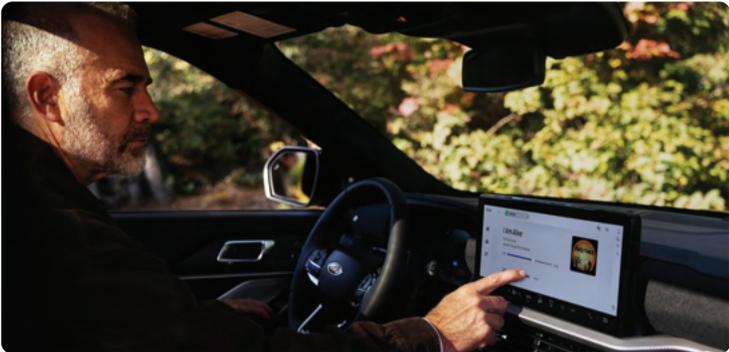

Feel More Confident

Blind Spot Information System & Adaptive Cruise Control

Alerts you to vehicles in the lanes beside you and traffic crossing behind you when backing up.

Adaptive Cruise Control with Stop-and-Go and Lane Centering can help you maintain your preferred speed, slow and stop your vehicle in heavy traffic, resume your set speed when things get moving again, and keep your vehicle centered in its lane.

Ford Digital Experience

See your Google apps and vehicle settings in stunning clarity with a beautiful new design and high resolution standard 13.2-inch touchscreen.

Hands-Free Highway Driving

Ford BlueCruise is an available hands-free highway driver-assist feature designed to help make driving easier, more enjoyable, and less stressful.

Design

Interior

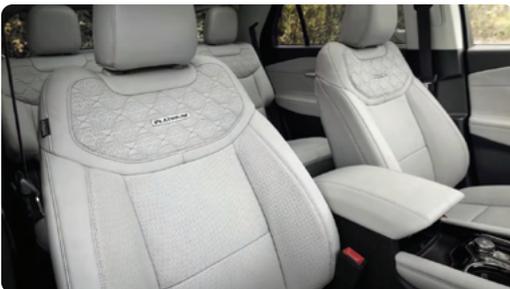

Wireless Charging

Easily charge select smart phone devices without cords or plugs.

Ambient Lighting

Set the mood and personalize the lighting color inside your Explorer.

Seating Materials

Customize the comfort of your Explorer with the ease of cloth, or the luxury of leather and multicontour massaging seats.

Cargo Capacity

Your gear, your stuff, your essentials and must-haves. Whatever you call it, Explorer lets you bring along 85.3 cubic feet of it. Explorer Active offers 85.8 cubic feet.

Design

Exterior

Grille Options

From Black Mesh with Chrome Bars to Satin Chrome and Ebony, Explorer® SUV offers a front-end that fits your personality.

Power Liftgate

Standard on Explorer, the power liftgate helps make life a little easier.

ST & ST-Line

With premium wheels, red brake calipers, available black-painted roof, mesh grille, and Vapor Blue Metallic Paint, standing out from the crowd is inevitable.

Performance

Capability is a Sport

Towing Standard on All Models

The 2025 Ford Explorer is equipped with the Class III Trailer Tow Package, allowing you to tow up to 5,000 pounds. Standard on all 2025 Explorer models, side-wind stabilization is designed to help the driver keep the vehicle on its path when encountering high or gusty winds. Working with AdvanceTrac with RSC (Roll Stability Control), standard Trailer Sway Control selectively brakes and adjusts engine power to help you maintain command. Whether trailering a camper, ATVs or something else, our handy towing guide will help determine if this SUV is capable of towing what you need.

Engine Options

- 2.3L EcoBoost® I-4 Engine: Power you can count on, with 300 hp and 310 lb.-ft. of torque.
- 3.0L EcoBoost® V6 Engine: Turbocharging and direct injection churn out 400 hp and 415 lb.-ft of torque.

Smooth Ride

- **SelectShift® Capability:** Turn your automatic transmission into an on-demand manual one with conveniently placed paddle shifters, only available on the ST model.
- **10-Speed Transmission:** The automatic transmission helps with smooth gear shifts, while also helping to provide power for your performance and towing needs.
