

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

TAKE ON A BIGGER, BOLDER WORLD in a capable crossover with aggressive style. Load up in a snap, adapt for adventure and move confidently with new available technologies, like ProPILOT™ Assist,¹ that can give you a hand with your daily drive. Where to? Call up directions, friends, and music at the touch of a button.² The 2018 Nissan Rogue® **TAKE ON TODAY.**

¹It is the driver's responsibility to remain alert with hands on steering wheel, keeping a look out for other vehicles and pedestrians at all times. ²Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. Nissan Rogue® SL AWD shown in Gun Metallic with accessory Chrome Rear Bumper Protector.

A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility empowers you with tomorrow's technology so you can take on today. You'll make every move with greater awareness and can get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel – the way driving was always meant to be. (Availability of features varies by trim)

Automatic
Emergency
Braking¹

Blind Spot

Rear Cross
Traffic Alert³

Intelligent Lane
Intervention⁴

NISSAN PROPILOT™ ASSIST

Feel free to let go of driving stress. With Nissan ProPILOT™ Assist, Rogue® helps out with daily driving – following the car ahead at a preset distance, or helping keep you centered in your lane. It can even bring your Rogue to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again.⁵

NISSAN MOTION ACTIVATED LIFTGATE

Now you've got easier access to your Rogue than ever before. Hands full? Just kick under the rear bumper to open the available Motion Activated Liftgate, without reaching for a key or juggling whatever you're carrying.⁶

NISSAN DIVIDE-N-HIDE®

Single-handedly reinventing capability, the class-exclusive Divide-N-Hide cargo system lets you adapt in a snap.⁷ An adjustable set of shelves and dividers gives you a variety of configurations, and it's so easy, you can do it with one hand.

¹AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ²BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ³Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁴ILI operates only when the lane markings are clearly visible. Speed and other limitations apply. See Owner's Manual for details. ⁵It is the driver's responsibility to remain alert with hands on steering wheel, keeping a look out for other vehicles and pedestrians at all times. ⁶Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁷AutoPacific segmentation. 2018 Rogue® vs. latest in-market competitors in 2017 XSUV Mainstream Midsize Class. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Images may show additional available equipment. ¹Intelligent Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. ²Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Information displayed is dependent on how vehicle is equipped. ⁴Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. ⁵Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁶Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. ⁷Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁸Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁹BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹⁰Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ¹¹AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ¹²Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ¹³TPMS is not a substitute for regular tire pressure checks. ¹⁴Vehicle must be on for the Easy-Fill Tire Alert to operate. ¹⁵State and local laws, regulations or ordinances may apply based on the location of the vehicle. ¹⁶Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁷ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ¹⁸Intelligent Around View® Monitor cannot completely eliminate blind spots and may not detect every object. Operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ¹⁹AEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ²⁰DW and LLI operate only when the lane markings are clearly visible. Speed and other limitations apply. See Owner's Manual for details. Android Auto™ is a trademark of Google, Inc. Apple CarPlay™ is a trademark of Apple, Inc.
