SET**
Ford™

The Untamed Explorer® Tremor®

Go where adventure calls. The 2026 Explorer Tremor with the available 3.0L EcoBoost® engine is the most powerful off-road Explorer ever. And with off-road tuned suspension, underbody protection, and a Torsen® limited-slip rear axle for enhanced traction and stability, you can use all that power to get almost anywhere.

Performance

Capability is a Sport

Engine Options

- **2.3L EcoBoost® I-4 Engine:** This engine delivers 300 hp and 310 lb-ft of torque. Standard on Active 100A, Active, ST-Line, Tremor®, and Platinum™ models.
- **3.0L EcoBoost® V6 Engine:** Turbocharging and direct injection help this engine churn out 400 hp and 415 lb.-ft of torque. Standard on ST, available on Tremor model.

Towing Comes Standard

- **5,000 lbs of Towing Capacity:** Tow up to 5,000 lbs with any Explorer model, thanks to the standard Class III Tow Package.: Mustang Mach-E® Rally or GT.
- **Side-Wind Stabilization:** Standard on all models, side-wind stabilization is designed to help you keep your vehicle on its path in high or gusty winds.
- **Trailer Sway Control:** Working with AdvanceTrac® with RSC® (Roll Stability Control™), trailer sway control brakes and adjusts engine power to help you stay in command.
- **BLIS® (Blind Spot Information System) with Trailer Coverage:** BLIS on Explorer includes Trailer Coverage, which can alert you to vehicles in your blind spot when you're towing a trailer.

Design

Exterior

LED Headlamps

The sleek all-LED headlamps help illuminate the road ahead.

LED Taillamps

The LED taillamps and light bar appliqué extend from the vehicle's corners and stretch toward the liftgate.

Expressive Grilles

Explorer® leads the way with model-specific grilles to express your style.

Power Liftgate

For added convenience, you can open or close the available power liftgate with your key fob.

Design

Interior

Available Seating for Up to Seven

Explorer® offers plenty of space for the school run, family trips, and more. Customize your comfort with the ease and durability of cloth, or upgrade to the luxury of available multi-contour, massaging leather-trimmed seats.

Cargo Capacity

Your gear, your stuff, your essentials and must-haves. Whatever you call it, Explorer lets you bring along over 85 cu ft of it.²⁰ Select models even offer available PowerFold® third-row seats for convenient access to all that space.

Available Ambient Lighting

Set the mood and personalize the lighting color inside your Explorer.

B&O® Sound System by Bang & Olufsen®

Explorer models offer two available B&O speaker packages: a 10-speaker system or a 980-watt, 14-speaker package. Both include a subwoofer with available Sound Stage, a fabric-wrapped acoustic sound bar that helps amplify your in-vehicle listening experience.

Windshield Sunscreen

Help keep your vehicle's interior cool with this handy sunshade, available from your Ford dealer.

Technology

Tech That Takes You Further

Driver-Assist Technology

Ford Co-Pilot360® technologies are focused on helping you feel more confident behind the wheel.

Ford Connectivity Package

Enjoy streaming, games, even karaoke while parked. Take a call from work. Connect devices to Wi-Fi®. And more.

Ford Digital Experience

Everything you love about your digital life, including the functionality and partners you're used to, designed and curated by Ford to enhance your drive

Lane-Keeping System

Lane-Keeping System can alert you if you're starting to edge out of your lane. After you've drifted a few times, you'll see a coffee cup icon, letting you know it's time to take a break.

Adaptive Cruise Control

Adaptive Cruise Control with Stop-and-Go and Lane Centering can help you maintain your preferred speed, slow and stop your vehicle in heavy traffic, resume your set speed when things get moving again, and keep your vehicle centered in its lane.

BLIS® (Blind Spot Information System) with Cross Traffic Alert

BLIS (Blind Spot Information System) can help detect and alert you to vehicles in your blind spots, while Cross-Traffic Alert can detect traffic behind you when you're backing up.
