TECHNOLOGY

ALEXA BUILT-IN

Connect to your maps, climate control, music and more—using just your voice. Alexa Built-in allows you to focus on the road and what's ahead of you.

10.25-INCH SCREEN WITH MAZDA CONNECT™

Enjoy the convenience of your smartphone while on the road with Mazda Connect™. View maps, playlists, contacts and more, clearly on the available 10.25-inch screen center display.

MAZDA CONNECTED SERVICES

Remotely start your engine, check status reports and more through the MyMazda App with Mazda Connected Services, complimentary for one year.

SAFETY

CRUISING & TRAFFIC SUPPORT

Once engaged, this available feature can provide headway support of adaptive cruise control, maintaining the following distance from the vehicle ahead, while also providing lane centering assistance under certain conditions from 0 mph up to highway speeds.

360 DEGREE VIEW MONITOR

For this available feature, cameras positioned around the vehicle's exterior create a 360 degree view visible on the Mazda Connect screen to give the drivers a greater awareness of their surroundings when navigating small spaces or parking.

REAR CROSS TRAFFIC ALERT

This standard feature is designed to assist the driver in checking the area to the rear of their vehicle while reversing and can provide audible and visual alerts if a vehicle approaching from either side is detected.

SMART BRAKE SUPPORT - REAR CROSSING

When reversing at low speeds, this available feature can provide automatic emergency braking addition to the audible and visible alerts of Rear Cross Traffic Alert when an imminent collision with vehicles crossing from either side is detected.
