Ford™

Made to Empower Every Doer

The Ranger® truck's chameleon-like versatility comes alive, with the choice between three EcoBoost® engine options. Each with the capability to deliver rugged strength for work — and spirited performance for weekend escapes.

Faint Hearts, Hold on Tight

When adventure comes knocking, are you the type to open the door? Experience the ultimate thrills of the great outdoors from the vantage point of your Ranger® truck.

Ranger® Raptor®

This daredevil tackles challenging terrain with invigorating off-road enhancements like FOX™ Racing Shocks with Live Valve Technology and Watts-Link Rear Suspension.

FX4® Off-Road Package

Rock-crawling excellence of this level makes even Mother Nature do a double-take. With this available package, masterfully maneuver through rocks and rubble with features like Trail Control™, off-road-tuned shocks, and an off-road screen in your center display.

Drive Modes

Let a new story unfold with every terrain you encounter. Adapt with the turn of a dial using five standard drive modes, plus available modes: Mud/Ruts, Sand, Off-Road, Rock Crawl, and Baja.

Appearance Packages

It's not just a look, it's an energy. Steal glances and drop jaws with a style that doesn't just fit your vibe but completely embodies it. Choose between four available packages: Sport, Chrome, Black, or STX®.

Pro Power Onboard™

Sometimes, your ambitions need juice. Enjoy up to 400 W of power directly from your truck's in-cab and in-bed outlets with this available feature.

Zone Lighting

No need to rely on the stars. Illuminate the perimeter of your truck with the available Zone Lighting feature for full visibility, dusk to dawn.

Integrated Box Side Step

Life's a climb. But in and out of your truck bed is only a mole hill, thanks to the available integrated box side step.

Interior

Keep Your Inner-Homebody Happy

Seating Capacity

The interior cabin offers seating for five. Enjoy ample leg room for comfortable drives into the mountains and beyond. The available Driver Memory feature will remember your seating preferences and position you perfectly whenever you're behind the wheel.

Heated Steering

Forgot your gloves at home? No biggie. Keep your fingers warm for the whole trip with the available heated steering wheel.

B&O® Sound System by Bang & Olufsen®

Listen to music the way it was meant to be heard. Enjoy crystal clear audio with the available B&O Sound System by Bang & Olufsen with HD Radio™. Includes 10 Speakers and a Subwoofer.

Technology

Common Sense, With a Dose of Sixth Sense

Convenience Package

The ease is right in the name. Keep your days running smoothly with Pro Power Onboard™ – 400 W, a wireless charging pad, and LED bed lighting. This package is available on XLT and Lariat® models.

Ford Co-Pilot360® Technology

Take on the world with a suite of available driver-assist features designed to help you feel more confident behind the wheel. Enjoy helpful tools, such as the available BLIS® (Blind Spot Information System) with Cross-Traffic Alert and Trailer Coverage, for a more seamless driving experience.

Digital Display

Hello, mission control. Keep tabs on multiple things at once via the available 12" cluster display, available 12" center display, and SYNC® 4A with Enhanced Voice Recognition. The center display is where you'll find features like the available 360-Degree Camera* and off-road screen.
