CAPABILITY

Duramax 6.6L Turbo-Diesel V8 With Allison 10-Speed Automatic Transmission

- 975 lb.-ft. of torque and 470 horsepower
- A broad band of power and torque over the entire operating speed range
- Exhaust brake to improve control when towing
- Potent turbo vane actuator and tough valve springs

Serious Towing Power

The GMC Sierra 2500 HD Crew Cab offers available max towing of up to 21,870 lbs.

Advanced Trailering Tech

ProGrade Trailering Tech

- This advanced suite of available intelligent technologies helps streamline the hitching and towing process with integrated tools that help enhance your sense of confidence and visibility

Up to 14 available camera views

- Tow a trailer with confidence, using transparent trailer view,* which is compatible with most traditional, gooseneck and fifth-wheel trailers.

Adaptive Cruise Control* with Trailering

- This available feature allows the truck's Adaptive Cruise Control to account for additional drag and increased braking distances when towing a trailer

TECHNOLOGY

13.4" Diagonal Premium GMC Infotainment System

The color touchscreen with Google built-in* compatibility and voice-activated technology for your phone provides a seamless way to customize your entertainment.

15" Diagonal Multicolor Head-Up Display

Projects the following key information directly onto your windshield (Not available on Pro, SLE, or SLT):

- Speed
- Mobile Alerts
- Audio
- Low-Fuel Warning
- Phone
- Off-Road Inclinator

12.3" Diagonal Color Driver Information Center

GMC Sierra HD features a driver-focused display that puts information front, center and easily visible in high-resolution clarity.

INTERIOR

16-Way Power Front Seats with Massaging Feature

Experience serious comfort in the Sierra Heavy Duty truck's available best-in-class* 16-way power front seats with massaging feature.

Luxurious Materials

Sierra HD Denali Ultimate's Alpine Umber interior features full-grain leather seating, plaited contrast stitching, and embossed and laser-etched topographical map patterns of its namesake's mountain summit.

Spacious Cabin

The Sierra Heavy Duty truck features best-in-class standard Crew Cab front head and leg room.

EXTERIOR

LED Projector Headlamps and Signature Lighting

LED projector headlamps with striking animated sequences help enhance the Sierra Heavy Duty work truck's impressive exterior design.

MultiPro Tailgate

The world's first six-function GMC MultiPro Tailgate helps improve loading, unloading and accessing the cargo box.

- Open and close the primary gate using the key fob's power release
- Load stop to help prevent items from sliding out of the bed
- Fold-down inner gate for easy access when loading and unloading
- Inner gate can fold into a full-width step, capable of holding up to 375 lbs.*
- Inner gate load stop to help prevent second-tier items from sliding out of the bed
- Inner gate can be disabled to prevent it from being opened when a hitch or other equipment is installed
- The opened inner gate provides a work surface as well as second-tier loading
- Take music outdoors with the available integrated MultiPro Tailgate Audio System by KICKER®*

Bold Front End

Stand out everywhere you go with GMC Sierra HD Denali's iconic chrome grille, front bumper and fascia.

SAFETY AND DRIVER ASSISTANCE

Sierra HD Pro Safety

Every GMC Sierra 2500 HD and GMC Sierra 3500 HD truck includes safety and driver assistance technologies that help while driving and trailering. Sierra HD Pro Safety includes:

- Forward Collision Alert
- Following Distance Indicator
- Front Pedestrian Braking
- IntelliBeam
- Lane Departure Warning
- Buckle to Drive
- Automatic Emergency Braking
