DESIGN

Minimalistic DNA

The refined and redesigned exterior offers a cleaner, more purposeful look that enhances an iconic silhouette.

Let good times roll

Vibrant silver wheels with rims made from 70% recycled aluminum come available up to 18" in size and leave an impression with every turn.

Raise the roof

Inventive rooftop colorways like Energy Silver bring customization and contrast to new heights with eye-catching hues and gradients.

Let the light in

Flood the space with light and take in the stars by night with the expansive Panoramic Moonroof.

Leave the gloves behind

With Heated Sport Seats and a Heated Steering Wheel at no extra cost, the Cooper warms more than hearts alone.

Interiors with integrity

A 2D-knitted fabric dashboard crafted from recycled polyester serves as the perfect final touch on a completely chrome-free cabin.

Eco-friendly fabrics

Kick back in JCW Sport Seats wrapped in silky-smooth Vescin—a leather-free upholstery sourced from premium upcycled materials.

TECHNOLOGY

Play while parked

A gaming console integrated directly into the MINI OLED Display, available AirConsole, offers endless entertainment options. With up to 50 third party apps to choose from, you'll never have a boring rest stop again.

Connect with your Cooper

MINI Connected is a suite of intelligent functions, apps, and services that securely and seamlessly keep you and your passengers connected to your MINI and the world around you.

Personal Assistant

When in doubt, talk it out. Your virtual copilot, the MINI Intelligent Personal Assistant, can lend a hand with everything from switching routes to switching songs.

CarPlay® & Android Auto™

Standard wireless Apple CarPlay® and Android Auto™ allow you to seamlessly connect your media for endless entertainment.

Remote Software Upgrade

Remote Software Upgrade is a convenient, stress-free way to get the newest functions and features.

Head-Up Display

Standard Head-Up Display presents key driving information, including navigation, speed, and alerts, while allowing you to keep your eyes on the road.

SAFETY FEATURES

Active Blind Spot Detection

With available Active Blind Spot Detection, visual cues in exterior mirrors alert the driver to hazards in blind spots, with steering wheel vibration and collision avoidance systems activating when changing lanes.

Lane Departure Warning

With available Lane Departure Warning, a multi-camera array helps keep the vehicle centered in its lane and alerts the driver to any unintentional drift.

Frontal Collision Warning

Available Frontal Collision Warning alerts the driver to potential collision threats and automatically activates the brakes if immediate intervention is needed.

Rear Cross Traffic Warning

Available Rear Collision Prevention provides visual and audible alerts to help the driver avoid potential collisions when reversing.

Drive Recorder

The system detects accident situations and automatically records data around your MINI.

High Beam Assist

A driver assistance feature that automatically switches between high and low beams based on lighting conditions and traffic.
