

BRONCO™

2022

BUILT WILD™

AND READY FOR THE OUTDOORS

There's a great big world waiting to be discovered. And the Ford Bronco SUV is ready to help you do it. All of it. From the mountains and woods, to the remote locations that the adventure seekers call home, the Bronco was built to carry outdoor enthusiasts to the ends of the earth. Available as a heritage-true 2-Door as well as a 4-Door, with 6 unique models and a host of available Ford Accessories to choose from, there are plenty of ways to build an adventure-seeking beast that fits your lifestyle. So, get ready to mount up. Ford Bronco is waiting.

Cover: **2-DOOR BADLANDS**. Shadow Black. Available equipment and available Ford Accessories. Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information. U.S. model shown. Check with your dealer for available features and accessories.

2-DOOR BADLANDS. Cyber Orange Metallic Tri-coat.¹ Available equipment and available Ford Accessories.

4-DOOR BLACK DIAMOND. Velocity Blue Metallic. Available equipment and available Ford Accessories. U.S. models shown. Check with your dealer for available features and accessories.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment, and available Ford Accessories. Recreational equipment not included. Preproduction models may be shown throughout.

¹. Additional charge.

RUGGED AND READY FOR THE TRAILS AND BEYOND

GO OFF-ROAD OR OFF-GRID Get ready for adventure in the rugged Ford Bronco SUV. The standard 4x4 setup is a 2-speed, electronic shift-on-the-fly, part-time system that offers 3 operating modes – 2H, 4H and 4L. In 4H and 4L, the system provides mechanically locked 4x4; while the low-speed 4L provides increased wheel torque when going over difficult terrain. The advanced 4x4 system, standard on Badlands™ and Wildtrak,™ adds an auto mode (4A) for automatic on-demand engagement to select between 2H and 4H. In 4A, the system continuously varies power to the front wheels for optimum performance in various on-road conditions.

THE WHOLE HOSS One of the keys to the thrilling, off-road prowess of the Ford Bronco SUV is its High-Performance, Off-Road, Stability, Suspension (HOSS) System. A modern, independent front suspension consisting of twin, alloy A-arms and coilovers helps keep you traveling smoothly. While a 5-link, coil-sprung solid axle sits in the rear. Available upgrades include BILSTEIN™ position-sensitive shock absorbers with end-stop control valves, and a semi-active, hydraulic front stabilizer bar disconnect (standard on Badlands) that can electronically disconnect and reconnect under load and on uneven ground.

4-DOOR BADLANDS. Race Red. Available equipment. **4-DOOR WILDTRAK.** Carbonized Gray Metallic. Available equipment.

Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information.

851 - mm AVAILABLE MAX. WATER-FORDING CAPABILITY¹

295 - mm AVAILABLE MAX. GROUND CLEARANCE²

43.2° APPROACH ANGLE²

29° BREAKOVER ANGLE²

37.2° DEPARTURE ANGLE²

The Ford Bronco SUV is ready and more than willing. Proven on the grueling Baja 1000 – one of the world’s toughest off-road endurance races – Bronco was designed and engineered to handle even the most challenging terrain.

2-DOOR BLACK DIAMOND™ Cyber Orange Metallic Tri-coat.³ Available Sasquatch™ Package. Available equipment. U.S. model shown. Check with your dealer for available features and accessories.

Always consult the Owner’s Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Ford is committed to the preservation of the environment and treading lightly. Professional driver on closed course.

1. Water-fording capability of 851-mm depth with available Sasquatch Package. Always determine the water depth before attempting a crossing and proceed slowly. Refer to your Owner’s Manual for detailed information regarding driving through water.
2. 2-Door model with available 35" tires. Dimensions vary by trim level and model. See your dealer for details.
3. Additional charge.

A MODE TO MATCH THE ENVIRONMENT The Terrain Management System™ with G.O.A.T. Modes™ (Goes Over Any Type of Terrain) gives you the ability to match performance to the terrain, weather or whatever the roads and trails throw your way, with the simple click of a dial. You can choose between up to 7 available driving modes – from Normal to Baja – depending on the model.

4-DOOR WILDTRAK. Cactus Gray. Available equipment. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information.

| For off-road use only. Vehicle response tuned for high-speed off-road performance. | | | | | | |

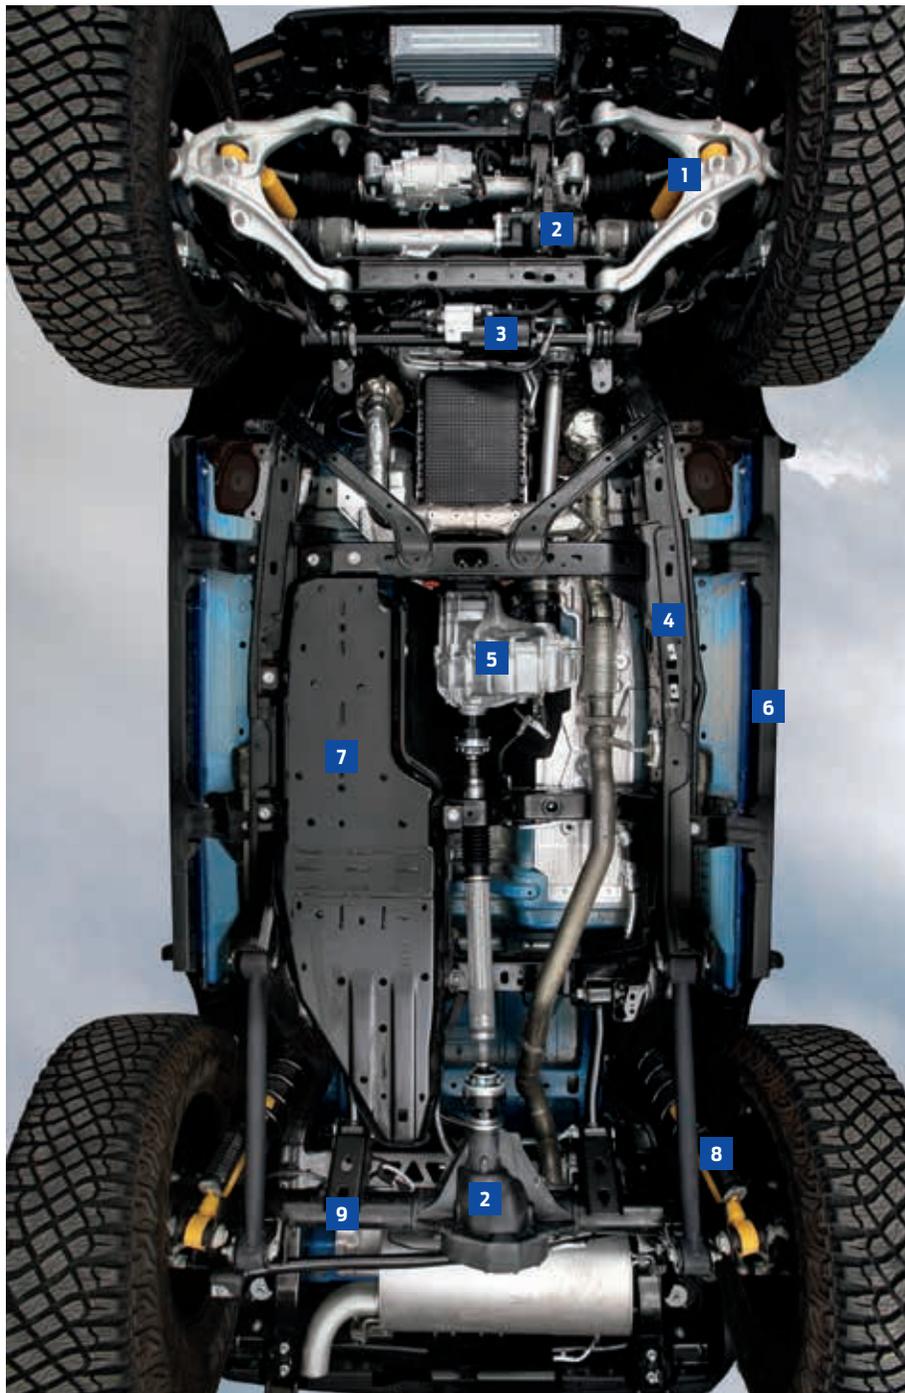

MAKE THE TRAILS, AND YOUR BRONCO, YOUR OWN

YOUR TRAIL TOOL BOX Here, rugged adventure is what you make it. Literally. Mix and match a number of options and features to build the Ford Bronco SUV that's tailored to your level of off-roading. A number of innovative technologies are also available to help get you from point A to point Z, and everywhere in between. Available Ford Trail Control,[™] which requires the available 10-speed automatic transmission, manages throttle and braking at individual wheels, allowing you to focus more on steering when on difficult terrain. Available Trail Turn Assist reduces turning radius at low speeds to help you make those tight corners (requires 10-speed automatic transmission), and available Trail 1-Pedal Drive¹ (requires the 2.7L engine), enables low-speed crawling that lets you bring the vehicle to a stop, all without using the brake pedal.

1. One-Pedal Drive is an extra driving aid. It does not replace the driver's attention and judgment, or the need to apply the brakes. See Owner's Manual for details and limitations.

Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. U.S. models shown. Check with your dealer for available features and accessories.

1. HOSS SYSTEM INDEPENDENT FRONT SUSPENSION

2. AVAILABLE SPICER® PERFORMA-TRAK™ FRONT AND REAR ELECTRONIC-LOCKING DIFFERENTIALS

3. AVAILABLE FRONT STABILIZER BAR DISCONNECT

4. FULLY BOXED, HIGH-STRENGTH-STEEL FRAME

5. AVAILABLE ADVANCED 4x4 WITH AUTOMATIC ON-DEMAND ENGAGEMENT

6. AVAILABLE ROCK RAILS

7. AVAILABLE FULL-VEHICLE STEEL BASH PLATES (SHOWING FUEL TANK PLATE)

8. AVAILABLE BILSTEIN™ POSITION-SENSITIVE DAMPERS

9. DANA 44™ ADVANTEK SOLID REAR AXLE

ADDITIONAL FEATURES

AVAILABLE 35" LT315/70R17 MUD-TERRAIN TIRES

FRONT AND REAR TOW HOOKS

U.S. models shown. Check with your dealer for available features and accessories.

POWER COMES NATURALLY

2.3L ECOBOOST® ENGINE Tackle the trails with the available turbocharged, direct-injected 2.3L. With exhilarating performance and the ability to crank out 300 hp^{1,2} and 325 lb.-ft. of torque.^{1,2}

2.7L ECOBOOST ENGINE Bring more power to your off-roading or trail riding with the available intercooled 2.7L EcoBoost engine with turbochargers. Capable of pumping out 330 hp^{1,2} and 415 lb.-ft. of torque,^{1,2} it's just the right amount of power to accelerate your adventures.

4-DOOR BADLANDS™ Area 51. Available equipment. **2-DOOR BLACK DIAMOND™** Cyber Orange Metallic Tri-coat.³ Available Sasquatch™ Package. Available equipment.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. **2.** Horsepower and torque are independent attributes and may not be achieved simultaneously. Your results may vary. **3.** Additional charge. U.S. models shown. Check with your dealer for available features and accessories.

7- AND 10-SPEED TRANSMISSIONS

The Ford Bronco SUV offers 2 available transmissions. The 7-speed manual – available with the available Sasquatch™ Package – delivers a max. crawl ratio of up to 94.75:1. And the available 10-speed automatic has a max. crawl ratio of 67.8:1, offers impressive low gears, and helps keep you in the engine's power band.

GO TOP DOWN AND DOORS OFF

The Ford Bronco SUV gives you an open-air rush with an easy-to-pull-off-and-store removable roof option. The 4-Door offers both a standard soft top and available 4-section hard top – designed so you can enjoy an uninterrupted view of the sky. 2-Door owners get a hard top with 3 removable sections. Bronco also includes removable doors. Lightweight and storable inside the 4-Door, they make for a thrilling experience.

4-DOOR OUTER BANKS™ Race Red. Available equipment.

Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information.

IMPRESSIVE INSIDE AND OUT

It's one thing to have an exterior that can withstand almost anything. It's another to have an interior that can handle just as much. The Ford Bronco SUV has it all. Removable grab handles. Rugged design details. Available washout-capable rubberized flooring with drain plugs. An off-road hero switch pack that, depending on the model, lets you control up to 6 features like the traction control, an available front stabilizer bar disconnect, and available front and rear Spicer® Performa-TraK™ electronic-locking differentials. Available MOLLE strap system. And new this year, there's also an available slide-out tailgate¹ and a variety of cargo and storage options.

1. Late availability. 2. Qi wireless charging may not be compatible with all mobile phones. Android Auto is a trademark of Google LLC. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

WIRELESS CONNECTIONS

When it comes to keeping your devices connected and powered up, Bronco can help. An available wireless charging pad² allows you to keep your phone charged – and the cord at home. Standard wireless compatibility with Apple CarPlay® and Android Auto™ make the connection between your phone and your Bronco seamless.

BUILT FOR IT ALL AND THEN SOME From a chassis architecture standpoint, the Ford Bronco SUV uses a body-on-frame setup, with a fully boxed, high-strength-steel ladder design. The doors, hood, front fenders and rear swing gate are made of aluminum. There's also plenty of underbody protection offered, with available bash plates protecting vulnerable parts underneath. Badlands™ and Black Diamond™ models get an upgraded steel front bash plate, plus bash plates for the engine, transmission, transfer case and fuel tank. Available tube doors let you go "doors off" even in the rugged outdoors. And side rock rails are also available – and strong enough to help support the weight of the Bronco if you encounter some boulders. U.S. model shown. Check with your dealer for available features and accessories.

CONNECT WITH MORE THAN JUST NATURE

SYNC® 4¹ is standard on every Ford Bronco model, bringing new levels of intelligence, conversational voice recognition and computing power to help make navigation, music and connecting your vehicle to your smartphone quick and easy.² SYNC 4 is viewable on either the standard 8" or available 12" touchscreen, which is offered with an available 360-Degree Camera. Available built-in Navigation^{1,3} can give predictive destinations.

SYNC 4

Standard on all Bronco models.

- 8" LCD capacitive touchscreen with swipe capability
- Wireless phone connection
- Wireless Apple CarPlay® and Android Auto™ compatibility⁴
- Digital Owner's Manual

12" screen and Information on Demand Panel are part of the High Package and are available on Outer Banks, Badlands and Wildtrak.

1. Functionality varies by market. **2.** Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **3.** Availability varies by market. **4.** Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

A FAMILY WITH ATTITUDE

TAKE IT TO THE EXTREME BILSTEIN™ position-sensitive monotube shocks, a front stabilizer bar disconnect, and front and rear electronic-locking differentials help make the Badlands™ model ultra-capable. And then some. Choose between standard 33" all-terrain tires or available 33" or 35" mud-terrain tires, and enjoy an interior that offers you a full range of features from easy-to-clean marine-grade vinyl to a leather-trimmed option.

4-DOOR. Shadow Black. Available equipment and available Ford Accessories. U.S. model shown. Check with your dealer for available features and accessories.

Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty and use appropriate safety gear. Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information.

FIND NEXT-LEVEL EXCITEMENT Things get serious with Black Diamond™. This bad boy is equipped with everything needed to be tougher on tough terrain – including 7 G.O.A.T. Modes™ (Goes Over Any Type of Terrain) – that make tackling the great outdoors a walk in the park. And, with washout-capable rubberized flooring, cleaning up between adventures is simple, too.

4-DOOR. Oxford White. Available equipment. U.S. model shown. Check with your dealer for available features and accessories.

BECOME A THRILL SEEKER

Find high-speed adventure with Wildtrak™. Equipped with the Sasquatch™ Package, as well as a 2.7L twin-turbocharged EcoBoost® engine, 10-speed automatic transmission, 35" tires, and exterior stylings including a black grille, black wheels and a unique WILDTRAK hood graphic, this Bronco was born to thrill.

4-DOOR. Cactus Gray. Available equipment.

GO OFF-ROADING IN STYLE Outer Banks™ is the perfect combination of rugged good looks and performance. Mounted on 18" high-gloss black-painted aluminum wheels, this model features standard LED signature lighting and taillamps, body-color fender flares and powder-coated tube steps. Inside, comfort and convenience for your off-road experiences come by way of an available 12" LCD touchscreen and an available B&O® Sound System.

4-DOOR. Carbonized Gray Metallic. Available equipment.

Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Professional driver on closed course.

FIND COMFORT IN THE GREAT OUTDOORS

The next step up from the Base model, Big Bend™ provides extra creature comforts on top of the standard essentials. Aluminum wheels grace the outside. While inside, available features like heated seats, a power outlet, and a Remote Start System¹ that gets your Ford Bronco SUV going with just the simple press of your key fob, can be added on.

4-DOOR. Velocity Blue Metallic. Available equipment.

1. Automatic transmission only.

Ford is committed to the preservation of the environment and treading lightly.

GET BASICS THAT ARE ANYTHING BUT

The Base series of the 2022 Bronco comes with the absolute essentials and is the perfect starting point to begin making it your own. Key features include a standard 4x4 system and easy-to-remove doors and roof.

2-DOOR. Area 51. Available equipment.

THE LEGEND CONTINUES

THE SASQUATCH™ PACKAGE Available on Badlands™ and standard on Wildtrak,™ the Sasquatch Package can now be paired with either the 10-speed automatic or 7-speed manual transmission and is specifically tailored to give your Ford Bronco SUV more off-roading prowess. 35" mud-terrain tires with 17" beadlock-capable wheels. High-clearance fender flares. A high-clearance suspension featuring position-sensitive BILSTEIN™ shock absorbers. And a 4.7:1 final drive ratio with electronic-locking front and rear axles. It's an all-in-one package that will make your Bronco legendary.

U.S. model shown. Check with your dealer for available features and accessories. Removal of doors for off-road use only. See Bronco Owner's Manual for detailed information.

OUTFITTED FOR THE GREAT OUTDOORS

PERSONALIZE IT.

A comprehensive collection of available Ford Accessories makes it easy to get out there and do your thing. From rooftop tents to off-road lights, kayak carriers and bike racks, there are plenty of ways to bring your adventure gear along for the ride.
