WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. Eight-year/100,000-mile Electric Vehicle Drive Components Warranty.[50] Ten-year/150,000-mile Electric Vehicle Battery Warranty. All warranties with zero deductible. See the *RZ Warranty and Services Guide* at your Lexus dealer for details.

1. Manufacturer's estimated 266-mile total driving range for 2024 Lexus RZ 300e (18-inch wheels) using EPA's preliminary testing procedure standards for fully charged vehicle operated under ideal driving conditions (manufacturer-estimated 224-mile range for RZ 300e with 20-inch wheels). Use for comparison purposes only. Actual range will vary and may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use which will reduce range. See www.fueleconomy.gov and *Owner's Manual* for details. **2.** Manufacturer's estimated 220-mile total driving range for 2024 Lexus RZ 450e Premium (18-inch wheels) using EPA's preliminary testing procedure standards for fully charged vehicle operated under ideal driving conditions (manufacturer-estimated 196-mile range for RZ 450e Luxury or RZ 450e Premium with 20-inch wheels). Use for comparison purposes only. Actual range will vary and may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use which will reduce range. See www.fueleconomy.gov and *Owner's Manual* for details. **3.** Mark Levinson and Clari-Fi are registered trademarks of Harman International Industries, Inc. **4.** Cloudburst Gray, Copper Crest, Eminent White Pearl, Ether and Iridium available for an additional charge. **5.** Ultrasuede is a registered trademark of Toray Industries,Inc. **6.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **7.** Charging time may be longer using standard 120V outlet. Always plug in/charge vehicle in accordance with *Owner's Manual*. **8.** DC charging time will vary based on weather and other factors. DC charging times will increase as temperatures decrease below 50 degrees Fahrenheit, with significant increases possible at temperatures below freezing. DC charging more than three times within 12 hours also can significantly increase charging time and will require approximately six hours before high-speed DC charging can be resumed. Accessory use, battery level and condition, and charger specifications also can negatively affect charging times. **9.** Requires an active Remote Connect trial or subscription. Currently available for select Lexus BEV models throughout the U.S. and select Lexus PHEV models in California. For vehicle eligibility, visit https://drivers.lexus.com/lexusdrivers/technology/lexusapp or see your Lexus dealer. Eligible vehicle registration available through the Lexus app. **10.** Lexus Interface Services depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and https://drivers.lexus.com/lexusdrivers/technology/interface. For Lexus Interface Services' data collection, use, sharing and retention practices, please visit https://www.lexus.com/privacy. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real-time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of: 3GB of data is used or 30 days after enrollment. **11.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **12.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings during use. When using Remote Park, operator must have their key fob, continuously interact w/ smartphone w/ Bluetooth connectivity and ensure safe clearance around vehicle. Before operating, review *Owner's Manual* for instructions and limitations. **13.** Digital Key requires active Remote Connect trial or subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas-engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Digital Key also requires Bluetooth connectivity. Remote Connect is included with select paid Connected Services packages. See your Lexus dealer for details. Terms of Use apply. Data charges may apply. See *Owner's Manual* and https://drivers.lexus.com/lexusdrivers/technology/interface for additional details. To learn about Lexus Interface's connected services data collection, use, sharing and retention practices, please visit https://www.lexus.com/privacy. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **14.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations. **15.** To wirelessly use Apple CarPlay on your car display, you need a compatible Apple smartphone with an active data plan. You can check which smartphones are compatible at https://www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to https://lexusconnectedtechnologysupport.com/lexus/home. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit https://www.lexus.com/privacy. **16.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Minimum speeds may vary by model. See *Owner's Manual* for instructions and limitations. **18.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian, bicyclist or motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian, bicyclist or motorcyclist, and weather, light and road conditions. See *Owner's Manual* for limitations. **19.** Intersection Support is designed to detect a pedestrian or approaching vehicle at intersections under certain conditions, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. See *Owner's Manual* for limitations. **20.** Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations. **21.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations. **22.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations. **23.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. **24.** Lexus Safety System+ effectiveness depends on many factors including road, weather and vehicle conditions. Drivers responsible for paying attention to their surroundings and driving safely. See *Owner's Manual* for limitations. **25.** Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. See *Owner's Manual* for limitations. **26.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See *Owner's Manual* for limitations. **27.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See *Owner's Manual* for limitations. **28.** 24-hour Roadside Assistance is included for three years, unlimited mileage. Roadside Assistance does not include parts and fluids. For out-of-charge vehicles, towing is covered to the customer's home, the nearest Lexus dealer, or public charging station within 25 miles of disabled vehicle. See Lexus dealer for details and exclusions. Valid only in the continental U.S. **29.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. See *Warranty and Services Guide* for details. For Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **30.** See Lexus dealer for details. **31.** For Lexus hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See *Warranty and Services Guide* for details. **32.** Service Connect depends on certain factors outside of Lexus' control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. A Safety Connect trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Lexus dealer for details. 4G network dependent. **35.** Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM® services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM® services require a subscription after trial period. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. **36.** The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a SmartAccess fob is in/near vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Lexus dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **37.** Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **38.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. **39.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. **40.** Intuitive Parking Assist may warn drivers of, and potentially brake for, front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for limitations. **41.** Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations. **42.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations. **43.** Traffic Jam Assist requires an active trial or subscription to Drive Connect. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to *Owner's Manual* for instructions and limitations. **44.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **45.** This floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner must be secured with its fasteners. Do not install a floor liner on top of an existing floor liner. **46.** Dashcam may not record under certain conditions. Use in accordance with applicable laws. See dashcam *Owner's Manual* for details. **47.** Accessing the ChargePoint network through the Lexus app requires an active Remote Connect trial or subscription. **48.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping which may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **49.** Accessories may vary by model year, not be available in all regions of the country, or require a special order. Please see your dealer for availability. **50.** Electric vehicle drive components (transaxle, traction battery, inverter with converter) covered for 8 years or 100,000 miles, whichever comes first, from the new vehicle purchase/lease date. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See *Warranty and Services Guide* for details.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. Lexus Interface display shown may not reflect most recent over-the-air enhancements. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. **Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.** Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly.
