## DESIGN

### **Beautiful meets practical**

Everything about Equinox EV is seriously stylish, from the sleek exterior lines to the no-compromises interior with the cargo room that lets you do you.

**57.2 cu. ft. max cargo volume**

**Seating for up to five**

**Dual-height cargo floor**

## Regen on Demand

Manually slow down your vehicle and convert some of the energy from your EV's movement directly to the battery.

## Cabin preconditioning

When you heat or cool your vehicle prior to driving, it draws energy from the outlet rather than your battery.

## Relaxed driving

Smooth driving and gentle acceleration help optimize battery health.

## One Pedal Driving

Slow down and stop your vehicle using only the accelerator pedal under most conditions to help you get the most out of your electric driving range.

## Charging basics

Seamlessly fit charging into your routine, plus find out more about charging basics and how easy it is to go electric.

## Home charging

Charging from the comfort of home is an option that easily fits into your daily routine.

## Bidirectional charging

The GM Energy PowerShift Charger with bidirectional capabilities and GM Energy V2H Enablement Kit can provide a backup power source for your properly equipped home in the event of a blackout.

## On-the-go charging

Just pull up to a Level 2 charger or DC Fast Charger at certain public locations and you can be back on the road in less time.

# TECHNOLOGY

## **Super Cruise**

On average, Super Cruise users drive more than 10 million hands-free miles per month total. Just as impressive, Super Cruise driver assistance technology won MotorTrend Best Hands-Free Driving Tech.

**17.7-inch diagonal center touch-screen**

**Multi-color ambient interior lighting**

**11-inch diagonal Driver Information**

# SAFETY

## Safety you can be sure of every day

Equinox EV comes standard with Chevy Safety Assist, a package of six advanced safety and driver assistance features, including:

- Automatic Emergency Braking
- Front Pedestrian Braking
- Lane Keep Assist with Lane Departure Warning
- Forward Collision Alert
- Following Distance Indicator
- IntelliBeam®
