INTERIOR

ELEVATE YOUR SENSES

Meticulously crafted to immerse you in luxury, the CT5 interior impresses with copious refinements. Discover intimate details that elevate your comfort including standard heated and massaging front seats, available ventilated front seats and more.

DISCOVER BEAUTY WITHIN

Discover prestige comforts with CT5's interior. Fine stitching on the leather-wrapped, three-spoke steering wheel is just one example of obsessive craftsmanship, while sculpted grips and standard Alloy Paddle Shifters make it obvious—you're gripping the wheel of a true performance luxury sedan.

ACCLIMATION AMPLIFIED

Temperature control, your way. Even in the coldest conditions, the standard heated steering wheel and heated front seats will keep you warm and cozy. Alternatively, available ventilated front seats are made to help you keep your cool, even on hot summer days. No matter where you are, you'll be met with a comfortable climate.

DISCOVER PRESTIGE COMFORTS

The Premium Luxury and Sport models are both available with a Platinum Package that elevates the materials and features to create a sophisticated interior.

- Sedona Savage/Jet Black with Semi-Aniline full-leather seating with front heating and ventilation and carbon-fiber trim
- Technology Package, including power-folding mirrors, Rear Camera Mirror, Hands Free Decklid release, micro-particulate filter, air quality sensor, Head-Up Display, Adaptive Drive Beam Headlamps, Front Cornering Lamps, Illuminating Door Handles (standard on Premium Luxury).

EMPOWERING YOU

AMBITION ACCELERATED

Beneath CT5's sporty exterior lies the source of its power. The available 3.0L Twin Turbocharged V6 engine delivers 335 horsepower and an incredible 405 lb-ft of torque (550 Nm), which accelerates your heartrate as you press the accelerator.

10-SPEED TRANSMISSION

The advanced 10-speed automatic transmission is paired with the latest generation of Electronic Precision Shift, which replaces the traditional shifter with a sleek, console-mounted lever that shifts gears electronically. And for the tactile thrill of control, CT5 features standard paddle shifters.

BREMBO® V PERFORMANCE BRAKES

Confidence in motion, and confidence while coming to a stop. CT5 Sport offers available Brembo V Performance brakes that help provide exceptional braking power.

INTELLIGENCE IN MOTION

HANDS-FREE SUPER CRUISE

The future of driving is here. CT5 offers available Super Cruise, the first truly hands-free driver-assistance technology with more than 400,000 miles of compatible roads in the U.S. and Canada. Super Cruise includes Automatic Lane Change, which allows CT5 to change lanes without driver input. And with the support of available Connected Service, you'll also receive the latest map updates.

IMMERSIVE VIEWS

The new CT5 elicits euphoria with a 33" diagonal glass display. Awe-inspiring, the curved diagonal advanced LED touchscreen display is more than a breathtaking interior centerpiece with a 9K resolution. With the ability to display an impressive number of colors and combinations, the free-form glass panel offers you intuitive access with stunning visual richness.

RHYTHM YOU CAN FEEL

CT5's standard AKG 15-speaker audio system brings the studio to your Cadillac, offering Active Noise Cancellation that provides sound that's precise and clear of distortion. All 15 speakers are placed for sound optimization, allowing each passenger to have an immersive audio experience.

INTUITIVELY SMART

CT5 with Google built-in compatibility offers helpful technologies, personalized and seamless ways to enhance your in-vehicle experience. Say "Hey Google" to turn on your seat heater, control the temperature and more with just your voice. With Google Assistant, Google Maps and more on Google Play, you receive access to hands-free help, live traffic updates and many of your favorite apps from smart home control, podcasts, and more.

STAY CONNECTED

With an available Wi-Fi Hotspot, the 5G connectivity you're accustomed to travels with you on the road, so your passengers are entertained while on the go.

INGENUITY IN MOTION

Adapt to the road ahead with CT5's cutting-edge safety and driver-assistance features, empowering you to drive with confidence.
