Class-Leading Towing Capability

The 3.5L EcoBoost® V6 engine outpulls all competitors. Command a max available tow rating of 13,500 lbs.

Upgraded Packages

The imposing F-150 Lobo™ Package on the STX® model joins the new XLT Chrome Appearance Package and new Platinum® Satin Appearance Package to fit your personality.

PowerBoost® Hybrid Engine

The mighty 3.5L full hybrid V6 engine cranks out 578 lb-ft of torque and up to 11,600 lbs tow rating. Plus, the standard Pro Power Onboard™ provides power to run tools and devices from anywhere.

Five Gas Engines

Pull it. Haul it. Have fun with it. There's an engine to fit almost any need. From a mighty 2.7L EcoBoost® V6 to the monstrous 5.2L Supercharged V8.

Full Hybrid

Get the best of both gas and electric power from the 3.5L PowerBoost® V6 engine. Combined to give you big pulling power.

All-Electric

Pull it. Haul it. Have fun with it. There's an engine to fit almost any need. From a mighty 2.7L EcoBoost® V6 to the monstrous 5.2L Supercharged V8.

Max towing varies based on cargo, vehicle configuration, accessories, and number of passengers.

- Available on F-150® Raptor® R™ only
- 720 horsepower
- 640 lb-ft of torque

Max towing varies based on cargo, vehicle configuration, accessories, and number of passengers.

Muscle To Move Mountains

Legendary strength comes courtesy of a max available tow rating of 13,500 lbs and max available 2,440 lbs of payload capacity. F-150 trucks give you the power to move your stuff from here to there — and back again.

Rock Solid Off-Roading

The powerfully rugged F-150® Raptor®, Raptor R™, and Tremor® models give you the confidence to drive deep into uncharted terrain. Transform washed out paths and blistering sand dunes into your own personal obstacle course to conquer.

Pro Access Tailgate

The available Pro Access Tailgate allows ample and easy access to the cargo bed even when hitched to a trailer.

Pro Power Onboard™

Electrical power at the ready wherever you go. Even in locations where an outlet isn't accessible, you'll have available juice on standby.

LED Lighting

Bright LED headlamps are standard on all F-150® trucks to help you see clear at night.

Interior Work Surface

An available Interior Work Surface creates additional space for work projects — or as a makeshift lunch table.

Lockable Storage

Keep items secure and out of sight from prying eyes.

Flip and Fold Seats

When your truck bed is at capacity or items need to be kept out of the elements, F-150® trucks can accommodate your needs.

Technology

Tech To Help Protect and Connect

Digital Information

The cluster display delivers vital data in brilliant high-resolution clarity. Real-time driving information is projected onto the windshield via the head-up display.

Ford Connectivity Package

New for 2026, the available Ford Connectivity Package helps keep you connected during all of your travels, so you can bring unlimited Wi-Fi and some of your favorite apps along for the ride. Included for a year.

BlueCruise Hands-Free Highway Driving

BlueCruise is hands-free highway driving. Drive stress-free and arrive energized – ready for your hands-on life.

Ford Co-Pilot360® Technology

Enjoy a number of standard and available driver-assist features designed to help you feel more confident on the road. Feature availability varies by model.

Ford Security Package

Help protect one of your most valuable investments with the available Ford Security Package. Get Theft Alerts if your vehicle is tampered with and remotely disable your vehicle via the Ford app so it can't be started even if someone has an authorized key nearby.
