# DESIGN

## Uncompromising quality

Tahoe is ranked #1 for New Vehicle Quality among Large SUVs, for the 3rd consecutive year.\* Enjoy award-winning excellence from the first drive and beyond.

# DESIGN

## Elevate your gam

The new Tahoe is the large SUV that's designed to stand out wherever you go.

### **Available AutoSense Power Liftgate**

Automatically opens when standing behind the vehicle for several seconds with your key fob.

### **New grilles and fascias**

Refreshed grilles and fascias across all models.

### **New exterior lighting**

Available walk-up and walk-away lighting animations that activate when locking or unlocking the doors.

# INTERIOR

## Reimagined inside and out

This refreshed interior is quiet and refined to help you escape it all, even when you're in the middle of it all. With tons of clever storage and cargo solutions, the new Tahoe is the three-row SUV that gives you all the room you need for all the places you want to go to.

## Room for everything you love

Tahoe features plenty of configurable cargo space, helping to keep your belongings safe and secure on the road ahead.

## It's time to level up

Tahoe High Country features first- and second-row leather seating surfaces with perforated seat inserts, unique stitching and badging, and authentic wood décor.

## A premium on Premier

With its new Sky Cool Gray interior, Tahoe Premier is designed to stand out. And it offers heated and ventilated front bucket seats and heated second-row bucket seats.

# TECHNOLOGY

## On the big screen

The new Tahoe features a best-in-class\* 17.7-inch diagonal center touch-screen display that puts it all at your fingertips, while standard Google built-in\*, Apple CarPlay and Android Auto and an 8-year OnStar® Basics Subscription\* help you stay connected to your vehicle and the world around you.

## Take it all with you

The new available Trailer Tire Health feature monitors trailer tire life, while the available Trailer Navigation\* feature helps calculate routes based on trailer size using built-in Google Maps.

**Class-leading 15-inch diagonal Head-Up Display - Available**

**Up to 13 camera views - Available**

**Advanced trailering technology - Available**

# SUPER CRUISE

## A less hands-on approach

Super Cruise® driver assistance technology\* offers the freedom of hands-free driving. On average, Super Cruise users drive more than 10 million hands-free miles per month total. Let go and enjoy one of the largest hands-free driving networks in North America. Just as impressive: Super Cruise driver assistance technology won MotorTrend Best Hands-Free Driving Tech.

- Available on LT, RST, Premier and High Country
- Trailering compatible
- Lane centering to help you stay in your lane while driving hands-free
- Choose between hands-free lane change on demand or automatic lane changing (not available while trailering)

**MOTORTREND**  
**BEST TECH 2025**

## PERFORMANCE

### Ready for the ride ahead

The new Tahoe offers exceptional ride and handling thanks to available features like Magnetic Ride Control™ and Four-Corner Air Ride Adaptive Suspension that can help optimize ride height and comfort by adjusting the suspension to road conditions.

### Tahoe RST Performance Edition

Check out everything that elevates the ride, handling and style of the RST Performance Edition.

- 6.2L V8 engine with 10-speed automatic transmission
- Chevrolet Performance induction and exhaust systems
- 433 horsepower and 467 lb.-ft. of torque
- Brembo® heavy-duty front brakes
- Torch Red front and rear calipers
- Police-spec chassis, springs, dampers and stabilizer bar
- Lowered ride height
- Police-spec Firestone® Firehawk™ Pursuit tires
- 20-inch high-gloss Black-painted aluminum wheels
- Sport Pedal Kit from Chevy Accessories\*

## CAPABILITY

### The power of choice

With three engine options to choose from, the new Tahoe gives you all of the performance and capability you need to go everywhere you want.

### New Duramax® 3.0L Turbo-Diesel

Available on Z71 for the first time, the new Duramax 3.0L engine offers an improved 305 horsepower and 495 lb.-ft. of torque, so it's always ready to go.

**495 lb.-ft. - Max available torque**

**Available on Z71 - for the first time**

**10% more horsepower - than previous-generation diesel engine**

### Other available engines:

**5.3L EcoTec3 V8:** Standard on all models except High Country, the 5.3L EcoTec3 V8 engine with Dynamic Fuel Management delivers 355 horsepower and 383 lb.-ft. of torque to give you the power to do what you love.

**6.2L EcoTec3 V8:** Standard on High Country and available on RST, Z71 and Premier, the 6.2L EcoTec3 V8 with Dynamic Fuel Management delivers 420 horsepower and 460 lb.-ft. of torque to haul everything from your family to your trailer.
