- Sunroof
- White interior accents
- Dual-zone automatic climate control
- Leather/synthetic leather upholstery

## Modern Design Meets Rugged Style

The 2023 Ford Bronco Sport for sale was designed to make a bold impression on and off the road. Featuring styling from the full-size Bronco, this year's model features standard 17" aluminum wheels with the option to upgrade beyond base for 18" wheels, in addition to roof rack rails, LED headlights and back power side mirrors.

This rugged SUV features standard soft cloth seats with a 6-way manual adjustable driver seat, power windows and power locks. Boost your experience to premium trims for features that include voice activated dual zone front automatic air conditions, an auto-dimming rearview mirror, leather seats and heated front seats. Select trims feature interior ambient lighting and a heated steering wheel.

## Turbocharged Performance And Power

The base trims are powered by a Turbocharged 1.5-liter three-cylinder engine that generates 181 horsepower and 190 lb-ft of torque. All trims come standard with a four-wheel drive system and pair the engine options with an 8 speed automatic transmission.

Drive in confidence with the adjustable drive modes that come standard. When upgrading to premium trims, enjoy the power of the 2.0L Turbocharged I-4 engine that delivers 250 horsepower and 277 lb-ft of torque. The 2023 Ford Bronco Sport offers exceptional fuel economy so stop less at the pump with base trims offering an average 25 MPG in the city and 28 MPG on the highway.

For this model year, it doesn't matter if you select the 2023 Ford Bronco Sport Big Bend, the Ford Bronco Sport Badlands or the Ford Bronco Sport Outer Banks trim, you get a suite of driver assistance technologies. All trims are equipped with the Ford Co-Pilot360™ suite that includes blind spot warnings, lane keeping assist and lane departure warnings.

## Impressive Cabin Technology

Within the 2023 Ford Bronco Sport interior, prepare to be informed, entertained and connected. The all-new Baby Bronco is outfitted with streaming audio, the SYNC®3 infotainment system and Bluetooth® wireless technology on all trim levels. The standard infotainment system includes an 8" touchscreen display, enhanced voice recognition and smartphone syncing via Apple CarPlay® and Android™ Auto.

All trims feature remote keyless entry, but when you choose to upgrade to premium trims, you gain a mobile hotspot, remote engine start, an integrated navigation system and wireless smartphone charging. Select trims offer exceptional ground clearing and a front camera to capture your off-road adventures, as well as the all-terrain tires on the 2023 Ford Bronco Sport.
