

A silver 2025 Ford Bronco Sport SUV is parked on a rocky shore. The vehicle is shown from a front-three-quarter view, highlighting its black roof rack, black side mirrors, and black wheels. The front features a black grille with the 'BRONCO' lettering and a black bumper with a silver tow hook. The background shows a calm body of water, distant mountains, and a sky with soft, orange-tinted clouds, suggesting a sunset or sunrise scene.

Design

# Exterior

## Safari Style Roof

The extra height provided by the Safari-style roof means more space for your stuff and lots of headroom for tall friends. There's even enough cargo room\* to fit two bikes standing up when equipped with the available interior bike rack.

## Steel Plated Front and Rear Bumpers

Available durable steel-plated bumpers are accessory ready for your trailers, or campers. And ready for the trail too.

## Available Front Brush Guard

Help protect your vehicle while off-roading with the front brush guard.

## Fender Tie Downs

Fender tie downs help to secure your gear in place when loaded on the roof, whether it's kayaks or camping equipment. This feature is available exclusively on the Big Bend®, Outer Banks®, and Badlands® models with specific packages.

## Design

# Interior

### New 12.3" Digital Instrument Panel

The 2025 Bronco Sport® SUV now highlights important vehicle data in hi-res LCD color clarity via a brightly lit customizable instrument panel.

### Available Interior Grab Handle

Hold on tight. New for the 2025 Bronco Sport is a passenger interior grab handle.

### 6 USB-C Inputs

You'll find USB ports conveniently placed throughout the vehicle with two behind the center-stack screen, two by the gear shifter, and two in the second-row console.

### Wireless Charging

Keep your phone fully charged for the hike ahead with the wireless charging pad found in the center console.

Performance

# For Every Day. But Thrives on the Day Off.

## Advanced 4x4 Options

Available Advanced 4x4 with Twin Clutch Rear-Drive Unit can send torque to a single rear wheel even when the other three wheels have no traction. It can divert virtually all rear axle torque to either rear wheel. It works with the vehicle's selectable G.O.A.T. Modes® (Goes Over Any Type of Terrain).

## Powerful Engine Options

- 1.5L EcoBoost® : At the heart of the Big Bend®, Heritage, Free Wheeling™, and Outer Banks® models, the 1.5L EcoBoost engine boasts 180 horsepower and 200 lb.-ft. of torque.
- 2.0L EcoBoost® V6 Engine: The Badlands® model is equipped with a standard 2.0L EcoBoost engine. This adrenaline-inducing engine has 250 horsepower and 280 lb.-ft. of torque.

## Class II Trailer Tow Package

- Trailer Sway Control: Working with AdvanceTrac® with RSC® (Roll Stability Control™), standard trailer sway control selectively brakes and adjusts engine power to help you maintain command.
- Max Towing Capacity: When equipped with the Class II Trailer Tow package, the Bronco Sport® SUV has a max towing capacity of 2,700 lbs. for the Badlands® models and 2,200 max on Big Bend® and Outer Banks® models.

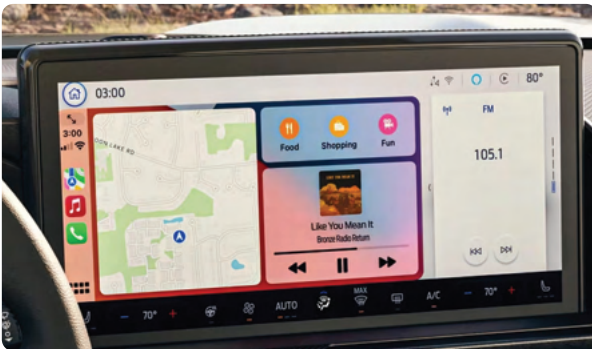

Technology

# Your Copilot to Adventure

## Largest in Its Class 13.2" Center Touchscreen

The tech you need to connect is all here.

## SYNC® 4 With Wireless Apple CarPlay® and Android Auto™ Compatibility

Easily connect your smartphone for a personalized driving experience. You're just a tap away from accessing your apps, checking the weather or listening to your favorite playlist.

## Upgraded Co-Pilot360® Assist+

Ford Co-Pilot360 Assist+ features are designed to help boost your confidence on the road. With Adaptive Cruise Control, Pre-Collision Assist with Automatic Emergency Braking (AEB), and more, you can drive with added peace of mind.
