SAFETY

Confidence and reliability you can count on

Trax comes equipped with standard Chevy Safety Assist,* a suite of six advanced features designed to help keep you safe on the road. You can include available safety technology like Rear Cross Traffic Alert* and Lane Change Alert with Side Blind Zone Alert* for confidence you can rely on every drive.

COMFORT AND CAPABILITY

Big on versatility and affordability

Designed to help keep your cargo and passengers secure, Trax combines striking looks with impressive capability. The ECOTEC® 1.2L Turbo engine makes it fun to drive, and thanks to a GM-estimated 30 MPG combined fuel economy,* you'll have fewer stops along the way.
